As we ride or dye down the polluted highways and bi-ways of America, these are the communities we find ourselves in See if you can figure them out and exactly where you might fit in, in whole or in part. Some of us are in several of these 'hoods. All of these communities are un-protected. All of these communities love "beef", "drama" and "conflict". .

I'm quite sure that most everyone could find a lot more ways in which we are disorganized, grouped and/or fragmented. We as a people are so divided that it almost seems silly to say we have communities or to speak loudly about NATION TIME.

All this being said, I want to be sure to advise, all activist, commentators, doctors, lawyers, accountants, professionals and members of the general public, that those trying to help Black people or any members of these splinter groups, there will be a price to pay. Other groups benefit big-time off our disunity. This is what we got, so work with it, if you think you can help. Organize, manage, think for yourself, organize, unite, build family, communicate and keep ya head up.

If your objective is to get rich quick or be the King or Queen of Nothing, you best back that ass up and ease

yourself on down the Yellow Brick Road. Ain't nobody ever gonna put you under contract for helping the masses of Black people, nor will you win any awards for such. It's just that you are no longer rationalizing the insanity that is going on around you.

Now is the time of the season for COURAGE and CONFLICT RESOLUTION. Time to stop all back stabbing, beefing, needless yapping, problem making, endless bytching, gossip, fake rumors, perpetrating of fraud and a time to rid ourselves of so many negative vibrations.

Some might say, "What you mean by this? The meaning is we got to do better. We have got to start defining ourselves, our actions, our conduct and realize, no matter what...**WE AIN'T GOT NOBODY BUT US!**

LECTURERS, SCHOLARS and SELLERS BEWARE

submitted by Uncle Jessie 2017

Black people got some serious issues when they think Black people are not suppose to pay or subscribe to scholars, lecturers, vendors, flea market dealers, and Internet companies for information about themselves, but can and

The Nubian Times

should pay up-the-ass and go into some serious debt, paying to go to college or training schools, sponsored by Caucasians.

I guess some knuckle-heads think information is free, especially about themselves. I'm gonna guess these Urban Intellectuals think that White programming is superior to uncovering information about your culture and your heritage, at home and abroad. Information that is not in enough homes, communities or the minds of Black youth.

No White university or HBCU has any dedicated courses that teach Africans in America about Africa or themselves, except Temple University in Pennsylvania. Temple is the only school that has a comprehensive program in Africology, where one can get a doctorate if so desired. It was started by Dr. Molefi Asante and still exists.

Some of these Urban Intellectuals think all things African, including clothing, herbal products, books and words coming out of people's mouths, must have their stamp of approval. They approve of all things they think are free on You Tube and Google, but the serious minded know better. Those companies are in the hands of Caucasians and they can turn our things into their things real fast. They seem to always get I own this

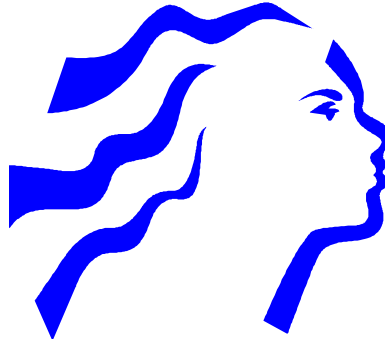

3

information forever certificates. In this world, you have to pay, one way or another for research and the ability to analyze all things by us and for us.

There are a lot of politics in the dissemination of good information and the re-gaining back of the African mind. People have been called pirates, outlaws, boot-leggers, snide and whatever, but where would Black leaning be without these master purveyors? Have they expanded the conscious minds or not? Less than 1% of our population knows any of our top scholars, have read any of their books or have heard them speak on anything. This cannot be taken for granted. That ain't gonna get it. The church and other holy places aren't interested in teaching of self. The schools don't teach of self, the recreation centers don't teach of self and the clubs don't teach of self. So where is one to go to learn about self? How else are Black folk going to get knowledge of their own power and how to access it?

