## **CRACK HEAD NEWS**

**THERE ARE DEMONS AMONGST US SHAWTY!**

### **EDITION**

Coloreds from America are welcome in European tourist and holy places, as long as they stay in their places and do not stray from tourist attractions, tourist groups, tourist hotels, tourist clubs and such designated areas. Violators will be hung, used in blood rituals or burned at the stake. Yeah, you in Crack=Head news Shawty!

Motherhood is never easy. Don't get it twisted. Healthy mothers never abandon their offspring.

Black GrapeVine news- Please remember your family is all that stands between you and a violent world.

Predators have to teach their young to hunt and to kill to keep themselves alive. Predators often harvest their prey. If you are not a predator, the objective is to stay alive and not to be harvested.

**IT'S NOT EASY TO BE GREAT!**

## **The Nubian Times**

A tunnel found under the U.S. - Mexican border featured solar-powered lighting, ventilation and a full rail system. There probably are many more to come. Tunnels like such are cost-effective. Supply and demand! Americans want drugs at any cost.

Black people still have political prisoners incarcerated from the 1960's. If anybody speaks up for or public speaks for Black people, they go UN-APPRECIATED.

Lions and leopards are cat rivals. Both will kill and eat each other's cubs if they can find them unprotected.

Black GrapeVine news- At this writing, as far as we know, very few if any Black people own tobacco plantations, sugar cane plantations, marijuana plantations cotton plantations, designer bag factories, tennis shoe factories or any liquor distilleries. Black people have very little say as to what ingredients go into any of the products and by products coming from the producers. Be careful what you eat, drink, wear and put into your body Shawty.

Abortions can't be erased.

Chess not checkers YO. Chess not Bing-o Shawty!

You can have a house, but that don't make it a home.

Most of the women following R. Kelly don't give a rat's azz what anybody else thinks. There is no excuse for the parents that are taking their "kids" to his front door and dropping them off. There are a lot of similarities between Jock-O and R. Kelly. Fan is short for fanatics!

To our knowledge, there still haven't been any chants of "**FREE THE COS**".

The U.S. intervention in Central America is the reason so many

### 3

Central Americans are coming to America. The U.S. has made their countries unlivable.

#### **SHUT UP AND DRIBBLE?**

As much as some Black folks say that they are from Asia, there is no Go Back to Asia Movement. Nobody in Asia or the "Middle-East" wants yappers.

There aren't any diseases that have been cured with an inorganic chemical.

More than 4,000 satellites circle the Earth.

Are Mexicans Americans? Are Columbians Americans? Are Brazilians Americans? Are Guatemalans Americans? Are Canadians Americans? Depends on who's in control of your thoughts. Racists have power.

You always can tell a yapper. They yap about anybody living. Yappers yap about anybody trying to make a living. They yap about everything but drug dealers. Ain't nobody shy, but they are not going to f\*ck with no drug dealer. They scared. They are only yappers. Snitches get stitches!

A few Black scientists have said that the U.S. is a burning house. The Black response is usually "crickets".

Alcohol can be a hallucinogenic substance.

Christians, Muslims, Jews, and even atheist all had slaves in abundance. It was legal to enslave a human being. In some places, it still is.

Wigga news- Lynching, also known as Lynch law, an extrajudicial execution carried out by a mob, often by hanging or other ways of execution. It is an extreme form of informal group social control such as charivari, riding the rail, and tarring and feathering.

Public lynchings are becoming common place on social media. Yappers and trolls united, but remain unfocused on anything.

The gay movement ain't got too much to say when some pedophile is chit chatting with your girls & boys in school or on the family computer. Exactly what does a pedophile that hasn't come out the closet yet, teach young girls and boys? It may not be time to get rid of the "H" word yet. You better believe them cherries Boo!

Lions are the only cats that will live in large family groups.

Black people must find a way to stop White people from experimenting on them.

Black people have short memories. We tend to think that everything in the 40's, 50's, 60's, 70's, 80's, 90's and the new millennium were OK! NO IT WASN'T! The exact same thing is happening. Stop ego trippin' about your generation. back in the day! We can't afford to go backwards We got to where we are today, by a lot of bad and good choices and acts. Elders that don't find ways to work with the youth are not elders at all. They are just old people who have lost their way.

