GENDER CIVIL WAR / CURRENT CLIMATE / GOSPEL ACCORDING TO US

## Back in STRIDE AGAIN!

We apologize to readers for this paper being late. We had two computers go down, causing us to rebuild data, files and update or re-install a lot of programs. That's along with changing a lot of passwords. Through all this computer drama, our spirits remained strong and vigilant. Shyt happens when you provide special people with a service. We hope to get back on track

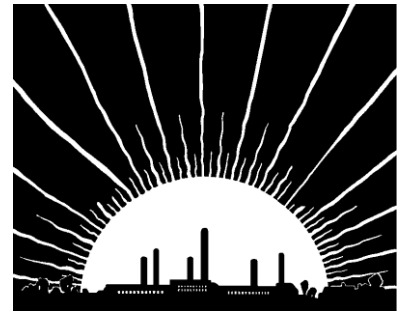

soon! Not to worry,

**IF YOU DON'T  
LOVE BLACK,  
YOU HAVE COME  
TO THE WRONG  
SITE!**

it's still FREE!  
Just a reminder,  
the 2<sup>nd</sup> and final  
part of the  
**BLACK  
IQ  
TEST  
IS COMING VERY  
SOON.**

## EUROPEAN FACTS

### SUB-URBAN MYTHS?

**Believe it or not!**

The U.S. is experiencing the most cases of Gonorrhea, Chlamydia and Syphilis in recorded history.

The first 57 U.S. Supreme Court Justices were slave owners.

Early White Christian immigrants and settlers to the U.S. believed that Black people weren't human, had no souls and that Heaven was only for White people.

Color-less being believe that the Earth is a dead thing and that they own whatever land they touch upon.

The U.S. will soon suffer the problem of not enough young people to work and take care of the elderly.

In European strongholds, trans-sexual men are having babies and are still being considered men. Their view and definition of what a

## 2

man is is far different than the African view.

A little over 140 million Americans were victims of cybercrime

Humans kidnapped and made slaves and those humans conquered and made slaves, have no birth rights in European and Arab strongholds.

### WE'RE NO. 1

Bernie Sanders

"Today, the United States is No. 1 in billionaires, No. 1 in corporate profits, No.1 in CEO salaries, No. 1 in childhood poverty and No. 1 in income and wealth inequality in the industrialized world."

### THE CONFEDERATE FLAG

William T. Thompson

"As a people we are fighting to maintain the Heaven-ordained supremacy of the White man over the inferior or colored race. A white flag would thus be emblematical of our cause. Upon a red field would stand forth our Southern cross, gemmed, preserving in beautiful contrast the red, white and blue."

~

### DOWN UNDER

Men at Work

Traveling in a fried-out Kombi  
On a hippie trail, head full of zombie  
I met a strange lady, she made me nervous  
She took me in and gave me breakfast  
And she said

Do you come from a land down under?  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?

You better run, you better take cover

### LOVE LETTER

Clairy Browne

I'm gonna write what I want you to do to me in a letter  
I'm gonna write it for good or for bad or for worse or for better  
I'm gonna write it for you so that you can be my lover  
(Be my lover)  
For winning is all. I'm yours baby now and forever  
(Aye yeah... love letter)

### WE GOTTA GET OUT OF THIS PLACE

The Animals

In this dirty old part of the city  
Where the sun refused to shine  
People tell me there ain't no use in tryin'

We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
'cause girl, there's a better life for me and you

### HOUSE OF THE RISING SUN

The Animals

There is a house in New Orleans  
They call the Rising Sun  
And it's been the ruin of many a poor boy  
And God I know I'm one

Oh mother tell your children  
Not to do what I have done  
Spend your lives in sin and misery  
In the House of the Rising Sun

The supposedly safest cities and suburbs in America are being over run with White drug addicts.

Color-less people's strongholds are making it legal to have sex with animals.

## The Nubian Times

There are now more Nazis in the United States and the Americas, than there are in Germany.

The most recent drug of choice in France is hashish.

