## Make America Great Ryde OR DIE Ride

(often called the  
**BLACK-OUT RIDE**)

(latest, newest Ride)

**A**fter a ryde & die with President Obama for 8 long years, Dr. Bo Bo thought it was time to give his Negroes a special ride. **THE MAKE AMERICA GREAT RYDE or DIE Ride!** Now, on this ride, either a White man or a White woman straps you in and places a pacifier in ya mouth. It is mandatory that you take the pacifier. Then you are spun round and round, until you get dizzy and confused, but you go nowhere! You can laugh, pray and sing or you can cry and moan, but you ain't going nowhere! This is the ride of rides. Ain't no Mickey

Mouse, Snow White, Santa Claus, Captain America, Iron man, Captain Crunch or

**Dr. BO BO says "RYDE or DIE!**  
Harry Potter. Ain't being trapped & going in circles some kind of fun?

This is one of them rides, that no one died for you to get on and you can judge if it's evil or not so evil. Evil is evil. Don't you wanna have fun and play? Well keep it real and Dr. Bo Bo will keep it 100. For one hundred dollars, Dr. Bo Bo says you can ride for free for a lifetime!.

Just get in line, act like you know and tighten up your boot straps. Let a white man or woman strap you in. No pants on the ground allowed and all half naked butts must be washed before taking a seat. Thongs are allowed!

Now as an extra bonus you won't need ya cell phone cams. Dr. Bo Bo already got you on tape, the minute you get strapped in. You'll be so excited, you won't be able to breathe.

You can be middle class, lower class or classless. Dr. Bo Bo don't care as long as you obey and recite the Constitution. No rebellion, no rise up and no struggle. You ryde or die Shawty! You make America great Yo!

Let your mind go free-less and make believe. Pretend you are in the Magic Kingdom, the Epcot center, Universal Studios, Sea World or you are in a Hollywood slave movie. This is a family ride. We'll make sure you all are strapped down together

2

and your minds are tied to your behinds.

Now don't be surprised if the White woman or White man that straps you in, don't come back later and you and yours are the first people thrown under the bus.

One thing for sure...when you get off this ride, you'll know it's time to go home.

**Previous Rides in Dr. Bo Bo's Fun World**

**FUNNY GO 'ROUND**

(THE GENDER BLENDER)

**Could Be Endorsed by President Obama**

**Open year 'round!**

On this ride everybody gets to mix and match their clothes. The boys wear girls' clothes and the girls, they wear boys' clothes. Everybody jumps on the ride, gets strapped in and the gay fun starts. You are so tossed and turned, whipped and dipped that you haven't a clue what gender you are anymore. If you got yourself straight, you don't get on this ride, but if you feelin' freaky, you ride this joint to death. Vendors with cameras and video cams are standing by to catch all the action. (Seems like Weird-O's always wanna be caught on tape!) The good thing about this ride is that now everybody knows who's funny! When you come into the amusement park, this is always the longest line. It's nothing to see long lines of funny & gay people, waiting to get **TOSSED UP!**

Now this is a ride that President Obama would endorse and take his children and their gay friends in school to see. This ride is gender neutral and so will you, after taking this ride for 8 years. The only thing we want you to worry about is

3

money, gas, housing, war, terrorism, the stock market, immigration, auto plants, the middle class and virtual reality. We'll take care of your spirituality! Dr. Bo Bo wants ya spirit! News flash- No waiting in line for the bathroom anymore. Dr, Bo Bo has gender neutral bathrooms. Dr. Bo Bo wants all the girls and boys to be comfortable and not have any gender concerns!

## THE CONDOLEEZZA CRUISER BOAT RIDE

**Closed until 2018! Condo is not giving White men rides at the moment!**

### The "OBAMANATOR"

On this ride you had best "Protect Yourself At All Times". This ride is the WHITE MOTHER of all rides. This ride will be the biggest thrill ride yet, with more ups, downs, turns, curbs, burns, collisions, mishaps, bumps, lumps, lynching, shoot-outs, high speeds and plenty of sudden stops. You're gonna get exactly what you asked for. King's Dominion and Disney World haven't got anything comparable to the **OBAMANATOR**.

