**FUK BOY / LEAVE THAT DRAMA ALONE / FORGET ABOUT COLOR**

## **NO DRAMA POLICY!**

**THE NUBIAN NETWORK DOES NOT DEAL WITH DRAMA QUEENS, be they male or female. The NUBIAN NETWORK does not deal with PUBLIC BEEFS and PUBLIC EGO BATTLES. That may be some way for Black folks to get publicity or notoriety, but we do not want to take any sides or be dragged into any such BATTLES. Our policy is not to name call if at all possible. Our policy is not to get into public fights on somebody else's media. We have enough enemies and haters of our own we have to deal with. We may be conscious of**

**such beefs, fights, arguments and debates,**

**WE CANNOT SOLVE OUR PROBLEMS BY LYNCHING and CASTRATING EACH OTHER!**

**but none of such characters, be they female or male, have little to do with us or the future of our race-family.**

**Those who want to lynch, persecute, castrate and crucify, can go right ahead. We do see that our race-family does have some new "sheriffs" on the**

**public media scene, with guns a blazing and throwing plenty of stones. After they tar and feather, bytch slap, lynch, gum yap, run out of town, beat-down, castrate or crucify whomever, let's see how many institutions, community centers and services they provide, build and how much cooperative economics, and opportunities they can generate. As far as we know, any race-family members that already have services, businesses or whatever, has enough sense to stay out of the sheriff, persecute and crucify game. This exclusion from public lynchings and public castrations includes the Nubian Network, Black Consciousness Online and all NWA (Nubian World Alliance) members. We know**

**about living in an environment where people are constantly critiquing you, ready to pounce on you, at their first opportunity to pull anybody and everybody into their negative light.**

# BLACK FACTS

**All knowledge is rooted in reality**

Oberlin College was the first U.S. College to grant a degree to an African-American woman in 1862.

Like family is not the same as family. Not all families are dysfunctional.

Colors of Black oppression globally: **RED, WHITE & BLUE**

The only way that any Black person can make a lot of money in the United States is because of political movements by the masses of Black people over time.

There was nothing called a "pyramid" before African genius created it.

When Columbus discovered America, there were between 80 and 200 million Black people already there to welcome his discovery.

Donald Trump gives Black devil's advocates more ammunition to yap

about and to shoot other Black folks down across the planet.

Black people are the only people that have dead (mummification) that go back thousands of years. The only people that can come close are the Russians, which can go back 100 years or so.

At birth, there are more Black boys born into the world than there are Black girls.

No attempt to destroy our race family has been so continuous, so systematic, so extra-ordinary as that of the color-less people and yet we still rise.

In ancient Afrika, the HEART was the center that symbolized the seat of intelligence.

The Underground Railroad first began in Florida, around 1585.

Afrikan people come from the human kingdom, not the animal kingdom!

In the Afrikan world, everything you see is the Creator, yet everything you see is not the Creator. You do not see everything the Creator is.

The main, metaphysical tool that Europeans are using to program Africans is the Bible, with the Koran running a close second.

In World War II, the Tuskegee Airmen, Black pilots, escorted American bombers to and from enemy targets. They never lost a bomber.

Death shall not find us, thinking that we died!

The Earth has 285 religions! All came about as a result of Afrikan spirituality and their one-ness with the creative force!

There are still words in Afrikan languages for which there is no equivalent word in English.

## The Nubian Times

There is a force moving Black people that no human force can stop.

Zeus and Apollo were the first Gods of Greece. They came from Afrika.

There are many Africans going in the streets in Europe, the United States and the rest of the Diaspora that are crazy underneath. They have lost everything they could relate to - Friends, religion, culture, family and environment.

The Druids brought the "Mystery System" from Africa into Europe.

No Afrikan has to apologize for colonization or slavery. Everything Indo-Europeans did to members of our race-family, they had already done to their own people.

The only 3 non-slaving Presidents of the U.S. under the Constitution, were John Q. Adams, John Adams and Elias Boudinot.

There is no argument or challenge that the NUBIANS were all Black people. They are the world's oldest known monarchy, bringing forth twelve pharaohs. The Nubians are the link between the high-culture of Kemet (Egypt) and central East Afrika. The Nubians had little or no foreign influence, nothing from Caucasoid or Asiatic cultures.

Some of the earliest work in hieroglyphs (Medu Neter) was created by the Nubians. Wherever you find large numbers of independent Black people, you find advanced communication, transportation, political systems, art, economics, spirituality and social structure. We the people!