There are always gonna be people that mess up or are not worthy, but we have to make some choices here and there, about what we accept and what we are not going to accept. This article is not about that. This article is about how the Black

information must flow freely and openly to be studied. But there is always going to be a price to pay. We all pay dearly when we don't know, because we don't have the knowledge to organize and fashion what we already have.

WHITE GIRL, WHITEGIRL,

WORLD WAR III

**Reprint of submission by
Booty Adams**

Can you imagine Black women kicking the white female's butt. Well, it's going to happen. Black women are about to catch spiritual fire. The kind of fire that can't be put-out by ministers and politicians. Healthy Black women will pull-up out of the mundane political and religious systems that have been holding them as prisoners. They will lose their fascination with and fear of the white female, then come home to their own people.

For some time Black women were foolish to believe that white

The Nubian Times

females couldn't hurt or dog them. The white female was their shot-caller. Some Black women even believed that the white female's problems were the same as theirs. With a lot of hard work and perseverance, conscious Black women have finally convinced other naive sisters, that they have no fight with their Black men or their sons over power and authority!

When Black daughters don't understand white supremacy, everything else will confuse them. They are afraid to become women. Afraid to be powerful. Sisters are learning the hard way that white females want to destroy them and still keep their labor. White females deny that Black women are human. They think Black mothers, aunts, daughters and sisters are stupid. White females will put Black women on their knees when given the chance

White, female soldiers have been raiding Black women's communities for years. They want Black sons, brothers, uncles, cousins and fathers as long as they have a penis. White females provide the sex and any other recreational items, as long as they can play on the Black woman's turf. For every Black male corrupted, it means that there is less chance for a Black woman to have a union within her own race. White females want the Black woman to feel lonely and abandoned. They want her to act un-natural and out of character.

If you think that I am lying, go ask the white female if she wants you to have a man? Ask her if she thinks you should have a family? Find out if she believes that Black women are animals from the ghetto, apes in heels. The white female will fight to remain the mistress and she wants the Negress to remain her servant. The white female wants hers and that which

belongs to Black women. Her mission is to keep the Black woman in check, doubting her womanhood and motherhood.

If a Black woman never has a child again, that would be fine in the white female's eyes. She just wants to have all the multi-cultural babies, so she can feel like a queen in the Black community. You cannot have two queens occupying the same space at the same time! CHECK!

Black women are the only people on Earth that can stop white females. But OH!!!!!!!!!!!!!!!!!!!!!! Black females want nice cars, nice huts in white-ville, no children, no men, no community of their own and a career. Sorry! **WORLD WAR III** has been canceled for lack of participation. What's up with Black females? The worship of the White female and her son, have delayed any revolution. The un-revolution is being televised. They think they will be saved by a White boy, the White woman's son.

CHECK MATE!

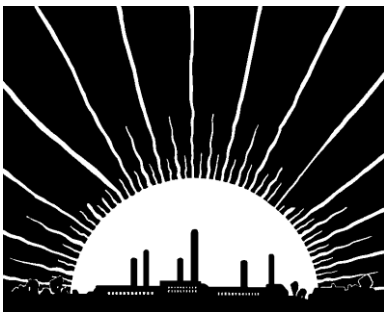

BLACK GIRL, BLACK GIRLS

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

The United States is the only developed country with a rising maternal mortality rate.

Homosexuals are some of the elite of Caucasian societies. In the United States, those out the closet represent between 1 and 4% of the American population. 59% of them are college educated. Over 51% of them make over \$53,000 a year. Over 43% of them own property, businesses and land. They are not victims, but they are attempting to normalize their behavior.

Cancer treatment is a for profit industry in the United States.

What White women get by extension, White men and White children also get.

Caucasians use their weapons of mass destruction to make sure that nobody else has weapons of mass destruction to use on them.

Caucasian have a different view of sex than Afrikans. Caucasians are more tolerant of men and women having sex with animals, with each other, with same sex, with parents and with children. Anything goes, including sex for sale. Caucasians have more of a tendency to equate violence with sex. Caucasians were the first to spread "whip appeal".