The Dutch Connection, the Netherlands and Belgium have major pill, illegal drugs producers, that mainly distribute to other countries in volume for those wishing to self-medicate.

**99%** of the White people murdered in the U.S in 2019. were killed by White people.

The drug trade in the U.K. is still dominated by Ecstasy, MDMA or Molly pills. That's the dominate pill and get high of their youth, especially when they gather together in hoards

Just about 60 million Americans have been affected by identity theft

In the United States, an estimated 16,214 were murdered.

Russian women are having serious problems with domestic violence, just like white women in the United States.

Where there is money, there are drugs in the United States.

## BLACK FACTS

**Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even**

### 3

#### **get out to ½ of 1% of our people!**

Africans have always been master engineers of sound and light technology.

In Ancient Khemet, (today known as Egypt) above the entrance of each temple and lodge serving as an academic and scientific learning center, appeared the phrase: "Man Know Thyself."

In 1991, the United States returned about 68,000 square acres of land to the Washitaw Nation of Louisiana, one of the prehistoric Black nations of the United States. This group of Blacks is the evidence of the Black ownership of land and the Black presence before English and Spanish/French colonization of North America.

Africa has more churches and mosques than factories.

Native Black people in what is now called the Americas, had spoken language and communicated with sign language.

Many, though not all, of the Native (indigenous) groups, in the land that later became the United States and Canada, practiced some form of prisoners of war before Europeans arrived.

Contact with Europeans pushed Native Black practices in the Americas to change over time, as tribes contested, or adapted to, European demands.

In the early United States, 'Boy,' was a constant derogatory term for a Black male that included not only "cowboy," but "house boy," "field boy," "stable boy," and "under boy," (personal body servants during the Civil War).

The Amazon has the largest rainforest on Earth, supporting the world's largest diversity of life. The Amazon River basin is the largest river basin on Earth as well.

The main reason that Black people are confused when living under White people's domination: they do not understand White supremacy.

As we see more Black lawyers, Black district attorneys and more Black judges, we also see more Black men and Black women sitting in the jails. The prison system in the United States is over run with Black people.

Black Native peoples had an oral history, which Anglos choose not to deal with because it was not documented as "his" story. Black settlements in the Americas are commonly called "pre-history".

The original oriental people were Black. Many of them still are Black, located mostly in southern China and dispersed throughout Asia.

Black and mixed-race people - still commonly referred to by Arabs as Haratins, or slaves - have occupied the lowest castes of Mauritanian society since Arab nomads invaded sub-Saharan Africa in the 9th century and enslaved black farmers.

The difference between Native Black bondage of other Blacks in the Americas and European bondage of Africans was great. European bondage was truly enslavement, which could last for generations and usually did.

The Hippopotamus is Africa's most dangerous animal. They kill about 300 humans per year.

The island chains of Melanesia, Micronesia AND Hawaii were all exclusively inhabited by Black people.

Most of the people born slaves in the Americas have no birth record.

Europeans made it profitable, offering goods and comestibles for Native Blacks to raid other Native Black tribes and secure captive

## The Nubian Times

prisoners, so European could exploit their neighbors as slaves and property.

Many of the people of the First Nations of Turtle Island don't remember when they were Black. Many have been conquered, killed, maimed, raped, humiliated, left for dead, miscegenated and assimilated like so many other Indigenous civilizations of the planet.

Europeans called the war they rages against the Tasmanians the "BLACK WAR" All but a few of the Tasmanian men, women and children, were wiped off the face of the Earth.

## THE GOSPEL ACCORDING TO AFRIKANS

### (OUR STORY)

The INDIGENOUS humans of our planet were, heavily-melanated Black people. We've had more nationalities across our planet that any other group of people. We've always had a tolerance for immigrants. Some say that's where our troubles began. Whatever the case, we continue with some quotes from critical thinkers. None of these quotes are to make you smoke a "peace-pipe" with our enemies. Proceed at your own discretion!