The Nubian Nation (NUBIA) was just South of Kemet (Egypt), mostly in the area now known as the Sudan. Nubians are the Afrikans along the Nile river that Europeans scholars do not want Blacks or the rest of the world to know about. They don't want

### 3

anyone to know that anything of consequence came from the South of Egypt. We the people.

Christopher Columbus never discovered the Americas. The people living here were not lost, he was. As a result of just being seen by Christopher Columbus, the nations of the Arawaks and Caribs are virtually extinct today.

Columbus identified these people as Black or Indians. They were the same shade as INDIAN INK or the Black people of India. Somehow the area he got lost and found in is called the West Indies or the Caribbean.

To fill the enormous labor void in the Americas, first Spain, then all of Europe- with the exception of Russia- all participated in the Afrikan slave trade

No wife beaters came out of Afrika. No wife deserters came out of Afrika. There were no single women without husbands in Afrika. People of Afrikan descent that do not know their culture and values are prone to be influenced by European traditions superstitions and values.

## FORGET ABOUT COLOUR? HELL NO!

MAGICK1010

**B**lack people that choose to forget who they are and from whence they came, easily say, "Forget About Color!" They act like the God they worship did something wrong in making the original people BLACK. They act like the Black women that we came from, are not different from lupiderms, mutant albinos or the pale-people of the

desert. These Negroes are weak and believe their need for a job, money, sex, prestige, power, a few crumbs or whatever is worth losing their dignity for and betraying the other members of their race-family. They want everybody to forget about color and become the equivalent of a SNITCH or UNCLE TOM just like them! They feel that material things will justify the betrayal of their race-family. I say, "HELL NO!!

People of other race groups that want power and resources to expand their tribes, always tell Black people to forget their color. Other races and weak people would love for Black people to never remember their powers. Not remember where they came from and who they really are. Not to remember their trials, tribulations and what we are suppose to be about. Not to remember our relationship with the ALL MIGHTY. Other groups love when we can't remember who, what, when, where and why. Then, we as a race-family must be dependent, pretentious and stupid. FORGET, FORGET, FORGET! HELL NO!

Now Yo, this don't mean that you get Color-Struck or walk around with a Color-Complex, but you must have pride in your melanated skin no matter what kind of nonsense our enemies want to come out their mouth with. Your melanin (color) is your connection to your spirituality...that is if your brain ain't been turned backwards. Ya know what I mean?

We all should remember the stories Europeans and Negroes tell of how rival groups of Africans sold other Africans into slavery. They knew not what Europeans and Arabs had in mind, but they still violated neighboring Black people. These Africans are fine examples of Blacks that forgot about color. Let this be a lesson learned. BLACKS THAT FORGET ABOUT

## The Nubian Times

COLOUR, WILL SELL YOU OUT! History is repeating itself. Please remember, Blacks that Forget about Color are treacherous, THEY WILL SELL YOU OUT! Blacks that will forget about color will **SELL YOU OUT!**

## FUK BOY

The return of Uncle Jessie

**N**o male worth his salt wants to be a F#CK BOY! You ask what is a f#ck boy? A f#ck boy is a male that is mostly used for sexual purposes. Other than maybe being cute for sex, he has no real purpose. A good part of his days are spent doing nothing, but being played with as if he were some real-life-like baby doll. Dudes like this have nothing on their minds worth mentioning and have no goals anybody wants to see fulfilled. The f#ck boy is just a play thing; never a partner, not thought of as a spouse and definitely not thought of as a man!

Sure these dudes might get their pipes cleaned or their stomach and butt filled, but they usually suffer a lot of mental, emotional, psychological and spiritual damage from abusive, destructive relationships with females or other males.

The only person that is usually support of this dude is his mother. Even the societies they live in frown upon their "lifestyle" as un-masculine

Fuk boys often have cribs & whips, but they must be able to handle the incursions of man-eaters, secret competitors, creeps, trolls, leeches and do nothing critics, with their potentially childish games.

As long as one remains a F Boy they may never know what manhood feels like.

Best solution to get out of **BOYISM**, is to surround one's self with doers, positive, goal oriented individuals and people that **believe in themselves**. Be about something! People that believe in themselves, spend less time in other people's beeswax! ~fini~

## CRACK HEAD NEWS

LEAVE THAT  
DRAMA  
ALONE!

