MENTAL ILLNESS- PART 1 / BOOTY ADAMS / INVISIBLE WOMAN

THE GOSPEL ACCORDING TO AFRIKANS (OUR STORY)

If you don't believe it's time
for us to unite...why are
you reading this?

BECAUSE WE ARE BLACK

The Gospel according To
Kwame Ture

“We are told, “If you work hard,
you’ll succeed, but if that were
true, Black people would own this
country. We are oppressed because
we are Black, not because we are
ignorant, not because we are lazy,
not because we are stupid and got
good rhythm, but because we are
Black!”

BLACK MALE ADOLESCENT VIOLENCE

The Gospel According To
Dr. Amos Wilson

“Unconsciously, the penis, in the
case of the black male, serves less
as an instrument of LOVE than as
an instrument of aggression,
wrecking revenge upon the
woman.”

ENRICHES EUROPEANS

The Gospel According To

Do not let your THIRD EYE
be blinded, just because you
seek ORDER in life!
CONTROLLED FREEDOM
IS NOT FREEDOM AT ALL!

Dr. Amos Wilson

“Why does the Black man say,
“Freedom is doing what I want to
do!” and why is it that everything
he “wants to do enriches the
European?”

ESCAPISM

The Gospel According To
Dr. Marimba Ani

“We retreat into religion, in order
to escape the work that needs to be
done.”

KWANZAA

The Gospel According To
Dr. Marimba Ani

“If we do Kwanzaa, then it needs
to be clearly political. It needs to be
visionary. It needs to be about war.
There is no other healing for
Afrikan people.”

AFRICAN ANCESTRY

The Gospel According To
Dr. Marimba Ani

“We are people of African
Ancestry living in denial of who we
are. We have lost our strength as a
people. We are losing our children
to systems that miseducate them.
Our families are disintegrating
before our eyes. Our numbers are
growing in the statistics of drug
addiction and incarceration.”

NATION BUILDING

The Gospel According To
Mwalimu K. Bomani Baruti

“Nation-building begins with
family. And family begins with
conscious, visionary, heterosexual
couples. The family, molded in the
ethical and moral traditions of
Afrikan people, is the only cultural
and social incubator for our
children, for our people, for our
future. Perversion has no place
because it robs women, children,
and, in the end, men of their
dignity and self-respect.”

IN AN EVIL PLACE

The Gospel According To
Mwalimu K. Bomani Baruti

“In an evil place, evil people
thrive. Evil is rewarded. Evil spirits

2

congregate and coalesce. Those who do wrong prosper. The more wrong, the greater the prosperity. In evil places, good people are punished and sacrificed for the good of evil.”

CONTROLLED ORDER, CONTROLLED FREEDOM

The Gospel According To

Dr. John H. Clarke

“To control a people you must first control what they think about themselves and how they regard their history and culture. And when your conqueror makes you ashamed of your culture and your history, he needs no prison walls and no chains to hold you.

THEIR NATIONHOOD

The Gospel According To

Dr. John H. Clarke

“Each generation must assume the responsibility of securing their manhood, their womanhood, the definition of their being on Earth that in the final analysis is nationhood.”

TRUE KNOWLEDGE OF SELF

The Gospel According To

Bobby Hemmitt

“You cannot be conscious and religious at the same time. Once you come into true knowledge of self, religion becomes foolish!”

GENOCIDE AGAINST YOURSELF

The Gospel According To

Professor James Small

“Spirituality guides your life. Culture informs your life. Culture is your primary educational system. It gives you value, interest, and principles. If you are practicing the

culture of those who practice genocide against you, then you will practice genocide against yourself.”

BELIEVE THE WORSE

The Gospel According To

Franz Fanon

“The oppressed will always believe the fraudulent worse about themselves.”

TRAIN THE CHILDREN FOR TOMORROW

The Gospel According To

Hubert Henry Harrison

“The children of the people must become the doers of all that is done in the world of tomorrow, and they must be trained for this doing.”

IT’S A CRIME

The Gospel According to

Kwame Nkrumah

“In a revolutionary situation, it is a crime against the people to forgive those who have betrayed them.”

HEALERS

The Gospel According To

Ayi Kwei Armah

“A healer needs to see beyond the present and tomorrow. He needs to see years and decades ahead. Because healers work for results so firm, they may not be wholly visible till centuries have flowed into millennia.”