## **DIVIDED AND DOMINATED**

Uhuru Kenyatta

"We Africans can either set aside our differences and prosper or remain divided and dominated."

## **RELIGION, GOD, the DEVIL**

The Gospel According To

Dick Gregory

"Religion is for the mentally lazy. When you do something right, it's God. When you do something wrong, it's the devil. You don't have to take responsibility as long as there are two imaginary scapegoats to blame it all on"

## **GET OUT OF THE GHETTO BLUES**

The Gospel According To

Carter G. Woodson

"If the Negro in the ghetto must eternally be fed by the hand that pushes him into the ghetto, he will never become strong enough to get out of the ghetto."

## **THEY REALLY DON'T KNOW**

The Gospel According To

Dr. Bobby Wright

"Black people are the only people on the planet that don't know they are involved in a war."

## **COLONIZED YOUR IMAGE OF GOD**

The Gospel According To

Dr. Frances Cress Welsing

"The most disastrous aspect of colonization which you are most reluctant to release from your mind is their colonization of the image of God."

## **REPARATIONS**

The Gospel According To

Dr. Martin Luther King Jr.

"No amount of gold could provide an adequate compensation for the exploitation and humiliation of the Negro in America down through the centuries. Not all the wealth of this affluent society could meet the bill. Yet a price can be placed on unpaid wages. The ancient common law has always provided a remedy for the appropriation of the labor of one human being by another"

## **SISSIFIED, PUNKIFIED**

The Gospel According To

Dr. Khalid Muhammad

"When the White man can't defeat you they'll always find some Negro- some boot-licking, butt-licking, buck-dancing, bamboozled, half-baked, half-fried, sissified, punkified, pasteurized, homogenized nigger- that they can trot out in front of you."

## **MEN & WOMEN**

The Gospel According To

Dr. Jewel Pookrum

"It is really disturbing to me when I hear Afrikan women talking about that they don't understand their men and that there is a war going on between men & women, because the flesh on every man's body is your endometrium. How can you talk about you don't understand that which you gave birth to. The issue is that you don't understand yourself."

## **TO VOTE OR NOT TO VOTE**

The Gospel According To

Djehuti Sundaka

"Voting is irrelevant as is proven by all of the corporate fat cats who dominate the world. Who you

## **The Nubian Times**

invest in, whether by official investment or by mere patronage, is relevant. Voting or not voting will never get rid of the corporate criminals. Only one thing will get rid of them and that is simply to not patronize them. The vast majority votes every single day with the buck rather than with the ballot. The vast majority votes every single day to finance their own enslavement and that of their children and their children's children. The votes for either freedom or enslavement have already been counted. You need only look at the corporate world's nauseating television commercials to see the results."

## **WELFARE PAYMENTS AS REPARATIONS**

The Gospel According To

Elijah Muhammad

"Perhaps I know that they won't give us one state, not even as small as Rhode Island, but that doesn't stop me from asking."

"I want my people to know what justice looks like." Justice is not a White woman. I'm not saying that you can't fall in love. But what I am saying is we cannot accept their daughter as payment. We cannot accept their son as payment. We cannot accept your weak attempt at affirmative action as payment. We cannot accept welfare as payment."

## **DESTRUCTIVE NATURE**

The Gospel According To

Wintu Woman

"When we Indians kill meat, we eat it all up. When we dig roots, we make little holes. When we build houses, we make little holes. When we burn grass for grasshoppers, we don't ruin things. We shake down acorns and pine nuts. We don't chop down the trees. We only use dead wood. But the white people

## 5

plow up the ground, pull down the trees, kill everything. ... the White people pay no attention. ...How can the spirit of the earth like the White man? ... everywhere the White man has touched it, it is sore."

### IMPERIALISM: GERMS OF ROT

The Gospel According To  
Frantz Fanon

"**I**mperialism leaves behind germs of rot which we must clinically detect and remove from our land, but from our minds as well."

### WHITE POWER

The Gospel According To  
James Baldwin

"**I** can't believe what you say, because I see what you do!"