**Edition**

Parental Advisory

**May contain Explicit Content not  
meant for Negro Kids or weak-  
ass Adults!**

If you didn't know, you are finding out. Always remember that those in what is now known as The **"CONSCIOUS COMMUNITY"** are not as mundane, listless and lifeless as those in the **"RELIGIOUS COMMUNITY"** or even the **"SPIRITUAL COMMUNITY"**. The **"POLITICAL COMMUNITY"** just keeps them all unorganized and fragmented. Just follow the

legacies of Martin Luther King & Malcolm X. Both had just as many haters as they had followers. Both were about the business of **"what's happening now"** That's called "consciousness".

If you think Crack head news is vague, you can kick rocks. We are not speaking your language and probably not trying to communicate with you anyway.

Nobody has ever taken the time to teach Afrikan people that they are chemically & neurologically different than anyone else. They can raise and honor differences about everything on this planet (plants, animals) except humans. **WHY IS THAT?**

Magnesium helps with leg and foot cramps. Please consult Jesus or your physician if you don't believe us.

The war in Afghanistan is still raging, but how would you know, unless you have children there? Will the U.S. want to go back to Korea? Hug and kiss your children, because they could be the casualties of war.

Know the difference between information and warnings versus persecution, lynching and crucifying.

If somebody has a nasty habit of calling you stooopid, you are stooopid, if you stick around them. They don't recognize any of your talents and will continue this abuse forever and a day. Get out while the getting is good and find somebody that appreciates you.

Many a recovering Christian or recovering Muslim, still think some super hero is going to come along and save them and give them some type of accounting, while they sit someplace with their minds still tied to their behinds, complaining about whatever. They are still not fully awake and still have the

## The Nubian Times

remnants of being in a coma. Be careful! In this state of mind, they are still off balance and will try to hurt somebody.

Serial killers and spree killers are normally born from White females.

Taxation without representation is tyranny, lol

California, New York, and Texas are the top three destinations for international students in the US.

**WE ARE COMMUNICATING,  
NOT TRYING TO LOOK  
PRETTY or IMPRESS U YO!**

Some people wouldn't know a **BLESSING** if it fell upon their ears, eyes and brain. They are too busy waiting on some kind of Christmas / Easter type, miraculous event, where White people are involved.

Black GrapeVine news- Rumor has it that the IRS claimed Whitney Houston's estate owed them a little over 11 million. They settled for a little over \$2 million. Is that a profit? lol

The difference between a religious person and a spiritual person is that the religious person cannot manifest the creator within them.

The American Medical Association, the United States largest organization of physicians, apologized recently for its history of discriminatory policies toward African-American physicians, including those that effectively restricted membership to Whites. Apology not accepted. Apologies don't translate into economic power or economic opportunities for the masses of Black people. Apologies do nothing but pay-off a hand full of Negroes still willing to kiss wet, White butts.

Are the people in the military considered Trump's boys and girls or still Obama's disciples?

## 5

Herbs can't heal one from self-hatred. Neither can drugs! Herbs are for the healing of the nation. Drugs are not. Please consult with your doctor or holy person!

While the corporation has the rights and responsibilities of "a legal person", its owners and shareholders are not liable for the corporation's actions. The owners of a corporation can program that corporation to be psychopathic, schizoid and xenophobic. Corporations are White people's latest efforts of not taking "blame" for any of their criminal behaviors. Don't fall for the "OKEY DOKEY".

How come most people go to doctors that can't heal them, but still charge them?

There are some estimates that there are still about 30,000 people enslaved in the United States.

Imagine what it feels like to be a Black engineer or a Black contracting/construction company when 90% of the Black churches go to White contractors to build all these big churches we see springing up.

A Crack Head Junkie never configures their mind that a drug dealer is going to give them something free or at a discount.

Most Black people only call themselves or their people African-American, when they feel a need to make White people comfortable. This shows their proclivity to support White Imperialism to their own demise and the demise of their own children.

A recovering religious addict always thinks they are suppose to get something free or at a discount from other Black people. Who you say you are Shawty?

Rosemary essential oil helps with memory. Please consult your pastor, bishop, your physician or

whomever if you believe don't believe us.

If you are broke, have outstanding debts and are waiting on a tax return...you are doing BAD Yo.

What is the truth from a racist? Leave that drama alone.

Black youth who grew up listening to the hip-hop of the 90's, should wake up and smell the coffee. They are about as old as dirt!

At times, there seems to be a contest going on, about who can sleep with and sex the most people. Who is winning Yo? This is what happens when you have no culture. You start hating on yourself and everybody that looks like you.

Don't forget to continually count your blessings. Everyday it's getting more hectic and ugly out here!

Racism is still the number one cause of problems in America.