THE EMPIRE EXISTS

The Gospel According To

Russell Means

“You will remain a commodity as long as the Empire exists.”

BRITISH SLAVERY

The Gospel According To

David Lammy

The Nubian Times

“There is no British history without the history of empire. I am here because you were there. My ancestors were not British subjects because they came to Britain. They were British subjects because Britain came to them and sold them into slavery.”

BAD GIRLS

Donna Summer

Bad girls

Talkin' about the sad girls

Sad girls

Talkin' about bad girls, yeah

See them out on the street at night

Picking up on all kinds of strangers

If the price is right

You can score if your pocket's nice

But you want a good time

You ask yourself

Who they are?

Like everybody else

They come from near and far

SLAVERY

Nina Simone

“Slavery has never been abolished from America’s way of thinking.”

KNOW THYSELF

Mike Tyson

“The scholastic world has always been the enemy of the Black people.”

FIGHT THE POWER

Public Enemy

Yet our best trained, best educated, best equipped

Best prepared troops refuse to fight

As a matter of fact, it's safe to say

3

that they would rather switch
Than fight

SOMEBODY ELSE'S GUY

Joycelyn Brown

I can't get off my high horse
And I can't let you go
You are the one who
You are the one who makes me feel
so real

Oh, what I'm I supposed to do?
When I'm, so hooked-up on you?
Then I realize
That you are somebody else's guy
Oh, yeah
Why you wanna do this to me boy?

WHEN I FALL IN LOVE

Nat King Cole / Natalie Cole

When I fall in love it will be
forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the
sun

When I give my heart it will be
completely
Or I'll never give my heart
And the moment I can feel that you
feel that way too
Is when I fall in love with you.

THE LONELIEST SPORT

Marvin Hagler

"I grew up in a very poor area. I
mean in a poverty-stricken area.
The greatest thing that ever
happened to me was that I was able
to find boxing. Growing up the way
that I grew up, it's just showed me
that if you ever make it to the top
or whatever like that, the one thing
that you got to learn is that you
really didn't do it by yourself and
that what you should do is to give
something back."

WHAT'S UP?

The Gospel According To

James Baldwin

"Not everything that is faced can
be changed. But nothing can be
changed until it is faced."

THE PALE SKINS

The Gospel According To

Tecumseh

"When Jesus Christ came upon the
Earth, you killed him, the son of
your own God. And only after he
was dead did you worship him and
start killing those who would not."

CHILDREN LEARN BEST

The Gospel According To

Kofi Lomotey

"Children learn best in an
environment in which their own
culture is the focus of the
curriculum."

MOORISH EUNUCHS

The Gospel According To

Ankamar Fuller

"During the Trans-Saharan Slave
Trade millions of African men
were captured from Darfur,
Abyssinia, Kordofan, Zanzibar, and
other African nations then
ultimately castrated in Arab
controlled regions both in Arabian
and Africa. Ironically their lack of
sexual function did not prevent
them from obtaining privileges
such as working as Harem guards
and palace courtiers."

CASTRATED AFRICAN SLAVES

The Nubian Times

The Gospel According To

Ankamar Fuller

"These forced castrations which
made African boys into Eunuchs
were done by Arabs know as the
Chamba. Young boys, victims of
raids and wars were subjected to
the horrid monstrous inhumane
process of castration without
anesthesia which had a 60%
mortality."

A VISIT TO MALI - 1352

The Gospel According To

Ibn Battuta- Moroccan scholar

"Amongst their good qualities is
the small amount of injustice
among them, for of all people they
are the furthest from it. Among
their qualities, there is also the
prevalence of peace in their
country. The traveler is not afraid
in it, nor is he who lives there..."

THE MIND'S JOURNAL

Anonymous Submission

Anxiety shows that you need to
wake up, right now, and that you
need to be present, that you are
stuck in the past and living in fear
of the future.

Anonymous Submission

"In modern Mexico, "blackness" is
still a tenuous identity, and many
use labels like "Criollo" (Creole) or
"Moreno" rather than the ones
Black Mexicans tend to prefer.

THE BLACK PEOPLE'S MATRIX

The Gospel According To

Franklin Jones

"When history's proven most
nefariously deceitful and racist
group controls the information,
narratives, imageries that the world
receives and perceives as true, they
will naturally always manipulate
and distort facts, and even history,

to favor themselves. It's simply who they are, and the way they've always been."