If Mexicans and whomever stopped importing drugs into the U.S. for one month... it would be Americans climbing the wall!

There are 206 bones in the average human adult's body, with 54 of them in the hands and 52 of them in the feet.

The President of the United States has the authority to suppress all slave revolts or uprising in whatever place or land they consider their territory. Crackers believe they have the weaponry of mass destruction to declare war and make all treaties, contracts and whatever null and void.

## The Nubian Times

When Black folks collect money from those "GO FUND ME" campaigns, where do they think the money is coming from, besides working people? We don't think much is coming from people on fixed incomes. We could be wrong, but whatever!

President Trump may well symbolize the collapse of the American empire.

Most incidents of police brutality on Black people are not caught on camera.

There is no such thing as moonlight. It's just sunlight that's reflected off the moon.

The life expectancy of a Meth user (Tweakers) is about 5 years.

The cigarette companies that may soon control the legal marijuana industry are hoping to come out with menthol reefer weed for a specialty market.

People pose the greatest threat to each other.

Moor Wigga news- Could NATO or the UNITED NATIONS exist if the U.S. pulled out? Is either a tool of White imperialism or not?

Elephants are cautiously afraid of crocodiles, despite their size advantage.

Has anybody ever tried to get Black men as a group to boycott any of the useless products from outside our communities that are advertised to them? Don't answer that either. We all know that the masses of Black men are cowards

and ain't gonna do spit unless some White man hires them to be a pit bull, ball playa, tranny, comedian or an informant.

**Bounty hunters** have over a 90% success rate.

**Be careful** donating body parts on your license. That information is put into a data base, computer system that can be accessed and hacked. What info they got on you Shawty? Somebody might be checking you out for something you might have forgotten about. Somebody might be wanting your cute body, but it ain't what you think!

**Romance news-** In the U.S., there is an abundance of people sleeping and having sex with people that they really don't care about. Protect yourself at all times Yo. Everybody ain't suitable to take home to meet Ma Ma. Some people just wanna have fun off you Shawty!

### **SIKE, PSYCH, SHRINK**

Christianity would have been a good idea if Europeans had of tried it.

**When a group** has no land of their own, they are treated as a sub-nationality, perhaps a part of a minority group. Most of these groups are usually leaderless, unorganized and wield no real power.

**Christian Caucasians** in Europe ran other Christians Europeans to the New World seeking "religious freedom".

**Ain't nobody** told you that Hollywood & TV are doing that Frankenstein thing? They are taking somebody else's mind and placing it in your mind & body Yo!

**You would be hard pressed** to find a Black woman that believes Jesus is a Black man and he was born from a Black woman, by a virgin

birth in Africa. Most only feel that some White peoples living somewhere far off could pull that trick. Ain't nobody stuttering! You know how we do.

**Leopards will kill and eat lion cubs.**

**Are the body parts** of military soldiers killed in action, being sold on the BODY PARTS market? Better check before you cash that combat death check.

**Relationships** are more important than money.

### **FEAR OF A BLACK UNIVERSE!**

**Caucasians** have no concern about what happened to Black people 500 years ago, 100 years ago, 25 years ago, 10 years ago, 16 minutes ago or 5 seconds ago. Caucasians have no concern about the future of Black people.

**Black people** call their hair weaves. White people call their hair extensions. Same song different terminology

have children inside. Some adults have been known to try and play it off, but have been unsuccessful. This is only a part of a European tradition. You know like Christmas. The big Snow Man is suppose to represent "Frosty the Snow Man". Yelp, Black adults believe in Frosty too. He comes about the same time as Jesus each year, only Frosty ain't bearing no gifts, cause' Frosty ain't dancin' round no Christmas tree. Frost considers himself a playa. All Frosty wanna do is get some money to pay his bills and that's that! Gone Mr. Plastic Snow Man.