The U.S. was not founded as a Christian nation. The U.S. was founded upon secular values.

White people have no vested interest in ending racism.

White females have made foster care of other race's children so lucrative that some of their husbands can quit their jobs.

In European dominated societies, its acceptable for young girls to be paraded around publicly in their underwear.

Europeans believe they have a right to impose their dominance over others. They interfere in

The Nubian Times

private affairs of others, such as selecting the names of children, what type of food people should eat, what type of clothes they should wear and what God people should worship.

Caucasoid females not only war on Caucasian males, they also war on other females, including other Caucasian females.

65,000 years ago there were no Europeans (Whites) in Europe, only Afrikans (Blacks).

REPARATIONS OWED

The Gospel According To

Count Constantine DeVolney

"Just think that this race of Black men, today our slave and the object of our scorn, is the very race to which we owe our arts, sciences and even the use of speech."

CHRISTIANITY

The Gospel According To

Thomas Jefferson

"Christianity is the most perverted system that ever shone on man"

AS BLACK AS INDIAN INK

The Gospel According To

Christopher Columbus

"The Indians are so naive and so free with their possessions that no one who has not witnessed them would believe it. When you ask for something they have, they never say, 'no'. To the contrary, they offer to share with anyone."

"They would make fine servants. With 50 men, we could subjugate them all and make them do whatever we want."

UNINTELLIGIBLE

The Gospel According To

Benjamin Franklin

5

"I have found Christian dogma unintelligible."

A WHITE SHADE OF PALE

Procol Harem

And so it was that later
As the miller told his tale
That her face, at first just ghostly
Turned a whiter shade of pale

IN THE AIR TONIGHT

Phil Collins

Well if you told me that you were
drowning, I would not lend a hand
I've seen your face before my
friend, but I don't know if you
know who I am

Well I was there and I saw what
you did, I saw it with my own two
eyes

So you can wipe off that grin, I
know where you've been

It's all been a pack of lies

NO RELIGION

The Gospel According To

John Adams

"This would be the best of all
possible worlds if there were no
religion in it

DEMOCRACY

The Gospel According To

John Adams

"Democracy never lasts long. It
soon wastes, exhausts and murders
itself."

The United States is the only
nation we could find that will fight
boogie men in caves, in the desert
and teeny, weenie countries and
call it a war.

When the Europeans came to the
Americas, they brought with them
syphilis and their common cold.

These diseases virtually wiped out
other racial groups.

Europe recovered from its
economic depression of the Middle
Ages at the expense of Afrika and
the slave trade.

Enslaving White Christians was a
major source of income for
Vikings. Viking did White slave
trading with the Arabs. Vikings
sold and traded Scottish slaves
wholesale.

Societies dominated by Caucasians
are the only societies that attempt
to make sex with the same sex
lawful and "legitimate".

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

This segment and these
quotes are here to challenge
you, as you analyze what is
being said. These quotes are
not here to program you.
These quotes give you the
opportunity to see and hear
some things that are not a
part of any general
conversation on a daily basis.
Let's get busy seeing what's
up and do some serious

The Nubian Times

thinking about Black life as it
now stands. .

FORGIVING WHITES

The Gospel According To

Dr. Frances Cress Welsing

"Forgiving Whites for acts of
racism is a mental illness on the
part of Black people."

LESSONS FROM THE ISIS PAPERS

The Gospel According To

Dr. Frances Cress Welsing

"The American Psychiatric
Association's decision to remove
homosexuality from the list of
mental (behavioral) disturbances
resulted from the increasing
number of white males seeking this
mode of sexual expression, due to
an increasing consciousness of true
white male weakness. Male
bisexuality and homosexuality can
be viewed as the sexual expression
of male weakness, passivity and
effeminization. The motivation for
these feelings and their sexual
expression results primarily from
the developing challenge by "non-
white" men throughout the world to
white male power and projected
superiority."