CAUCASIAN'S NEANDERTHAL ORIGINS

The Gospel According To
Franklin Jones

"Studies on Genetic Finds that: Africans are the ONLY true 100% Pure Human; Black skin and woolly hair are the results of original Homo sapiens DNA. Caucasian's skin color and hair type are results of Neanderthal DNA. Neanderthals evolved from primates totally, separately from African Homo sapiens. Africans did not evolve from primates. Africans aren't even included in Darwin's Caucasian evolutionary chart.

CRACK HEAD NEWS

MENTAL ILLNESS EDITION - PT.1

This section is not meant for Dark White people a.k.a. Negro adults, only posing as adults. Their only source of information is from White sources that think of them as children!

Black Grapevine news- We must never forget we are dealing with White folks. Estranged Black folks

sit back and think we are dealing with truth, justice, holiness, goodness, democracy, and forget we are dealing with the American way. S.O.S!

Wigga news- November through January is the best time that one can see and monitor the rise in mental illness and depression in European strongholds.

One of the biggest kept secrets in the white world of medical science is the blood group that is exclusively "European". That group is called the RH-FACTOR. The RH stands for RHEMUS, and rhesus is short for RHEMUS "MONKEY".

Acting is not the same as real life! Black people are so drawn to entertainment professions, and Hollywood, because it contains STARS and ROYALTIES. Somebody writes the scripts, telling them what to say and when to say it. If one acts out well enough, White people decide on whether they should give you an award, keep you on, change your look or gender, sell you to their accomplices or let you return to the ghetto on the midnight train to the Dirty South.

Do you think it OK for children as young as 11 years old to consent to a vaccine without their parent's consent? This is not a Democratic or Republican question Shawty. It is 2021. Do you know where your children are and what the government has planned for them?.

When reading Neanderthals' books and using them as references, one must never forget how Neanderthals view Black people. Their books are filled with misconceptions, false interpretations, and outright lies. People coming out of caves have always had to fight to survive. They will murder, rape, plunder, and lie from mouth to paper, just to survive and keep power over other

The Nubian Times

people and other group's minds. Only a chump believes everything they say or put forth. A Negro that only quotes and believes in White people's propaganda and jargon is a Dark White Person.

The Olmecs never called their land or any land America.

Education with no economics is powerless.

Black Mental Illness is when a Black person wants references to prove that European and American systems were/ are evil.

Leopards have the largest range of any of the BIG CATS in Africa.

Black Grapevine news- You don't argue with a fool, because a fool doesn't think they are a fool. Mental health issues, confusion, and ego-trippin' out are surely on the rise in European strongholds.

No Black men or women should sacrifice their children for religious men or any religious beliefs.

Santa Claus and his wife don't believe in Jesus or Allah.

When you have facts, faith is not needed.

The Catholic Church is knee-deep in pedophilia, homosexuality, rape, prostitution, abortions, infanticide, and sex slaves.

Was Kamala Harries hired to solve Black people's problems? Yeah, she was hired, appointed, or whatever. She could not have won a national, popular vote, or Electoral College vote on her own merits Shawty!

How does it feel having to wear a "chin diaper" every time you leave the house?

White people are not going to sign everybody to a "BIG" contract, so learn some other skills as well Yo!

Mental Moron Health Issue- When a person with no land, little

5

education, little finances, little courage, limited audience, limited organization, no coalitions, and no law making abilities, tries telling other people who and what they are.

SERPENT KINGS

Moor Wigga news- There is a deepening lack of trust and reliability of the United States government and infrastructure.

The number of Muslin and Moors incarcerated in the U.S. has increased.

Herpes, Syphilis, Gonorrhea, Chlamydia, and a host of other STDs ain't gone nowhere YO!

Have you figured out your worth yet? Minimum wage payments are just somebody's return on their investment. Investors don't want minimum income for themselves. They want to maximize their investments. Go figure!

Salute to all the people working in "HOUSEKEEPING". In times of sickness and death, their jobs are just as vital and important as any other job. Don't get it twisted!

More people voted in Georgia's local elections than voted in national elections. Very Interesting! Taking care of home should be a priority before you involve yourself in some bullshyt.

Should a cop turning off a body cam come with an automatic charge of destroying evidence?

