EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Overdoses are the leading cause of death among Americans under the age of 50.

For any White person to own land in the Americas, the majority of people of color in the Americas had to be eliminated and murdered. No group of White people could live in the United States without the majority of people of color being subjugated, eliminated or murdered first.

American philosophy- no Negro has any rights that Whites are bound to respect. This is the basic character of the United States Constitution.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

If you don't think we are all family, in good times and bad times or when some of us are affected with the madness of White Supremacy or White Imperialism, you might as well stop right here. This Gospel and this site may not be for you.

WINNIE MANDELA, Mother of the Nation: Freedom Fighter of Fire and Water

The Gospel According To
Dr. Maulana Karenga

"She stepped on the turbulent stage of African and human history with a concentrated and consuming fire against the oppressor and life-giving water for the people. No, she was not one to ask permission to live free in her own land, or to

exercise freely the rights she had by birth and by just being human. Nor did she engage the enemies of African and human freedom as a summer soldier, but came to the battlefield with a deep-rooted defiance and determination and vowed not to walk away until the war of liberation was won. A freedom fighter of fire and water and an all-seasons soldier, she laid down in life and rose up in radiance in the heavens, April 2, 2018 and now sits in the sacred circle of the ancestors."

"And in the midst of all the mothers and the fathers of our nations whom we raise up and rightly revere: Nomzamo; Nelson Mandela; Aminata Harriet Tubman; Kwame Nkrumah, Yaa Asantewa; Malcolm X, Fannie Lou Hamer and all the others too numerous to name here, we must not forget the very people who made and make them and us possible, our people, African people ever engaged in righteous and relentless struggle to be ourselves, free ourselves and bring a deep and broad-reaching good in the world. Indeed, Nomzamo asked us to remember all the other heroes and heroines of the Liberation Movement in and out of ANC, singling out Steve Biko, and stressing praise for the heroic efforts and sacrifices of everyday people."

"And how better can we honor our rightly raised up and revered ancestors, mothers and fathers of us all than to continue this awesome world-encompassing struggle, rightfully attending to ourselves and reaching out to others, and giving constant due consideration to the well-being of the world. Indeed, we must finish the fight and achieve the truly free society and good world we all deserve and to which Nomzamo and our ancestors and our people have sacrificed so much. The word at the

The Nubian Times

memorial was that Nomzamo did not die, she multiplied. May each and all of us be counted among these who continue to struggle, keep the faith, and hold the line till victory. And then we can truly say, as an achieved reality rather than an aspiration in process: Ekugcineni sikhululekile! Amandla ngabantu; Amandla ngawethu! We are free at last! Power to the people! Power to us! Kwa kweli, tumeshinda! Truly, we have won!"

CONSCIOUSNESS

The Gospel According To
Dr. Jewel Pookrum

"Consciousness separates the weak from the strong. A body & emotional body can accomplish anything with the right mind-set."

DOUBLE AGENTS- BLACK LEADERS

The Gospel According To
Attorney Alton Maddox

"The people that Black people put into office, the people that they call leaders are actually double agents. They appear to be working on your behalf, but they are in fact working on white folk's behalf. That's a double agent."

NBA

The Gospel According To
Attorney Alton Maddox

"There could not be an NBA without Black ball players. All of the money that these crackers are making in the NBA are on the backs of NEGRO MULES. Cause that's exactly what they are in the NBA! High priced mules of whom everybody is riding. You got agents. You got attorneys. You got accountants. You got television networks. You got vendors. You got the whole nine yards. Hotels, airlines, everybody! A billion

8

dollar industry riding on the backs of some Black men!"

CORPORATE AMERICA & YOU

The Gospel According To

Dr. Martin Luther King

"When machines and computers, profit motives and property rights, are considered more important than people, the giant triplets of racism, extreme materialism, and militarism are incapable of being conquered."

SCIENCE

(Too Much Politics)

The Gospel According To

Booty Adams

"When you combine science with the politics of nationality and the land of our culture, we are a Black people. Without a balance of science, we negate our heritage. From the Black Hole to the Triple Blackness of Space, we are Black People. We the People! From the Black dot to the halls of Amenta, we must never forget where we came from!"

MELANIN & HIGHER CONSCIOUSNESS

The Gospel According To

Dr. Richard King

"Door" is a key symbol of Melanin. Something that transforms, converts, moves from one level to the next. It's a door. In particular, it is a door between the spiritual realm and the concrete physical realm."

MELANIN & THE DREAM STATE

The Gospel According To

Dr. Richard King

"What is commonly presented by the Rosacrusians, the Church of Light, is really ancient Afrikan sciences cut down, watered down, adapted to their perspective and they hide the Afrikan origins."

PRESIDENT ELECT

The Gospel According To

Fred Hampton Jr.