### **IT AIN'T WHAT WE KNOW ABOUT THAT, BUT WHAT YOU KNOW ABOUT THAT!**

Approximately 70 percent of graduates leave college with student debt.

The only things lesbians, dykes and feminist seem to bring to the Black community are female versions of White males. There is no long term existence in homosexuality. No forever ever!

Black women were never persecuted until they came in contact with Europeans and Arabs.

## The Nubian Times

There is no way in hell that Black people could have had such great civilizations as those that we had in the pass, without the approval and maintenance of Black women.

Civil rights without power are no civil rights. What you gonna do about it Shawty?

We still got chicken-head females trying to play slick by having knock-off handbags on display and chicken-head males trying to be slick by wearing knock-off jeans. To top it off, most of them still want a faggots name somewhere where it can be seen. Go figure. Freak-a-Leek!

Oprah for President, if Steve Harvey can be her Vice President and Gayle King can be her First Lady. Whatever!

Why are ass-holes always saying what Martin Luther King Jr. would be doing or saying? It's a new day with different challenges for Black people. MLK Jr. has been dead for over 40 years. Stop using his name in vain, for personal gain or self-aggrandizement. Martin was his own man! He never needed anybody to talk for him.

Recovering Christians and recovering Muslims are still looking for some imaginary Jesus too. Looking for some kind of perfect man or woman to make them feel comfortable in their pursuit of happiness. As long as nobody expects perfection from them, they feel like they can be judgmental or the new Negro sheriff in town. Whatever!

Try telling a homeless, pan-handling veteran...."Thank you for your service." That's just like a racist saying, "Have a nice day."

Currently, there are only 4 all-male colleges in the U.S. and 60 all-female.

What kind of education do major network commentators and news

## 6

people have? President Trump calls Africa and other countries that Black and Brown people migrate from "SHITHOLES". Then these personalities say that that's not what America is about. Huh? What America do they live in? Last we heard, Donald Trump is President of all Americans. Lol

If you so worried about spelling and grammar, you better have a couple degrees and your own business Shawty. And by the way, never look at TV commercials. They leave a lot to be desired, but they communicate a lot better than you! Your peers are looking down their noses at you too. You are a worker!

Millennials are mostly prescription drug, crack, meth, heroin, cocaine, alcohol and marijuana babies!

### **IT JUST BEES THAT WAY SOMETIME!**

Like whoooooa! The average debt of a college student is \$23,700.

If you don't get your product, CD, DVD or whatever distributed or control the distribution process yourself, it won't get out there. It will go rotten, stale, old, dusty and moldy sitting on a shelf in your attic, basement or trunk! By the way, advertising is not free!

If you are working for Lyft, Uber, a cab company or limousine company, don't consider your riders your friends. You can be friendly to them, but don't get crazy, especially if it's your vehicle. They just want a ride by any means necessary and oftentimes, their bad attitudes and behaviors are seen as sources of power, by companies that allow such persons to grade you. Many of the riders are not just happy with a clean, safe and sound ride. They expect to have their asses kissed, even if the ride only lasts 4 or 5 minutes on the average. Go figure!

White people can afford nice condos, fine cars, good liquor and sweet dope, the finest foods and electric, steel dildos with all that money they are making from Black folks shopping in the suburbs, at the malls.

The average cost for a funeral is close to \$10,000. Give God the glory? Who gets this money? Where are the "new" yapping sheriffs and "new" too busy bees about this? They seem to be in everybody's bizness, but their own.

### **DON'T PERSECUTE and try to CRUCIFY, MURDER or CASTRATE ME SHAWTY!**

Most Black people fail to realize the Martin, Malcolm and Marcus were all members of the CONSCIOUS COMMUNITY. They all were **RIGHT NOW ACTION ORIENTED!** Can you feel that Yo?

We hear the voices of people talking about representing their city and their yapping about owning a particular territory. We only wonder what they own or represent living on a reservation or in a project?

White people's idea of patriotism and freedom is to uphold their racism / white supremacy, be it overt or covert. They don't want other groups of people to take away their potential, privileges or to be able to defend themselves from their onslaught.

## The Nubian Times

Devil's advocates recite the Pledge of Allegiance before going to bed, in hopes that their devil's advocate jobs are there if they awake.

If there is a next lifetime, will Black Christians and Black Muslims be looked upon as lowly servers and slaves, as they are in this lifetime by White Christians and Pale Arabs? How much faith you got Homey!

I do not feel like standing and singing the U.S. nation anthem today!