### PICK YOUR LEADERS

The Gospel According To  
Dr. Julia Hare

"**B**lack folks are still allowing White folks to choose their leaders. Do you believe that Israelis would allow the Arabs to choose their leaders? The Chinese would allow the Japanese to choose their leaders for them? Would the British allow the Irish to choose their leaders? Do you think that lions would allow tigers to lead them in the jungle? It's only Black folks who will allow others to come in and pick their leaders for them!"

### AFRIKAN CENTERED

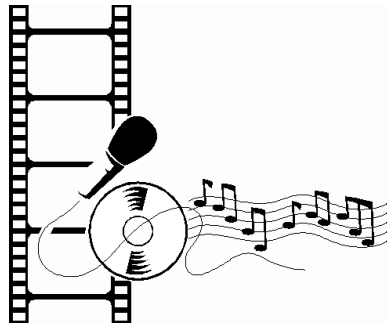

The Gospel According To  
Suzar

"**W**e must recognize that what is called Afrikan is not ethnic, it is cosmic. That is why people can't get away from it. Afrika is totally rooted in the cosmos."

### LESSER OF TWO EVILS

The Gospel According To  
Booty Adams

"**T**he more time one spends in the Belly of the Beast, the greater the chances of one becoming a part of the Beast."

### BALTIMORE

Nina Simone

**H**ard times in the city  
In a hard town by the sea  
Ain't nowhere to run to  
There ain't nothin' here for free

**A**nd the people hide their faces  
And they hide their eyes  
Cause the city's dyin'  
And they don't know why

**O**h, Baltimore  
Ain't it hard just to live?  
Oh, Baltimore  
Ain't it hard just to live?  
Just to live

### DON'T WANNA BE NORMAL

Randy Crawford

**S**ee that nine to five  
She's alive but she'll never see  
She's lost in what she does  
Just because of what she has to be  
Time just passes by  
She don't try  
She just carries on  
Her dreams are only dreams in the night  
Come the light, they're gone  
**T**rapped into spaces where we no longer breathe  
Pushed into places that we really

## The Nubian Times

don't wanna be

**W**e only got a short time to grab a little glory

I wanna have a good life, not a sad story

To stay within the boundaries, seems so formal

If that's what life is, I don't wanna be normal

### BLACK MAN

Stevie Wonder

**F**irst man to die

For the flag we now hold high

Was a Blackman

The Ground where we stand

With the flag held in our hand

Was first the red man's

Guide of a ship

On the first Columbus trip

Was a Brown man

The railroads for trains

Came on tracks that were laid

By a Yellow man

**W**e pledge allegiance

All our lives

To the magic colors

Red, blue and white

But we all must be given

The liberty that we defend

For with justice not for all men

History will repeat again

It's time we learned

This World Was Made For All Men

### MY THING

Sylvia

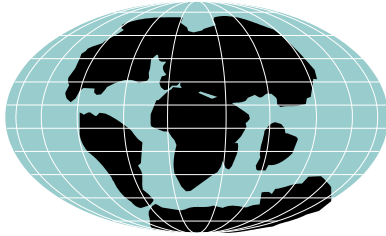

**I** don't want nobody in the world,  
Messin' around with my thing,  
My sweet, tender, lovin', groovy thing.

(She don't want nobody in the

## 6

world,  
Messin' around with her thing.)  
Hands off you hear me.  
Leave my thing alone.

I told you girl, he's my special  
prize.  
When I turn my back,  
You want to try him on for size

### REPUBLICAN I MOST ADMIRE

The Gospel According to  
Condoleezza Rice

“The first Republican I knew was my father and he is still the Republican I most admire. He joined our party because the Democrats in Jim Crow Alabama of 1952 would not register him to vote. The Republicans did. My father has never forgotten that day, and neither have I.”