**Is your church** a House of God or a House of Ill Repute? Maybe the choir needs some preaching to.

**Nobody respects** people that don't respect themselves.

**In December,** count how many Santa's you see and how many times you see Jesus. We already know what the result will be.

**Moor Black GrapeVine news-** Beware hating yappers. Ain't nobody shy but them. Nobody is perfect but them. They don't make mistakes, but they can find everybody else's faults, but their own. Yappers come off like they are authorities on life. Yappers are usually recovering psychos from some religious dogma.

**The Mexican border** is controlled by the Mexican cartels.

**Back in the day,** the people who taught your children lived in your community and commanded respect. That was back in the day, before integration and the Civil Rights All-Stars. Now the people that get paid to teach your children don't live in your community and feel no obligation to any community like yours that they left. They got integrated and feel like they wanted out of the ghetto. Is that very hard to understand? They

## 5

just want to visit every once in awhile to collect a paycheck!

White people look at Black people from a military point of view. Black leadership has gotten Black people to look at White people cluelessly, then ask and beg them for work or a job. Ask for integration and this is what you get Yo, a snow job.

**Don't Allow UR Mind to be COLONIZED!**

The only history color-less people want Black people to know is as their servants, their slaves and as their workers.

White people have been known to raise up monsters and critters to attack their enemies at a later date.

Are the body parts of military casualties being sold? We smell treachery in the air!

People that talk that patriarchy, matriarchy stuff, had better Google the word "Oligarchy". Then all we'll hear is crickets, unless they just vindictive!

Elephants have the best sense of smell in the animal kingdom. Elephants can smell water as far as 12 miles away.

Don't focus on who you are not, focus on who you are!

Anybody who can be a pimp can also be a trick, as well as a snitch.

Before they are big enough to defend themselves, 9 out of 10 lion cubs are killed by predators.

If all Black people do is vote and consume other people's goods and services, they will remain a powerless people. Jobs are not about power. We seem to ignore and be afraid of economic power amongst ourselves. While we try to get rid of the "N" word, other groups want to get rid of the "N" people.

If your children act like idiots with no home training, just who is suppose to reach them>

One of the major reasons that Europeans oppress the economic system of Afrikan people is so that they can disrupt the power relations in the Afrikan family and therefore disrupt Black people's ability to gain power.

## FIGURATIVELY SPEAKING

(Higher Education)

Re-print Uncle Jessie

For the past several months I have been getting me a little schooling at a community college near me. It's been fun and I hope to finish up before midnight. As I wrote this article, I realized that I was not in class, so I am free to choose to talk and write however I want to communicate to my people. Passing tests and exams hasn't been a problem, but the people I love the most don't communicate like that. If you don't understand where I am coming from, then maybe what I have to say is not for you. This here is higher education!

Anyway, I just wanted to write a little somethin', somethin' about two different ways of communicating with English in the United States. What I want to high light first is "Literally Speaking".

## The Nubian Times

For the most part, literally speaking means you come off exactly as you write or speak. A word you communicate can be looked up in the dictionary and that is exactly what you mean. You know what I'm saying? When somebody calls you a bitch, they are literally calling you a female dog. If they twist their face or head a certain way, that might be the only way you know that they literally mean what they say. That'd be a fighting word and somebody would have to have their lip busted!

"Figuratively Speaking" is a little different. That's the next thing I want to cover. When a person communicates figuratively, what they are saying may not be found in a dictionary. It's like you can call somebody a name, but what you mean won't be found in no Webster. Somebody from another part of the country or even another 'hood might not know where you are coming from. It's like calling somebody a bitch and your not trying to insult them. You could be "figuratively speaking" and just mean for them to get out of your face, without all of the negative over tones of an argument or fight.

Now where I'm coming from, most Black people communicate both literally and figuratively. In our communities, it doesn't take a rocket scientist to figure that out, but we get attacked by outsiders simply because we don't follow the King's or the Queen's English just like **whomever** thinks we should. The real deal is that Black people don't like being locked-in or the subjects of just any old king or old queen. We talk how we like and know how to get our messages to our loved ones.