Before Uber and Lyft, how many Shorties had to catch the bus, catch a hack or walk? How long before you mess that up? Those limousine services are getting tired of bad attitudes and petty theft with cash fares too. Lol

Who would want to work for Donald Trump? One would seem to have a lack of concern for their own long term safety and security

The majority of foreign students who study in the USA come from India, China, and South Korea.

If you know that somebody is recovering from drugs, a coma or just slipping and busting their head, you don't attempt to murder them...DO YOU?

White people's world view is not the same as a Black person's world view.

## EUROPEAN FACTS

(SUBURBAN MYTHS?)

**Believe it or not!**

Serial killers and spree killers don't look like everybody else. They look like White men, with few exceptions.

60% of middle-class U.S. college students will not graduate in 6-8 years for a number of reasons

The Caucasian man is a mirror image of the Caucasian woman. Neither one is complete without the other as far as material possession and destructive mannerisms.

The two classic civilizations, Greek and Roman, were not Aryan, but Mediterranean.

If slavers had had the mentality and morals to work for a living, they'd likely have earned about \$125.00 a year. But they'd rather be family-destroyers, rather use a whip, buy a slave woman, work her for \$250.00 profit, rape her, and the mulatto and/or quadroon daughters, and sell them for \$2,500. Sell one octoroon to a brothel, and forced prostitution, the slaver just made himself \$2,500, 20 years pay! Invest that \$2,500 at 5%, get \$125 a year, he'd be making as much as real work! No wonder they committed mass rape, produced 588,000 mulatto women. It was fun and lucrative. This explains why, though few Southerners "owned" slaves, so many favored it, and fought for it in the Civil War (War of the Rebellion).

In the U.S. and most European strongholds, many of the top TV shows, movies and games, are heavy laden with violence and crazy power moves.

If something cannot be counted & measured by the European woman or man, they feel that it is not knowable. Spirit cannot be counted or measured. That is why they rely so much on religion, something they can control!

The U.S. has about 40 million Black people hooked on Western religions.

The English are pre-literate. They have no script. The English never wrote. Anglo-Saxon is Roman.

## The Nubian Times

They got their script from the Romans of the Mediterranean!

North America has about 100 million Brown people hooked on Western religions.

When European take over something, they want to control all of it, not a part of it.

Britain had to empty the jails and debtor's prisons to populate certain areas in her American colonies. Western Europeans were in no hurry to get to a New World where they had to work hard and the land was already occupied.

### MANEATER

Hall & Oates

I wouldn't if I were you  
I know what she can do  
She's deadly man, she could really  
rip your world apart  
Mind over matter  
Ooh, the beauty is there but a beast

### ONE TIN SOLDIER

Coven

Listen, children, to a story  
That was written long ago  
'Bout a kingdom on a mountain  
And the valley folk below  
On the mountain was a treasure  
Buried deep beneath a stone  
And the valley people swore  
They'd have it for their very own

Go ahead and hate your neighbor  
Go ahead and cheat a friend  
Do it in the name of Heaven  
You can justify it in the end  
There won't be any trumpets  
blowing  
Come the judgment day  
On the bloody morning after who...  
One tin soldier rides away

Caught in a landslide, no escape

Open your eyes, look up to the

I'm just a poor boy, I need no

Because I'm easy come, easy go

A little high , a little low

Anyway the wind blows

Doesn't really matter to, to me

### THUNDER

Just a young gun with a quick fuse  
I was uptight, wanna let loose  
I was dreaming of bigger things  
And wanna leave my own life

Fit the box, fit the mold  
Have a seat in the foyer, take a

I was lightning before the thunder

White people's history can not  
stand up to DNA tests. They cannot  
prove they are the father of much.

Southern Americans, by name  
only, are below the Mason-Dixon  
Line.

Everything of consequence in the  
world started outside of Europe.

The most common major in US  
colleges is Business.

White people have more genetic  
diseases that affect their nervous  
system than Black people.

The romantic marriage is a  
Western invention.

The Pilgrims never called  
"Thanksgiving" Thanksgiving.

White people as a group are the  
most violent group on planet Earth,  
but they themselves do not relate  
their violent tendencies to genetics.

Caucasian men do not fear White  
women!

Caucasian men do not fear Black

Caucasian men do fear Black men!