### BODY & SPIRIT

Ancient Kemetic proverb

“The body becomes what the foods are: As the spirit becomes what the thoughts are”

### NEVER, EVER, EVER

Anonymous Submission

“There is no way in Hell or Heaven that White people would ever, ever, ever salute a flag that did to them, what they did to us!”

### REAL MASCULINITY

Anonymous Submission

“Masculinity isn't toxic. It's men who aren't masculine who are toxic. Weak, little men, use and abuse women. instead of loving and

protecting them. Our society is suffering from a shortage of real masculinity and it brings great harm to women and children.”

### MENTALLY AND PHYSICALLY DEAD

Dr. Malachi Z. York

“The CROSS can be found in two places: One on top of the churches, the other on top of the grave. The one on top of the churches is where the mentally dead are. And the one on top of the grave is where the physically dead lay.”

### BRITISH SLAVERY

The Gospel According To

David Lammy

“There is no British history without the history of empire. I am here because you were there. My ancestors were not British subjects because they came to Britain. They were British subjects because Britain came to them and sold them into slavery.”

### THE MEDIA

The Gospel According To

Dr. Kwame Ture

“The Capitalist system has but one job through its media. Capitalist media's purpose is to make Africans irresponsible. Make them frivolous. Make them hate themselves. Make them have low self-esteem of themselves. Keep them demobilized and ineffective and tools for us when we need to exploit them. And to turn them against their own people. We have to counteract this.

### REPARATIONS

The Gospel According To

Conrad Worrill

“The demand for reparations for African people is just and simple. It is simply an attempt to repair, to

## The Nubian Times

make whole the descendants of the victims of the Trans Atlantic Slave Trade, which was a crime against humanity! Crimes against humanity have no stature of limitations. And our people still suffer from the vestiges of their enslavement and colonization.”

### REPARATIONS

The Gospel According To

Professor George Simmonds

“I was one of those people that at one point was very strong for reparations. Now I am anti-reparations. Strange for a fellow like me. Reparations is a repayment for damages done. Once we agree to accept them, Europeans are free. Africans then have no legal right, moral or otherwise, to bug them about what they have done. Other people that got reparations were organized. Africans in the United States are not. The time to want reparations is when we become organized and have a purpose for it. Do you think that white folks are just going to sit back and let you come into your rightful place?”

### MELANIN-DARK MATTER

The Gospel According To

Rev. Phil Valentine

“Melanin is an ever changing dynamism that follows intelligence. Without melanin shit don't happen. Melanin was not meant to be touched, it is meant to be felt. Melanin just ain't your skin, your face and your body. It has properties that enlist the actions of other properties to do functions not directly connected to it. Melanin and dark matter are inextensible territories of existence that elude European scientist's intellectual colonization. Melanin falls into the occult or metaphysical realms of soul body phenomenon.”

## CRACK HEAD NEWS

## CURRENT CLIMATE EDITION PART TWO

It takes a lot of courage for a Black woman to go natural. Black women's hair has been policed since slavery.

Black GrapeVine news- In the United States, Black people's net wealth has decreased since the Civil Rights Movement. Where is our future going? Exactly who and what are we voting for?

The only thing immigrants come to America for is their own enrichment. They are like flies caught in a spider's web.

Wigga news- Medical marijuana is not natural cannabis. Just like manufactured cigarettes are not the same as tobacco YO. Since when did drug dealers not put shyt in your "stuff" to stretch it out and make it more profitable? You trippin' Shawty!

A few Black scientists are suggesting that Black folks hated

everything about slavery, except Christianity and Christmas!

Moor Black Grapevine news- In the U.S., indigenous, tribal groups could find themselves shifting from "enslavers" to "enslaved", as their relationships to Euro-Americans, and with other tribes, changed over time. Prisoners of war and disagreements are not the same as **SLAVERY!** Don't allow somebody else's worldview f@ck your mind up! Don't get it twisted!

Groups that have no economy and education are poor. Their people have to leave their own community or 'hood to make a reasonable living.

Black GrapeVine news- President Obama was the first mulatto President under the Constitution. Some believe there was a couple more. Do your own research.