Social clubs are not nationalities. They can be joyous and powerful, but oftentimes wicked as well.

Black people's opinions on vital issues like crime, welfare, and housing—are too often ignored by elected officials when they conflict with White people's demands.

The United States, under President Trump, President Obama, President Clinton, and under President

Carter, has never made a national apology for Slavery and the prolonged degradation of African people. The enslavement of Black people was legal for many moons until 1865.

SCOTLAND YARD

Break dancing has been added to the Olympic Games. Don't be surprised if before long **TWERKING** is added to the Games. Nobody asked for your opinion. lol

Modern masons were slavers.

A recently discovered Olmec castle is now being slowly excavated in San Lorenzo, Mexico.

It's being rumored that the United States is far worse than Sodom and Gomorrah, which Christians and others find in the Bible.

Is White people's Right to Assemble going to be taken away or extremely hampered with the latest Democratic administration? Black people never really had such a right, unless for church or specially controlled sports events. Whenever more than 3 Black folks get together, they are under strict observation.

Many of the "educated" Blacks in the Americas feel and believe they should look down on less "educated" Black people. Is this the basis for "classism" or "colorism"? Those educated zealots are "uneducated fools", which only make their living managing Black folks for White folks. Lol

Homo sapiens in Latin means "wise man". That means you Yo unless you have been driven to mental illness. Don't get it twisted!

As White people battle through a political, cold war, there are advantages for White Jews and all Blacks who are not invested in the system of White supremacy to take advantage of.

The Nubian Times

Don't be too surprised if Uber and Lyft charge more or don't pick up in Black areas.

Free-masonry is open to homosexuals, but not women, with an estimated 7million mason across the world.

One-quarter of the women in the U.K. are heavy drinkers and illegal drug users. The demand for drugs far outweighs what is being supplied.

FILL IN THE BLANK YO!

_____ seems to have been assigned the job of keeping the rabble in line: Don't let them unite, don't let them form groups that might bring about change, don't let them challenge the system, and above all, don't let them choose their leaders—be their leader whether they like it not.

Could it be that some people are only eating **meat because it's **seasoned** with **plants**? They may not be as bloodthirsty as originally thought!**

Does your deity want you not to attend church? What up?

Europeans published a study that found evidence that modern genital warts, otherwise known as the human papillomavirus (HPV), were sexually transmitted to Homo sapiens after our ancestors slept with Neanderthals and Denisovans once they left Africa.

Moor Black Grapevine news- Making a pact with the Devil (fortune bargaining) is not the same thing as selling your soul.

Moor Wigga news- Watch out for UNHAPPY White folks. They can

6

get ugly, violent, disruptive, and mob-like. This is what America is!

Mental Illness news- If Black people don't invest in products from Black farmers, their lands will be lost. No, we cannot expect Black farmers and landowners to just give their nation-building products away.

Spotted hyenas are the most abundant apex predator in Africa.

It was under King George and his Black wife Charlotte, that the English lost control of their criminal colonies in the "New World".

Just because Dr. Clarke, Dr. Ben, Dr. Welsing, Noble Drew Ali, the Honorable Eli Muhammad, Dr. Van Sertima, and Chancellor Williams are with the ancestors, doesn't mean that their work can't be updated, corrected if necessary, and carried on to future generations.

BLACKSMITH

Many immigrants in the U.S. say that they had nothing to do with the enslavement of other human beings. That may be true, but their government of the people, by the people and for the people, had lots to do with slavery and enslavement. The enslavement and degradation of Black people and indigenous people was legal for hundreds of years. Don't get it twisted.

Predators do need water, but blood is their preferred substitute, only after mother's milk.

Making shyt up is what liars do to make themselves look good. Ignorance is when one keeps running with other people's bullshyt lies.

The Catholic Church rejects abortion as a crime, but on many occasions has forced abortions onto many of its lower status nuns, protected by the "laws" of the Vatican. Both men and women "leaders" cooperate for rank in their system of abuse, betrayal, and disdain for life. This tyranny has taken place on every continent the Catholic Church practices and resides in

Homosexuality is one of the major gender-blenders being pushed by Hollyweird. Homosexuals acting like heterosexuals are their latest trending gimmick. The programming is anti-African

Chlamydia, a common sexually transmitted infection, can cause a potentially fatal ectopic pregnancy (pregnancy that occurs outside the womb). Many who have Chlamydia don't develop symptoms, but they can still infect others through sexual contact. Symptoms may include genital pain and discharge from the vagina or penis. Happy New Year Shawty! Slow down!