Black people are always going to communicate figuratively and literally. They are always going to use metaphor and allegory in their communication, but that's the subject of another conversation. If

6

you don't understand where I'm coming from, then maybe what I have to say is not for you. This here is higher education! Irony!

**Uncle Jessie graduated Community College and is now attending a University!**

## **THE GOSPEL ACCORDING TO AFRIKANS**

**(OUR STORY)**

Please don't read if you do not have an **APPRECIATION** for those who publically speak out and share information for the sake of our children and our future. They all have a methodology to their works and deserve some type of respect. You cannot just diss them, when all you are doing is hiding in the shadows or behind a keyboard. Yeah, oftentimes some are misquoted and taken out of context, but they are always putting their best foot forward. Mistakes may be made, but it's up to you to take their research, efforts and courage to the next level

and go thru the same fire they withstood. When you can do that, then don't be surprised if your name and work appear as a part of your people's **GOSPEL!**

### **BACKWARD STATE OF MIND**

The Gospel According To

Dr. Amos Wilson

"In order for Europeans to maintain his rulership over the world, even though he is 10% of the world's population, he must keep Black people in a particular state of mind. It is necessary that you are backwards. You must avoid things that have some meaning to you and flock toward things that are destructive to your future. Or else we wouldn't be oppressed ladies and gentlemen. Don't you understand oppression rests on people going places and enjoying pleasures that destroy them and who are excited by nonsense? And bored by stuff that they should be learning."

### **KEEP MOVING FORWARD**

Dr. Martin Luther King

"If you can't fly then run. If you can't run, then walk. If you can't walk then crawl, but whatever you do you have to keep moving forward!"

### **MELANIN- CHEMICAL KEYS TO GREATNESS**

The Gospel According To

Carole Barnes

"Melanin is responsible for civilization, philosophy, religion, truth, justice and righteousness. Individuals containing low levels in their melanin centers will behave in a barbaric manner."

## **The Nubian Times WHITE WOMEN IN OUR BUSINESS**

The Gospel According to

Dr. Rosi Milligan

"Every time that Black people try to address an agenda to try to heal and to make us better, White women are always calling up talking about, "What about me?" I'm sick of that!"

"We are always trying to rally and gather up to protect other people who are not looking out for our welfare."

### **AFIKANS IN AMERICA**

The Gospel According To

Haki Madhubuti

"We're talking about nearly 40 million (Black) people in this country. Forty million people in a land who don't have serious power or economics. It's a crime. It's obscene."

### **MOMENT OF TRUTH**

The Gospel According To

Dr. Marimba Ani

"This is perhaps our moment of truth. We must come together as a family. We must do all that we can do to uplift our people. Otherwise, we are still denying who we are and bringing dishonor to our "family name"; to our Ancestors."

"The answer to our social dilemma is the re-socialization of our people into the cultural value-system that affirms our spiritual being. Our Ancestors are calling us "home", back to our cultural selves. We must begin the process of Sankofa."

### **BRINGING THE BLACK BOY TO MANHOOD**

The Gospel According to

Drs. Nathan & Julia Hare

## 7

“If the male of the group is weakened or eliminated, this automatically impacts women and children, family and stability of a group.”

### AFRIKAN RELICS

The Gospel According To  
Runoko Rashidi

“I think that the British stole better than any other Europeans. There is probably more of our stuff in the U.K. than in any other part of the world.”

### 3 DIRTY RELIGIONS

The Gospel According to  
Dr. Walter Williams

“History is the only subject and the only entity that will give an individual the nearest truth about these various religions. If you don’t understand history, you will never, ever understand these religions. And the moment that you embrace a religion by way of believing in these religions, by embracing the literature that’s connected to these religions, you will never, ever find your way back to your indwelling spirituality that your creator gave you. You’ll be confused for the rest of your life.”

### GROUP CONSCIOUSNESS

The Gospel According To  
Dr. Amos Wilson

“In order for us to be in the condition we are in as Afrikan people, we have to be out of our minds. We literally have to be crazy. Yes, into a deceptive state of consciousness, which does not permit us to operate as a group and to coordinate our behavior as a group. It puts us at odds, one with the other, and therefore making group achieved ends impossible.