FEMINISM

The Gospel According To

Dr. Marimba Ani

"Feminism cannot be African,
because it focuses solely on the
experiences of one gender and not
the collective experience of the
African family".

EUROPEAN FEMINIST

The Gospel According to

Dr. Marimba Ani

"The feminist need Afrikan
women for their life. They
recognize the power that is in us,

6

and so you see them everywhere talking about feminism as though it included us in it. I refuse to cooperate with anything that has an anti-male focus."

ON MALCOLM X

The Gospel According To
Muhammad Ali

"Turning my back on Malcolm was one of the mistakes that I regret most in my life. I wish I'd been able to tell Malcolm I was sorry, that he was right about so many things. But he was killed before i got the chance. He was a visionary ahead of us all...I might never have become a Muslim if it hadn't been for Malcolm. If I could go back and do it over again, I would have never turned my back on him."

WHAT PARTY ARE YOU?

The Gospel According To
Dr. Khallid Muhammad

"You running around here talking about , I'm...I'm with the Democratic Party. I'm...I'm with the Republican Party. Fool, you not even invited to the Party."

THE GENIUS OF THE NEGRO

The Gospel According To
Carter G. Woodson

"The very same educational process which inspires and stimulates the oppressor with the thought that he is everything and has accomplished everything in the world, depresses and crushes the genius of the Negro."

WHAT'S UP NEGRO?

The Gospel According To
Carter G. Woodson

"The Negro, whether in Africa or America, must be directed toward a serious examination of the fundamentals of education, religion, literature, and philosophy as they have been expounded to him. He must be sufficiently enlightened to determine for himself whether these forces have come into his life to bless him or to bless his oppressor."

DRINK BLOOD, EAT FLESH

The Gospel According To
Mutabaruka

"You have branded Voodoo, Obeah, and all African oriented traditions as paganism, yet you have the people going to church trying to drink the blood of Jesus and trying to eat his flesh."

NOT AFRICAN HISTORY

The Gospel According To
Mutabaruka

"Slavery is not African history. Slavery interrupted African history."

DR. KING'S ASSUMPTION

The Gospel According To
Dr. Kwame Ture

"Dr. King's...major assumption was that if you are nonviolent, if you suffer, your opponent will see you suffering and will be moved to change his heart. That's very good. He only made on fallacious assumption: In order for nonviolence to work, your opponent must have a conscience."

THE QUESTION OF POWER

The Gospel According To
Dr. Kwame Ture

The Nubian Times

"If a White man wants to lynch me, that's his problem. If he's got the power to lynch me, that's my problem. Racism is not a question of attitude; it is a question of power".

BLACK IMMIGRATION

The Gospel According To
Dr. Bobby E. Wright

"No white nation in the world encourages Black immigration, but there is great effort throughout the world to "integrate" Africa." -

WHITE RACISM

The Gospel According To
Dr. Umar Johnson

"White racism is not about spewing hate towards Black people and calling them the N-word.. White racism is about making sure power always remains in the hands of those that look like them."

WE WANT POWER

The Gospel According To
James Baldwin

"The only thing that white people have that Black people need, or should want, is power-and no one holds power forever."

WHO ENJOYS OPPRESSION?

The Gospel According To
Runoko Rashidi

"African people in the Americas, perhaps more than any other ethnic group, have not only been conditioned to accept victimization, exploitation and oppression, but to a significant extent, to actually embrace and enjoy it."

AFRIKA

(where it came from)
The Gospel According To

Dr. Afrikadzata Deku

“Afrika was called the land of the spirit. “Ka” means the spirit. “Fri” means come, an Akan word. Come from the spirit, the land of the spirit. Some people were trying to tell us it comes from Greek or Arab. It’s not! It’s an Afrikan name. And what it represents right now is the continent that belongs to us.