Statistics reveal that the United  
States holds 25% of the world's

## THE GOSPEL ACCORDING TO AFRIKANS

### (OUR STORY)

**Black Consciousness is not  
some mythological or  
pretend place where some  
super hero comes along and  
recues Black people from  
self-hatred, self-abuse or  
White Imperialism. So  
please leave your GOLD  
SLIPPERS at the door.  
This is not a time for  
crying, whining and being  
pretentious. We still have  
plenty of work to do!**

### MIS-EDUCATED NEGRO

The Gospel According to

Dr. Wade Nobles

"Europeans would have all people  
believe that the Black community  
is a "dark skin" ghetto. Black

## The Nubian Times

people believe that if they have  
been mis-educated..

### UNDERSTAND CLEARLY

The Gospel According To

Dr. William Mackey

"Groups have permanent interest,  
not permanent allies. All alliances  
and treaties are temporary. You  
don't make no coalitions with  
nobody that can't help you. We  
need to understand that clearly."

### ALIENATED KNOWLEDGE OF SELF

The Gospel According To

Dr. Amos Wilson

"Being cut off from your past  
means you have gained knowledge  
at the cost of being alienated. That's  
why you can get degrees in  
business administration, yet build  
no businesses. You can be CEO of  
companies, yet won't build your  
own. You cannot use alienated  
knowledge for yourself."

### (OUR STORY)

### SPECIAL EDUCATION

The Gospel According To

Dr. Amos Wilson

"You do not see any group of  
people who are on top in the world,  
any group of people who are  
creating a life for themselves,  
placing the education of their  
children in the hands of someone  
else. And it is no way we as  
Afrikan people are ever going to be  
in control of ourselves if we are not  
in control of the education of our  
children."

### BLACKS ARE ECONOMIC SLAVES

The Gospel According to

Chika Onyeani

"There is nothing like State of Black Economy. It does not exist in Africa. Neither does it exist in any other part of the world. It is an illusion to think there is such a situation called State of Black Economy. Blacks are economic slaves. There is no group of people in this world who have abandoned any ambition of being economically independent from the grip of others as the Black race - whether Africans from the continent, or Africans from the Diaspora - Black Americans, Caribbean's or migratory Africans. We are more slaves now than when the Caucasian conquered us and sold us into slavery."

### **DOUBLE AGENTS- BLACK LEADERS**

The Gospel According To  
Attorney Alton Maddox

"The people that Black people put into office, the people that they call leaders are actually double agents. They appear to be working on your behalf, but they are in fact working on white folk's behalf. That's a double agent."

### **NO THREAT**

The Gospel According To  
Steve Cokely

"Intentions + no power = no threat

Intentions + major fear = no threat

Intentions + unorganized = no threat

Intentions + all talk + no action = no threat

No intentions + vote = status quo"

### **BY ANY MEANS NECESSARY**

The Gospel According To  
Malcolm X

"We declare our right on this earth to be a man, to be a human being, to be respected as a human being, to be given the rights of a human being in this society, on this earth, in this day, which we intend to bring into existence by any means necessary!"

### **JIM CROW-ERA SOUTH**

The Gospel According To  
Rosa Parks

"Back then, we didn't have any civil rights. It was just a matter of survival, of existing from one day to the next. I remember going to sleep as a girl hearing the Klan ride at night and hearing a lynching and being afraid the house would burn down."

### **QUIET STRENGTH**

The Gospel According To  
Rosa Parks

"If people think of me in that way, I just accept the honor and appreciate it. Four decades later I am still uncomfortable with the credit given to me for starting the bus boycott. I would like [people] to know I was not the only person involved. I was just one of many who fought for freedom."

### **RACE TRAITORS**

The Gospel According To  
Edward Wilmot Blyden

"It is sad to think that there are some Africans, especially among those who have enjoyed the advantages of foreign training, who are blind to the radical facts of humanity as to say, "Let us do away with the Sentiment of Race. Let us do away with our African personality and be lost, if possible, in another Race."

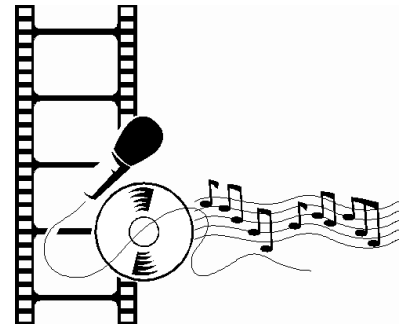

### **STRANGE BEHAVIORS**

The Gospel According to

## **The Nubian Times**

Booty Adams

"When Black people participate in "strange" sexual behaviors, they cannot be fruitful and multiple. You can mess around with fads, habits, trends and illusions from other cultures if you want to, but one day you'll wake up to find yourself disappearing, at zero population growth. Nubians do not come forth from the spiritual realm to the physical realm just to play some games and then disappear.