All tickets must be purchased from the Twilight Zone Ticket Booth, with Hail to the Chief blaring on the loudspeakers. All registered Democrats, Oprah freaks and half-white people get a colored stamp for "1" free ride, but they must give up their GETO PASS! On boarding this ride, everybody gets to knock down any old White women or

any old White men that tries to get in your way. All boys, girls and whatever's must be strapped tightly into their lockdown, marshal law seats. FDA approved prescription medications are allowed. As the ride starts, it's OK to close them eyes, because you are trippin' & entering into the Black Hole of Space & Time. When entering the Black Hole, watch out for that slow motion in the ocean, the White man will still be in charge. (Fun World is not liable if you can't handle dat Na Na Whip) You stay in the Black Hole for what seems like 4 long years, until the water on the Levee breaks again and then you enter into the Land of NOD!

Now Dr. Bo Bo knows that it's not good business to give up too much information about a ride, because some of dem fools is ryde or die or vote or die or whatever. But the full time consumers must experience what hitting the bottom is like or what getting to the peak is like for themselves. Dr. Bo Bo wants you on this ride. Do you have another choice? There is no crying in Fun World.

Warning: When this ride is over, and it will end...you had best be able to stop the fantasizing, become an adult and fend for self. Protect Ya Neck!

This message has been provided by the Time for What Change Coalition!

## "The BLACK LAGOON TERROR TRIP"

Now the admission on this awe inspiring, groundbreaking

## The Nubian Times

ride is free for twenty years. You and your family and friends get a smooth ride on a slow boat to Louisiana. This ain't no boring Carnival Cruise, this really is the **Good Ship Lollipop**, a roving, motion based vehicle! You get to sit and watch as "silk stocking" talking legs, and "3 piece designer suit" talking heads from **BP** and the **U.S.**

government, fiendishly razzle-dazzle the good people of the Gulf Coast with bull shyt and prepare to sucker them for years to come. Most every smooth talker will be White, have sun tans and will speak with such good speech and grammar, that they will astonish you and make you want to throw up. This experience will be mind-altering, because you won't know what to expect next. Not to worry, breath mints on this battle ship are free.

You'll get a chance up close and kind of personal on 3-D high def television, to witness the "experts" sprout off a bunch of theories, straight out lies and hypocritical nonsense, as they get paid. This is some real life drama and reality! This will be one of Imagineering crowning achievements. As you are placed at the center of the action, you, your family and friends will be able to analyze even more bull shyt, as this journey will become a

psychological thrill ride second to none.

Now as you get deep into this premier ride, you leave the pontificating bull-shytters far behind and you will have to put on **hazmat gear**, as the smell and fumes from BP's **oil gusher & chemical** (cancer causing) **bombs** is toxic & hazardous to your health. You will get a chance to see and touch the dead fowl, dead fish, trapped dying birds, choking fish and any trapped mammals or reptiles that come anywhere near shore or the slime. This just might be the most touching and treasured memories of your lifetime. You might actually see President Obama smack somebody or stick a foot up some azz. You'll get a firsthand look at all the confused volunteers trying to clean up and all the carpet baggers getting paid big bucks for taking advantage of the messed-up situation. You'll see and hear Tea-Baggers change their tunes as they beg and plea to President Obama for *Big Government* help / affirmative action. You'll see Tea Baggers, Democrats, Republicans, Independents, bums, hobos and whoever demanding that BP give them welfare checks, because they feel entitled, privileged and guaranteed to a decent living. Be prepared to see the panic in people's eyes as they see their way of life disappear forever and ever!

Now you might be thinking that a bunch of oil coming out of the Earth is the Black Lagoon. Hell No! Dr. Bo Bo don't play that! People actually died because of this fiasco and Bo Bo Inc is respectful of their families. The Black Lagoon is watching a bunch of slick talking, uneducated fools, once again making monkeys out of an unsuspecting public. The public gets oil thrown into their faces & eyes and this mess is soon forgotten and slips into the **BLACK**

**LAGOON!** That's why the admission is free for twenty years. Some White experts will constantly be telling you for twenty years that the shyt is being cleaned up. You can believe that if you want to, but this is one ride, you won't want to miss. When we get back to shore, we'll have ourselves a Cajun style shindig luau fish fry, some shrimp, some lobster and some roast duck. Just don't ask where it came from. For dessert, of course, we will have ice cream and lots of waffles. We must have waffling! Everybody has got to make a living, don't ya know!