PICK YOUR LEADERS

The Gospel According To

Dr. Julia Hare

“Black folks are still allowing White folks to choose their leaders. Do you believe that Israelis would allow the Arabs to choose their leaders? The Chinese wouldn’t allow the Japanese to choose their leaders for them? Would the British allow the Irish to choose their leaders? Do you think that lions would allow tigers to lead them in the jungle? It’s only Black folks who will allow others to come in and pick their leaders for them!”

OPPRESSED PEOPLE

The Gospel According To

Dr. Frances Cress Welsing

“If the men of a people are oppressed, the women are brought under oppression- as they are dependent on their men for protection and defense. Women do not have the muscle mass to liberate a people and protect the young. Women develop the young, but their men must provide the protection and the security apparatus.”

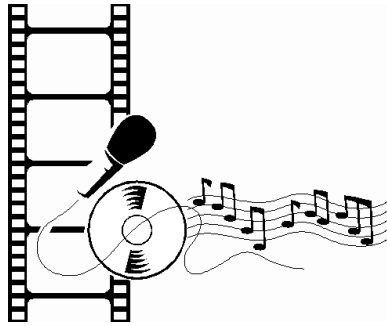

AFRIKAN RACE

The Gospel According To

Benjamin Banneker Bey

“I am of the African race, and in the colour which is natural to them of the deepest dye; and it is under a

sense of the most profound gratitude to the Supreme Ruler of the Universe.”

I'M BLACK

Jack Johnson

I'm Black...They never let me forget it. I'm Black all right...I'll never let them forget it!

MUSICAL GENIUS

Jimi Hendrix

“You can hypnotize people with music, and when you get them at their weakest point, you can preach into their subconscious whatever you want to say.”

FALLING FORWARD

Jamal Mashburn

“I wanted to leave the game (NBA) with a healthy quality of life and an ability to step into something. It’s almost like not falling back on something, but falling forward to something.”

SELF SUFFICIENT BLACK PEOPLE

Larenz Tate

“So many people have been asking me where I’ve been. I’ve been working hard for us Black people! My brother and I have created our own production company so that I can get our stories told. My first movie is going to be about a Black Wall Street. I want to tell the stories of when Black people were self sufficient, because I truly

The Nubian Times

believe that we can get back to that place.”

MASTERPIECE

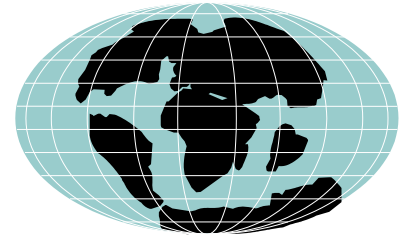

The Temptations

Thousands of lives wasting away

People living from day to day

It's a challenge just staying alive

Cause in the ghetto, only the strong survive

FREE THE LAND

The Gospel According To

Chief Elder Osiris Akkebala

“At the present, what is going on in Zimbabwe by the western imperialist is unacceptable. Any effort by Mugabe to challenge them is deserving of support and that support does not dismiss or overlook his misbehaving toward the Black Afrikan people in Zimbabwe. The action of the Zimbabwe revolutionary veterans toward the white land thieves is appropriate. Afrikan people’s land must be returned back to it’s rightful owners, not just in Zimbabwe but all over Afrika and such must become the mind set of all Afrikan people.”

JUSTICE

The Gospel According To

Elijah Muhammad

“It is useless for you to try to prevent the fall of the white man's world. There is no checking it. The white race has not tried to do the right thing ... justice. The doing of justice would have checked her fall (Bible, Jeremiah). But America was

8

never willing; and even at this hour she is not willing to do justice by those whom she has mistreated. She has dealt injustice to her Black once-slave for the nearly five hundred years she has been in the Western Hemisphere.”

THE NEGROES CREED

The Gospel According To

Dr. Chancellor Williams

“Millions of Blacks have been made so wholly dependent on the white race for so many generations that they have become mentally lazy. For these, dependence has become comfortable; it frees them from the initiative, responsibility and planning required of independent free men and women. “Leave it to the white folks” has become their unspoken creed.”