Just because everybody you know believes in something or does something, doesn't make it **RIGHT**

Life is not a joke! Your life matters!

The Bull elephant is the largest land animal in the world.

International Law states that the first people to live in a territory are indigenous.

Arabs have been buying, selling and enslaving Black people for ages, right up until current times. If Black people have a dis-trust and dis-like for Arabs, it's because of past and current atrocities being done to them by Arabs. Arabs need to pay Reparations for their crimes against humanity.

In the U.S. teachers are not considered problem solvers. Many are just political pawns in archaic systems and curriculums. Systems that are content only on those students that have an aptitude for memorizing questionable facts and theories.

## The Nubian Times

Dirty cops and politicians can't be good guys and bad guys. They just dirty, dirty! You support them, you support dirty and evil. There is no lesser of two evils. You **DEAD WRONG FOR THIS!**

### THE INDIAN (BLACK) OCEAN

The male and female is the union from which all "human" life springs.

There are no fairy tales where men are being taken care of.

The myth of Ausar (Osiris) was the earliest recorded story of a god-man who was symbolically crucified, resurrected from death and reined eternally in heaven.

Jellyfish are the only creatures that survive in a "dead zone".

Native Black forms of bondage in the Americas were often about kinship, reproductive labor, and diplomacy, rather than solely the extraction of agricultural or domestic labor and enslavement for generations.

It's only powerful people that make decisions on whether they are a race, citizen, a nationality or religious follower. Powerful groups retain all rights as to if they want to extend any rights or privileges thereof to outsiders. Membership is usually at the more powerful group's discretion.

Contrary to the images created by Hollywood black slaves were America's first authentic cowboys. The word cowboy, in fact originally had nothing to do with roping cattle and hell-raising in the high plains. The word 'cowboy' grew out of social customs that did not allow black males to be addressed as 'mister' or 'men,' especially "gentlemen" or any other title that conveyed status.

## 8

Why are Black people required to love America, but America is not required to love Black people?

Blue bloods (Po-Po) don't snitch on each other. Those who do snitch are considered DIRTY RATS!

Cremated remains can be forensically tested for metals and various substances.

### THE BLACK HILLS

Religion has done little to prevent war, famine, crime, oppression, misery and unhappiness.

A lion's night vision is 8 times better than a human.

Black GrapeVine news- Black Clowns think all other Black people are their worst enemy and they think they are special, all by themselves. They are much the same as thugs and juveniles, out in the streets hurting and killing for pieces of silver Don't get it twisted!

America's prescription pain pills are legal, but expensive. Heroin is cheaper. . .

A mistress doesn't get with broken men.

If somebody can give you enfranchisement, the same people can take it away (disenfranchisement) and make you feel like you don't belong. When you have your own Party, perhaps you can enfranchise yourself. That would mean some critical thinking.

Buy from your own people first.

What really matters in a democracy is getting policies enacted that correspond to people's views.

### THE BLACK SEA

Black GrapeVine news- None of the politicians, Democrats, Republicans or Independents have the disappearing of Black children, women and men as a priority. What the Hell are Black people voting

for? The lesser of two evils voting slogan simply means that all this evil will continue. Tell me one person that died for evil?

Some people hate everybody and everything that comes near them, including themselves. They extend their lack of true self-esteem and extend it outwards

Junkies say that being dope-sick is ten times worse than having the flu.

Black GrapeVine news- Black people's perception of reality has become distorted after the Civil Rights Movement and our heavy association with the Democratic Party.

The Great White shark is the world's largest flesh eating fish. Their main playground is off the coast of Southern Africa.

Just about 1 in 4 "criminals" deported from the U.S. are drug offenders. Like everybody else they came looking for opportunity. Demand for drugs far outweighs the supply. That's legal or illegal. That's why governments and politicians want in!

Timing is a talent that has to be perfected!