### **RICH AND POOR**

Randy Crawford

Face it boy, we are none of us pretty

Inside we're all scarred

Outside, we're just plain scared,  
we're just plain scared

So tell me why

We are rich, but we are poor

Is it right, we can't fight it no more?

Tell me how when we fake in so many ways

We don't feel it anymore?

Good God Almighty

This mess will end

We come out fighting

But we never seem to win

Have we forgotten what to struggle for?

Why must we be?

Why must we be?

## SELF-DETERMINING

The Gospel According To

Ron Daniels

“This is the challenge we face as we struggle to rescue and reconstruct Africa and the race into the 21st Century. People of African descent must vow that Africa will be “free and self-determining!”

## SONS AND DAUGHTERS OF AFRIKA

The Gospel According to

Ron Daniels

“As sons and daughters of Africa in the Diaspora, we have no choice but to link-up with our brothers and sisters on the continent.... The nations of Europe are rapidly consummating their collective vision of a European Union. The disparate nations of Asia are exploring ways and means of moving in the same direction. And the United States seems determined to make the entire Western Hemisphere its own great zone of economic and political influence and control. In the face of these realities, Africa and African people have no viable choice but to unite to develop Africa as the global center for Black Power – the indispensable base and foundation to promote and protect the interests and aspirations of African people the world over!”

## THE PROBLEM

The Gospel According To

Dr. Frances Cress Welsing

# The Nubian Times

“The race problem, sometimes referred to as the problem of race relations, will never be solved unless and until Racism (White Supremacy) is understood as a local, national, global System of behavior and power, for the purpose of White genetic survival on Planet Earth. The system operates in all areas of people activity: economics, education, entertainment, labor, law, politics, religion, sex and war. It determines patterns of perception, logic, thought, speech, action, and emotional response; whether consciously and/or subconsciously determined.”

## IN BLOOD

The Gospel According to

Rev. Phil Valentine

“We are a “defeated people” until we can man an army, until we can field a general that will take in blood, what they took from us in blood.”

## AFRIKAN CENTERED

The Gospel According To

Suzar

“We must recognize that what is called Afrikan is not ethnic, it is cosmic. That is why people can't get away from it. Afrika is totally rooted in the cosmos.”

# White Females: The 1<sup>st</sup> Slaves

Reprint of Mack the Knife

The word slave is derived from Slav or Slavic. They are beings that come from Northern Europe. Creatures with an ice inheritance. Albinism with blond hair and blue eyes was a prerequisite to the condition of being a slave. White women were the first slaves. Don't believe me, go ask them. Need references? Go

ask them. The oppressed person is the best authority on their oppression.

Not only were white females the 1st slaves, they have a history of always being treated like dirt. It was nothing for a cave male to whip out a club and go up side her head. In the cold and barren environment that they came from, females were of no use and not much value. The males preferred sex with each other and their primary objectives were to find food, drugs and obtain possessions to protect themselves. White females and any children they dropped, were considered property like a horse, a cow or a chicken. Those that survived had to find a way to fit into the "wolf pack" mentality everybody else had.

The Christians and the Jews were the ones that embarked in the slave process and turned slavery of women into an institution. This included all Germanic tribes & territories. These Europeans had no problem destroying and burning women with their Inquisition and witch hunts. Today, European versions of female mutilation are evidenced by abortion, hysterectomies and cliterodectomies.

Afrikan women came from an all together different situation and culture. Afrikan people come from a warm, caring environment. The 1st Goddesses were Black. Afrikan women are the creators of their men. No Afrikan person can enter this dimension unless they enter thru the Afrikan woman. She is the primary teacher and nurturer. Without her spiritual relationship to the universe, there could have been no existence for Afrikan people. Black women are the foundation of life, family, community and nation. When in her right mind, she cannot be separated from her men and her children!

**BLACK WOMEN AND WHITE FEMALES ARE NOT THE SAME!** White beings descend from animals, while Black people have ascended from God. We all have blood, but so do rats, cats and dogs. We the people, they proven parasites. Black people have been at war with whites or Indo-Europeans and Arabs because of the treatment of Black women. This war shall never end. **TO BE CONTINUED!!**

## WHITE FEMALES THE 1<sup>ST</sup> SLAVES... CONTINUED

Reprint of MACK THE KNIFE

First I would like to give the Nubian Network much props for letting me continue my article. Responses were numerous and they withstood the pressure. To all readers please remember: if you want references to the white female's situation and relationship to slavery, don't come at me or the Nubian Network. Ask the white female for the truth! Don't ask a white male; ask a white female about their history. Don't go to rumor control; ask a white female

## The Nubian Times

what's up. The oppressed person is the best authority on their oppression.