BLACK FACTS

All knowledge is rooted in reality

Mississippi and Georgia top the list for the States in the U.S. with the most lynchings. Followed by Texas, Louisiana, Alabama.

Neuro-Melanin goes to the internal organs

There was nothing called a pyramid before Afrikan genius created it.

During slavery, marriage was outlawed for Afrikans. Men and women were not allowed to be affectionate with each other.

There are over 250 differing cultural groups in Afrika, but they all have the commonality of being Afrikan. ONE LOVE!

Black people have created thousands of "nationalities" to protect themselves from European, Asian and Arab onslaughts. Most were based on race, spirituality, geography, access to fresh water, friendly territory or surroundings. Most lasted only as long as they were effective to the people who were usually forced to group together.

The highest value to Blacks are the relationships between people. People are equal. To be treated less than equal is dis-respect.

There are no skeletal remains anywhere on Earth, half as old as those found in Afrika. All of the ancients were melanin enriched.

The first pictures of women on Earth, whether in Europe or Afrikan, were of the Black woman.

No Afrikan man is stupid enough to say that he is superior to the woman that gave him birth.

Afrikans in America are in conflict, because the culture there does not fit their souls. We did not come out of a culture where one has to compete for everything.

Black people were the first people to live by rules. The Laws of Ma'at were put in place to keep us living civilized.

The nation-state is UN-Afrikan. It is fashioned after the territory of the feudal lords of Europe. They pit one culture against another to destroy each other.

At birth, there are more Black boys born into the world than there are Black girls.

We must always remind Black children that they are powerful mentally, spiritually and physically.

The Nubian Times

Afrikan people come from the human kingdom, not the animal kingdom.

The purpose of an Afrikan Centered education is to reproduce the best of ourselves.

There are still Afrikans in the Americas that can't let go of the blond, blue eyed Jesus.

The Holy Ghost is the feminine aspect of the God force in the universe, the sacred fire of the kundalini. A Black man cannot accomplish anything without that inspiring force.

If you are born Black, you die Black.

No society can be great unless they use the female mind in partnership with its men.

In Afrika there are no action verbs. You just have action. There are some things in the Afrikan mind set you don't say, you do. Action speaks for itself.

More Black men went to jail under NAACP award winner Bill Clinton than under Ronald Reagan.

Both Arab and European conquerors belittled indigenous African beliefs, cosmologies and traditions telling us we were inferior, heathen and pagan.

THE NEWEST COLORED VILLAGE

resubmitted by Magick1010

Multiracial Village People are the people who view interracial couples, their children, and mixed race adults as members of a new, cross-cultural, multiracial "community" in the United States. They see this community as unique, distinct, and separate from other ethnic groups and communities of color. Back in the day, White people just called them Niggers or if they wanted to sound politically correct, they just called them Negroes. When poor White people felt threatened, they even called them Mongrels. It was Thomas

The Nubian Times

Jefferson that coined the terms Mulatto and Octoroon for them, amongst other things.

Mixed groups branching off from Afrikan people (the ORIGINAL PEOPLE) is nothing new to the world or us. Many of our people see them as nothing new, only another group of Semites (half-this &-half- that). One difference is that they have yet to acquire any real power or borrow some of our religious principles. The major distinction is that Afrikan people will always show respect to the divine Black woman, our source of regeneration. Those that don't do have the choice of leaving our community. Let the doorknob hit you, where the good Lord split you!

Still, the most hard-core of Multiracial Village People hold the position that all people of blended racial backgrounds should identify themselves as multiracial, no matter what.

Could they be the new Negroes of the 21st century or are they the same dawg searching for younger, kinder, gentler White Masters to bow wow for? Will they serve Global White Supremacy and try to build off the backs of Black people and receive retribution for dividing up the descendants of Afrikan people? Will they want to start playing the nationality game so their group can get some more benefits? Only time will tell if they are the best of many groups or the worst of many groups! Whatever the case, Black is still the dominant gene on this planet and ain't nothin' new under the Black Sun!