### AFRIKAN WEALTH

The Gospel According To  
Dr. Amos Wilson

“The Creator could not have intended for us as Afrikan people to be poor people, if the Creator implanted in our soils all the wealth that was planted there!”

### NO TIME TO WASTE

The Gospel According To  
Dr. Mutulu Skakur

“Now is the time for us to come together with one another, to organize, to speak out and speak up on behalf of each other. There is no time to waste, while we debate, define, and discuss; the enemy continues his genocidal plan. We need to bear in mind the Ashanti proverb: ‘Two men in a burning house must not stop to argue.’”

### EUROPEANS COLONIZED INFORMATION

The Gospel According To  
Dr. Kwame Nantambo

“Europeans not only colonized the world, but more importantly Europeans colonized information about the world. That’s what we need to rectify. So in ancient Kemet, Afrika was the subject of world history. Europe was the object. Now in A.D., Europe is the subject of world history and Afrika is the object of world history.”

### THE GROUP – AFRIKAN IN AMERICA

The Gospel According To  
Dr. Barbara Sizemore

“The way out is through mobilization of the group to struggle for the survival of the individual. The Constitution gives you individual rights, but you can only protect them as a group. To survive, the group must insure that

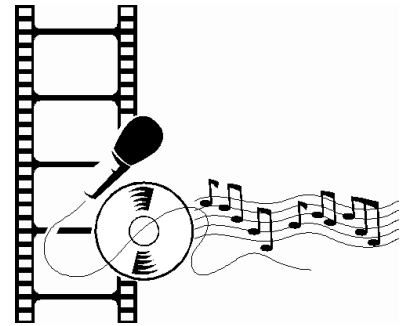

## The Nubian Times

each individual member is able to take care of himself or herself, reproduce himself or herself and take care of the progeny.”

### METAPHYSICS

The Gospel According To  
Dr. Khallid Muhammad

“You must free your mind, free your soul and free your spirit, but don’t forget to free your behind!”

### SHIP AHOY

The O'Jays

As far as your eye can see,  
Men, women, and baby slaves  
Coming to the land of Liberty,  
Where life's design is already made

So young and so strong  
They're just waiting to be saved

Lord, I'm so tired  
And I know you're tired too,  
Look over the horizon, see the sun  
Shining down on you

### I WANT YOU

Marvin Gaye

I want you

I want you, the right way  
I want you  
But I want you to want me too  
Want you to want me baby  
Just like I want you

Oh, I'll give you all the love  
I want in return, sweet darling  
But half the love is all I feel  
Ooh, it's too bad, it's just too sad  
You don't want me now

# 8

But I'm gonna change your mind  
Someway, somehow, aw baby

## DIRT OFF YOUR SHOULDER

Jay-Z

If you feelin' like a pimp nigga, go  
and brush your shoulders off  
Ladies is pimps too, gon' brush  
your shoulders off  
Niggas is crazy baby, don't forget

## I FOUND SOMEONE OF MY OWN

Free Movement

I got up this morning  
While I was having my coffee  
My woman came in, sat down by  
my side  
With tears in her eyes  
She said 'I've a confession to make.'  
I said 'Woman, speak what's on  
your mind.'  
She said 'I've found somebody new  
To take your place.'  
I said don't feel so all alone  
I've found someone of my own.'

## GET UR FREAK ON

Missy Elliott

Head banga, hit me  
Hit me, hit me  
Hit me, hit me  
Yeah, hit me  
Gimme some new shit, yeah  
Go, get ur freak on  
Go, get ur freak on

## REVERSE RACISM

Wanda Sykes

"White men they get nervous when  
another race gets a little power,  
'cause they're scared that that race  
is going to do to them what they  
did to that race. So they start  
screaming, "Reverse racism! This  
is reverse racism!" Wait a minute,  
isn't reverse racism when a racist is  
nice to other people? That's reverse

racism. What your afraid of is  
"KARMA"!