**WIGGA**

**WAVE MAKER**

**(No Negroes Allowed!)**

On this ride everyone rides for free except for the Negro. Negroes are not allowed to

## The Nubian Times

make waves. On this ride everybody gets pumped up, shakes their fists and do what they gotta do to thrive, make strides and survive. The Negro has not been allowed to do that since poor Black people rebelled back in the 60's. On this ride, everybody that thinks they have been dissed...starts a rebellion, a revolution or their own party! Whatever! Act like you know Yo! Each rider must present their birth certificate, signed by Jesus Christ!

Now you know that Mr. Boo Bo ain't racist and Mr. Bo Bo always does right by his Negroes. So to even things out, Mr. Bo Bo is going to give every Negro, that's right, every Negro a lollipop. Dr. Bo Bo don't want Negroes to feel like suckers, Mr. Bo Bo wants them to be suckers!

This ride starts out just like a bumper car. You pump your fist and the car throws you from side to side and you run your car into any and everybody that gets in your way. White people are allowed to scream, whine and holler more than anybody else. They recon they are all privileged or chosen people anyway. They get a chance to tea party splash and middle class bounce all over everybody else on the planet's ass. The key to this ride is that you can "spit" and do "shyt" to anybody you

5

feel like it, with no repercussions! Now you know why White people stand in line in their bare feet for hours just to get on this ride. Asians, Middle Easterners, Far Easterners, Lower Easterners and Upper Easterners are all invited, as long as they go along with the programs of the West. They all can ride this ride to hell too. Hear tell that even President Obama has been invited to FUN WORLD to get on this ride and to accept another Nobel Peace prize. This ride is just what Wiggas need to keep them occupied & satisfied!!!! Get on the ride Gus or Tomahawk missiles are coming your way.

You get the idea. If you ain't on this ride...you are the people that are going to get "BANGED" by everybody else. No Negroes allowed! Enjoy!

**MADD PEACE! DR. BO BO**

This article is paid for by Dr. Bo Bo and his corporate sponsors. The names are hidden to protect the guilty!

Remember the boycott of Florida? No you don't, because you went anyway. Now put your children and grandchildren on the "Make America Great RYDE or Die Ride." From sun up to sun down, you just paying the price for your play!

**Nobody takes you serious!**

**DR. Bo Bo's FUN WORLD is open 24/7/365**

**AUTHENTIC AFRICAN OR NOT**

**(Just Break Free)**

The Nubian Staff

Most Africans in America wear European clothes and body adornments to be accepted. When anybody tries to switch up and wear something inspired by African visions, somebody wearing or sporting a European cap, perhaps European tennis shoes, maybe a European designer suit, some European stocking or maybe some European lip gloss, criticizes to try to tell those who are trying to break free, that what they are wearing is not authentic African. They open their English inspired mouth with English words and European inspired visions to let them know they better get back in their places. What are these "urban intellectuals" wearing themselves? Most of what these critiquers are wearing is made in factories in China, India, Thailand or Mexico. Maybe it ain't authentic African freedom seekers wear, but the spirit resides in African people no matter what. They just wanna break their chains! We damned if we do and damned if we don't, but the Nubian

**EUROPEAN FACTS**

**(SUBURBAN MYTHS?)**

**Believe it or not!**

White people came to America for the American Dream. They came as immigrants. They did not come for happiness, but property.

Some of the biggest slave holders and owners in the United States were gay and women.

Over 540 people have been shot and killed by police in the United States in 2016.

Caucasians have bestiality houses of ill repute all over Europe.

The Romans interest was in power and they employed violence and terror as their main weapon for control. Their raids of nations from England to the Balkans and Europe to North Africa were horrendous. They stole, enslaved, murdered and abused people whom they placed under their rule.

The American Empire sees African people as expendable, but not African resources.

White women outnumber every other group in the United States.

## 6

In the U.S., exposing a crime is most times treated as committing a crime.

The chief God of Islam is the sun, and its five-pointed star sits on its flag and over the systems of the world.

Racist incidents are spiking across the U.K.

After being under great pressure from the Goths and Huns, it was the Vandals that finally finished Rome.

Europeans got free land and free labor from the Americas.