The way we see it, not all Black holy institutions are bad. Only those that don't promote and provide for their members to go into business for their own community!. Most holy places are registered with the government as a business, collecting currency and funds for the here and now. All most of their members do is

## The Nubian Times

perceive of themselves paying their tithes for a position in the next lifetime.

### RIO NEGRO

Is the ARMS RACE a social construct? If so, why ain't you got no arms Yo?

Men can be broken. So can women.

Just because you have 50 million channels doesn't mean you have to stay glued to a TV. It's not healthy; it dulls the senses and throws one's perception of reality off.

Moor Wigger news- Colorless people don't want to play checkers, chess or Bing-o Yo. Their favorite game is Monopoly.

Abortion is a bloody ritual practice, where children are never given the chance to live among the living.

Labor is wealth. Who do you labor for?

According to the FBI, St. Louis, Missouri has the highest murder rate in the U.S. Baltimore is No. 2. The state of Louisiana has 3 cities in the top 10.

The "Red States" in the political system of the United States, were

the original terrorist States of Black people.

Where is the power in your religious system and system of religious rituals in this lifetime Shawty?

College athletes can suffer the same injuries as professional athletes, but stay broke as shy.

As shark numbers decline, the number of attacks on people increases.

In the current climate fetuses are being harvested.

White alpha, feminist actually teach Black women to view the world just like they do.

Only an EVIL AZZ Negro or Negress would think they can buy their way into Heaven with money and not good deeds.

**WE ARE IN A GENDER CIVIL WAR and BOTH SIDES ARE LOSING!**

What kind of people get together for a Party, line up around the block and admit they are voting for evil. If you are **not** allowed to participate in continuous evil and proof thereof, some clown says you are being disenfranchised.

Where is your progress YO? We want equal resources!

Spider's webs catch flies.

President Obama avoided doing anything for Black folks. Are we

still dealing with "trickle-down" politics?

Europeans are ruthless.

White people make laws that will adapt to whatever they want them to do.

The United States "Little Boy" atomic bomb, a weapon of mass destruction, detonated 1500 feet over Hiroshima and 80,000 people instantly perished.

White people are the main street dealers of the Meth that is coming out of Mexico. They'll deliver on foot, bicycle or catch a Lyft or Uber.

## THE BLACK WARRIOR RIVER

Europeans have been buying, selling and enslaving Black people for ages, right up until current times. If Black people have a distrust and dis-like for Europeans, it's because of past and current atrocities being done to them by Europeans. Europeans need to pay Reparations for their crimes against humanity.

Moor Black GrapeVine news- What is your nationalities' net worth?

If Black people are not voting for their own **self-interest**...WHAT THE HELL ARE WE VOTING FOR?

Moor Black GrapeVine news- Warning to all Black studs and Black lesbian...Be careful what countries you go to and get comfortable in. Everybody ain't playing that. If you are arrested, beat down or accosted, White feminist or Caucasians in general might not come to your aid. It might be best for you to tone it down, stay in the closet and stay in your lane. You are only in other people's country at their discretion.

**RIO NEGRO**

## The Nubian Times

The Po-Po will lie their ass off to save face, keep their job, their rank and to keep their pension. Most of them do forget that they are government employees.

All Democrats are not liberal.

Color-less beings, over time have gotten this "species" thing azz backwards. They only believe that they are the "humans" and only people who look and think like them are human. That's fu@ked up Shawty.

## NEW ALBION

If employers won't hire people with "criminal records", gangs will!

There are only 2 types of leadership: Appointed and Charismatic. Appointed leaders usually hate the charismatic. The charismatic leaders are usually trying to "diss" those appointed. Go figure!

Black men and Black women must rejoice with each other or we are not doing our most important jon...the dedication to future generations.

**Due to brainwashing and circumstances beyond our control, we have to keep repeating the same thing...WE DO NOT HATE ANYBODY! We just love our people so much, we are willing to work for them and this site is dedicated to those who feel much the same way. We do not make any excuses for our people. We labor for our own people. If you do not love your people...we feel sorry for you, because you have no one to love you back!**

**SEE YA!**