## TRENDING

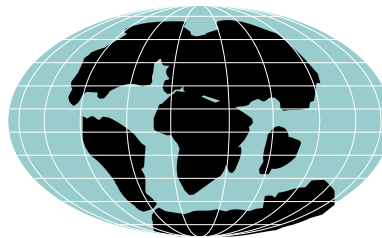

Denzel Washington

"With so many things coming back  
in style, I can't wait until morals,  
respect and intelligence become a  
trend again."

## EXPECTING THEM TO ACT DIFFERENT

David Banner

"Stop wanting to be acknowledged  
by those who have historically  
robbed you of your culture. It's not  
their fault for being who they are. It  
is our fault for expecting them to  
act different."

## FALSE NARRATIVES

The Gospel According To

Tariq Nasheed

"All these suspected White  
supremacists who are doing this  
Nike boycott are fully aware that  
Kaepernick and other players are  
not protesting against the flag.  
They create these types of  
deflective, false narratives on  
purpose to avoid the topic of  
systematic white supremacy".

## ONE EVIL PARTY

The Gospel According To

W.E.B DuBois

"In 1956, I shall not go to the polls.  
I have not registered. I believe that  
democracy has so far disappeared  
in the United States that no two  
evils exist. There is but one evil

# The Nubian Times

party with two names, and it will be  
elected, despite all I can do or say".

## NON VIOLENCE

The Gospel According To

Kwame Ture

"Dr. King's...major assumption was  
that if you are nonviolent, if you  
suffer, your opponent will see you  
suffering and will be moved to  
change his heart. That's very good.  
He only made one fallacious  
assumption: In order for  
nonviolence to work, your  
opponent must have a conscience."

## GOD VERSUS RELIGION

The Gospel According To

Rabbi Ben Ammi Ben-Israel

"Religion has been fashioned by  
men to keep division in the midst  
of men, because religion is  
fashioned in the image of man.  
Righteousness fashions you in the  
image of God. There is a distinct  
difference. You must understand  
that. Righteousness isn't required  
or demanded of religion. Religion  
only requires that you believe in the  
tradition of that religion."

## CHAOS BEINGS:

## THE DARK SIDE

The Gospel According To

Bobby Hemmitt

"We are dealing with the missing  
pieces of whatever religion that you  
use to be in. There is a missing side  
and that particular missing side,  
about 2,000 years ago was  
purposely taken out to make you  
slaves into worshipping a god,  
instead of becoming a god. And in  
this case becoming Chaos Being,  
which we really are, those ones that  
ruled before the gods, because the  
gods are our children.

"That's the stuff that we need to  
deal with. The white boy, he don't  
give a dam how much you believe

in Jesus. He don't care how much you believe in Allah. He don't care how much a revolutionary liberational you are. The only thing he fears is the Dark Side. Which is the deepest part of the Black man and the Black woman's soul, the realm of the Great mother. That's the key."

## HIDDEN IN BACK ROOMS

The Gospel According To

Dr. Ivan Van Sertima

"Most of the information about Black People in Africa (ancient) is hidden in the back rooms of museums because they tell the truth about our ancestors."

## BLACK FACTS

**Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even get out to 1/2 of 1% of our people!**

When motivated, Africans can produce great feats of strength and speed.

Hawaii was once a Black kingdom.

Angkor, a city in Cambodia, is one of the seven wonders of the ancient world.

There is no place where the Black man and the Black woman can live

in honor and dignity without each other.

Afrikan people come from the human kingdom, not the animal kingdom!

When Black scientist de-mystified death, dying became ascending into the 5<sup>th</sup> dimension.

During slavery, the kidnapped Afrikans in America found out how Europeans were carving up Afrika for themselves and they did try to do something about it. There were many rebellions and revolts.

Black people nowhere are in an armed struggle against White Supremacy.

When the ships of Columbus landed in the Americas, Columbus thought he had never left Afrika. Everywhere his ships went, the only people presented to him were Black people.

Marcus Garvey traveled through 38 American states when there were only 48

Peru has a lot of uranium deposits.

'Cause after all he's just a man  
Stand by your man,  
Give him two arms to cling to,  
And something warm to come to  
When nights are cold and lonely  
Stand by...