White females were not only the 1<sup>st</sup> slaves; they were the 1<sup>st</sup> prostitutes and the 1<sup>st</sup> animals on two feet to be pimped. Since their cave existence, Europeans have classified themselves as evolving from apes or lower animals and their females were mostly considered as property. Fire was their first deity and fire was used to burn women at the stake. White females had to prostitute themselves to both men and more powerful women as sex objects and servants. That is the only reason that white female prostitution is known as the world's oldest profession. White males found white females as a good replacement for their boy companions and the beasts of burden. A healthy female could be pimped and still generate more property. The white females own offspring has driven them to lesbianism, bi-sexuality, bestiality, sadism, masochism, sex toys, oral & anal sex. All of these life styles & habits come from the white collective.

White females, even when married were considered property and could be whipped, shackled in chains and murdered in cold-blood. When a male left for any period of time, it was no cause for alarm if their female(s) were imprisoned in a room along with the use of a chastity belt. It seems that white males could not, or would not trust their property to be left alone.

In the modern era, the white female's feminist movement has done wonders to establish the New Girl's Network, but very little to help the majority of white females out of their misery. The beatings and brutality against women still runs rampant any place the white collective has an influence. Wherever you find white

supremacy, you will find white females in lesser positions, but the New Girl's Network hopes to redefine white supremacy to include themselves.

These white females, lesbians and bi-sexuals have entered the locker rooms of males as well as the board rooms of males. The New Girl Network done penetrated all up in the men's rooms. White girls want to be scene as large and in charge. White people are the only group on the planet that has a constant battle of the sexes for control of goods, services and whatever white supremacy can gain control of. Once a group of peoples' land is occupied, white males, as well as females say the land was "discovered" and is now "owned". Once white females have "nested" on land, their offspring will do battle to maintain the nest. Black women have never done battle with the white female. White females have convinced them its' a "man" problem, but the white female has sent her sons to Afrika and the Americas for land to build her "nest" on. The Americas have been captured and Afrika is daily giving up land for white females to build nests on.

Black women do not understand that they are different from white females. Black women have been led to believe that "we are all in this thing together", while their men, sons and even daughters are assaulted, captured, imprisoned or put to death. Picked-off one at a time. Most Black women forget their leadership responsibilities to their own communities, while they pursue some kind of "melting pot" for their children, not realizing we don't want to be cooked. Has anyone noticed that we have an all time high for the number of Black women incarcerated or "locked-up"? So much for Black women and the liberation of the feminist movement. White females are doing their best to reduce Black

women and their children to the lowest level of biological beings. White females only befriend Black women when they can use them for what they want. Sound familiar?

The best and fastest way white females have found to slay Black women is to separate them from their men and children. Research has taught the white collective that Black women and their children are gullible for red, white and blue cloth, shiny trinkets, gas and go vehicles, orange soda and a man in the sky. Black women all across the planet are falling for the "OKIE DOAK" as white females take everything that is dear to them and in return fill their heads with non-sense and give them a "JOB".

White females and white faggots have taught many Black females to run around half naked, pursuing their happiness as 2<sup>nd</sup> class prostitutes right behind them, selling themselves to males or other females and whatever "job" gives up the highest bid. "Sell yourself", they say! The clothes the white faggots push have Black women strangling their bodies and mangling their feet and legs. These fashions are now found on the job, at church and at the clubs. Any place there is theatre and drama. White females want to help keep Black females under control. I say Black females, because Black women wouldn't let this stuff be happening.

Mack the Knife does not want to hurt Black sisters, but if your behavior continues to be dominated by white females and white faggots, you too will only be able to raise animals, just as the white female does. We do not desire to have our people ruling the world with brut force and weapons. We have no desire to have our daughters and sons being pimped like whores and sold to the highest bidder as white females are. We have nooooo desire to have our

children be lifeless, eating raw meat with blood and saliva running down their mouths. All I ask is for Black women to accept their rightful place as the Matriarchs of the Melanated Universe and get their children back into our culture, so we can do more than survive. When in our own culture and not colonized, never have Black people treated their mothers like dirt. Black women and white females are different. One is a goddess, the color-less other is considered property or an animal by her own people. Black women have the power to declare law. Now is the time to invent ritual that will transform us, your children. Will the real Queen Mothers please stand-up or get the hell out of the way. IT'S TIME TO BOUNCE!