Black Grapevine news- A slave is a person who is the legal property of another and is forced to obey them. Never forget that European slavery encompassed laws, shackles, chains, whips, dungeons, and mind-altering institutions. Don't get it twisted Shawty!

The Nubian Times

I AM NOT A FREE-MASON!

Organize or stay un-organized. In either case, you reap what you sow! The choice is yours!

As far as I know, Blacks in the U.S. have not made one LAW that would put them back into equilibrium or balance. Nothing there is designed especially for them. They are an afterthought in the U.S. political, economic system. Now somebody just makes laws that contain them in a state of unbalance, attacking each other, never knowing or dealing with the many ways their enemies attack them. Then some charming Negro comes up with..." We are our own worst enemy". A worse enemy should be a label for whoever put Black people in this CAGE of Controlled Freedom, keeps the doors locked, and has a uniformed gang on constant watch and patrol.

Know the side effects of any vaccine or drug you take Yo!

Without President Trump's tweets, Twitter would have probably gone under by now.

Negro leaders will not eliminate our conditions because that would eliminate their jobs. After athletes and entertainers, the highest paid professionals in the Black community are CIVIL RIGHTS LEADERS, MINISTERS, AND DOUBLE AGENTS. Need I say more!

The Great Wall of China is the biggest man-made structure on Earth, extending at least 13,000 miles.

Warning! Please remember to stay in your place and stay in your lane. It's OK to be happy, but don't stray too far from the reality and rude awaking you've just received in the last 4 years. Somebody chanting and marching to the tune that **BLACK LIVES MATTER**, was no **HOAX Shawty!**

Interaction with in-humans (ghouls) is causing animals to display strange behaviors such as killing for sport or surplus killing, much the same as in-humans do.

Systemic racism is organized crime.

The number of people taking religious vows is diminishing.

PETRA

A supply-chain attack infects "legitimate" software and inserts malicious code, while it's being assembled. Your country may be under attack in differing ways than weapons of mass destruction. Be careful of too much dependence on machines Yo.

Black America is the Democratic Party's cheap prostitute.

The Olmec, the Inca, the Mayan and the Aztec civilizations were not Muslims, Christians, Jews, Hebrews, Hindus, or Buddhists. Stop it!

Barrack Obama never pretended he represented the Black community.

More than half of all violent crimes in the U.K. are alcohol or drug-related.

There are not enough men anywhere, for all women to be married in traditional ways.

When was the last time Black people were in a position to choose a national leader that was not preapproved by White people?

EUROPEAN FACTS

SUB-URBAN MYTHS?

Believe it or not!

By 1713, Britain had become the world's leader in slavery and the trading of African people.

OIn the U.S. lost children is a common occurrence.

America was built on the backs of people who had their children taken away from them, all while literally nurturing the ones they were enslaved by.

In the War of 1812, the British burned the U.S. White House.

ROYALS

Lorde

I've never seen a diamond in the flesh
I cut my teeth on wedding rings in the movies
And I'm not proud of my address
In a torn-up town, no postcode envy

But every song's like
Gold teeth, Grey Goose, trippin' in the bathroom
Bloodstains, ball gowns, trashin' the hotel room
We don't care
We're driving Cadillacs in our dreams
But everybody's like
Cristal, Maybach, diamonds on your timepiece
Jet planes, islands, tigers on a gold leash
We don't care
We aren't caught up in your love affair

FLY LIKE AN EAGLE

Steve Miller Band

Time keeps on slippin', slippin',
slippin'
Into the future

I want to fly like an eagle
To the sea
Fly like an eagle
Let my spirit carry me
I want to fly like an eagle
'Til I'm free
Oh, Lord through the revolution

WE CAN'T AFFORD THAT

Jon Stewart

“**I** think I'm beginning to get it. If it's a policy that benefits the rich, then it doesn't have to be paid for, should last forever, and is good for America. But if it benefits the poor,

we can't afford it, we should end it as soon as possible and it will destroy our nation from within."

The United States has invaded or has had a military presence in all but "3" countries on planet Earth: Andorra, Bhutan, and Liechtenstein.

Dr. Robert Sepehr