There are a lot of Caucasian pet owners out there, and polls and surveys have found that the overwhelming majority of them regard their pets, not as animals, but as bonafide family members to be loved and cared for with the same, if not more, feeling, tenderness, and importantly, emotional attachment, and need to protect, as if they were a human.

Caucasians have always distinguished between Aryan Christians and Catholic Christians.

Constantine ruled the Roman Empire with an iron hand and gained sole rule by manipulation and stealth. He not only defeated other emperors but wiped out their family and armies to leave no one to rise against him.

### TWO BOOKS

The Gospel Of Norma Holt

"The two books are at odds with each other because the Old Testament holds the prophecies given by God to the children of Israel. The New Testament is a fanciful book of myths and dreams based on a three-sided male God and a host of angels, saints and devils."

### SIN, SUN, SON

The Gospel Of Norma Holt

"Religions claim that certain activities are due to sin and that their priests can literally wipe the slate clean so one can still go to heaven. It's a trick! There is no such thing as sin and the devil is actually God (Isaiah 45:4-8)."

"Sin is a trick to get people into the religion and keep them there and it is derived from 'sun'. While priests claim to forgive them hell is the lock on the door. This strengthened the wall that grew too big to circumvent."

### ORGANIZED CRIME

The Gospel According To

Michael C. Ruppert

"It's organized crime. All you do is you call the Republicans the Genoveses and you call the Democrats the Gambinos. The people at the top, they treat it like a crap game. It's their crap game, like they're making lots of money. Occasionally, somebody at the table shoots each other, but the moment anything threatens their crap game, they all unite to protect it. ... They're both controlled by the same financial, economic and corporate interests."

"In this country, American means white. Everybody else has to hyphenate."

## U.S. HORRORS

The Gospel According To  
Ida B. Wells

"The lesson this teaches and which every Black should ponder well, is that a Winchester rifle should have a place of honor in every Black home, and it should be used for that protection which the law refuses to give. When the white man who is always the aggressor knows he runs as great a risk of biting the dust every time his Black victim does, he will have greater respect for Black life. The more the Black yields and cringes and begs, the more he has to do so, the more he is insulted, outraged and lynched."

## A VALUELESS PEOPLE

The Gospel According To  
Dr. Martin L. King Jr.

"We as a nation must undergo a radical revolution of values."

### INTRODUCTION TO AFRICAN CIVILIZATION

The Gospel According To

John G. Jackson

"A number of scholars, both  
ancient and modern, have come to  
the conclusion that the world's first  
civilization was created by a people  
known as the Ethiopians. The name  
"Ethiopian" we owe to the ancient  
Greeks. When the Greeks came in  
contact with the dusky inhabitants  
of Africa and Asia, they called  
them the "burnt faces". The Greek  
word for burnt was "ETHIO" and  
the word for face was OPS. So  
ETHIPS plus OPS became  
ETHIOPIAN."

### RACIAL IDENTITY

The Gospel According to

Dr. Amos Wilson

"An education that does not  
include how to overthrow White  
supremacy among Black people  
and how to destroy White power  
over Black people is not African  
centered. I don't care how much  
culture you teach, how much  
history you teach, it's not about  
that."

### RACIAL HARMONY

The Gospel According to

Dr. Amos Wilson

"There shall be no racial harmony  
for the next twenty or thirty years  
ladies and gentlemen. You've got  
to get use to the idea, if you are  
going to win your freedom, that  
you are going to be disliked by a lot  
of people and a lot of ethnic  
groups. You've got to get use to  
living with great tension if you are  
going to reclaim yourself and  
reclaim your life! If you are trying  
to maintain peace and harmony  
with every other group, they are  
going to put conditions on it. You  
can maintain harmony as long as  
you don't disturb their economic

## HOW TO PICK A WATERMELON

Unknown Contributor

**E**very day I see people banging on watermelons trying to pick the best one. Here's the real deal on picking the sweetest Watermelon: 1. Make sure it has a prominent yellow spot. This is

where it sat on the ground ripening. No spot = premature pick = not ripe. 2. Look for "webbing". This is the brown, coarse web looking material. This is caused when bees pollinate the flower and scar the membranes that later forms the fruit. The more pollination = more webbing = sweeter fruit. 3. Look for black hard globs seeping out. This is sugar not insects or rotting. **Thank you!**