"We refer to it as the selection, not election. It was already setup of who they were going to have as the next gang chief. We didn't have a lot of hope invested in Kerry or nobody else. Our position is that we know history, there's never been no Great White Hope that saves us. We didn't take a lot of cats' role as "Vote or Die." Our position was "Organize or Die" or "Ride or Die." We still maintain that position, it's going to take us, to get down, organize for the liberation of our

ANTHOLOGY ON GANGSTERISM

The Gospel According To

John Burl Smith

"A Diaspora of stolen people trapped an ocean away from their Motherland, maintained in total ignorance and bred like cattle to continue a hideous system long after the world outlawed and abolished it, America denies responsibility for slavery's impact on blacks."

MAGICAL NEGROES EXPLAINED

The Gospel According To

Douglas McGowan

"The hippest, most cutting edge Hollywood films -- and what film can lay claim to that title before *The Matrix*? -- are white men's wet dreams of an imaginary place where they can be Black people with mystical knowledge and power."

The Nubian Times

POWER

The Gospel According To

Dr. Wade Nobles

"The definition of power is a psychological question. It is not a military question. It is not an economic question. It's not a social question. It is a psychological question. Power is the ability to define reality and to have other people respond to your definition as if it were their own. Our dilemma, our problem is that we allow other people to define the meaning of who we are. And once we accepted their definition we gave them power."

WHAT BLACK MEANS

Yhr Gospel According To

Booty Adams

"In the English language, the word "Black", when referred to as a race of people, is being used as a metaphor. It is not to be taken literally. To people of Afrikan origins, being Black is a psychological state of mind, which they remain in 24/7. Negro in Spanish doesn't fit nor have the exact metaphoric meaning. Some people may be the same literal color, but be of a different kind, due to their mind-set. Black has everything to do with culture. You have to understand what Afrikan ancestored means!"

HERBALIST

The Gospel According To

Dr. Sebi

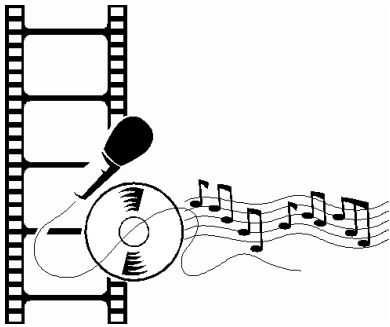

"Today the herbalist is not respected. Why? Because instead of him fine tuning his craft, he takes it upon himself to read books about herbs. Every herbalist in America is the victim of a book. Books adulterated with inconsistencies."

“Everything that God made is electrical. Why? Because we are electrical! When you take something that God made and you adulterate it with something that man made, the something

GAY RIGHTS?

The Gospel According To
Dr. Kwame Ture

“I am an Afrikan. I know my culture and I stand on it. No one will confuse me. Look carefully at your culture. Understand properly your culture, otherwise, you get confused. The problem of gay rights is a problem of tolerance towards homosexuality. In the Afrikan community, you have never heard of anyone of us bashing in the head of any homosexual. Gay rights is certainly a legitimate problem in the European community, because of the intolerance of that culture, but the Afrikan culture is extremely tolerant.

MUSIC

Eugene Record of the Chi-Lites

“A lot of the music is dangerous... it's really dangerous. People don't realize that music is a spiritual thing and it touches parts of you that you don't really know that's being touched, and that it influences you in ways you don't believe you're being influenced. And a lot of it's good but a lot of it's very dangerous, especially for the young generation.”

Miles Davis

ONE LUV

Angela Bassett

“I love my age. Old enough to know better! Young enough not to care! Experienced enough to do it right!”

ONLY ONE DISEASE

The Gospel According To
Dr. Donald Douglas Torrey

"There is only one disease in the whole wide world. There has always been only one disease. This disease is the accumulation of garbage in your body. We rename the accumulation of garbage when it effects an organ. When the waste of the body burns through the skin, we call it a rash.

ON THE NEGRO SITUATION

The Gospel According To
Dr. Martin Luther King

"One hundred years later, the life of the Negro is still sadly crippled by the manacles of segregation and the chains of discrimination. One hundred years later, the Negro lives on a lonely island of poverty in the midst of a vast ocean of material prosperity. One hundred years later, the Negro is still languishing in the corners of American society and finds himself an exile in his own land."

WELCOME TO THE UNITED STATES

The Gospel According To
Booty Adams

"It's common knowledge that violence against women in the US is getting worse. Woman on woman violence! Europeans show their mastery of the world by showing women in combative sport or combative competition. Look on some of these "jobs" boxing,

WNBA, football, baseball, modeling, singing, martial arts & whatever. Women beating the sh*t out of each other, one way or another! They delight in women fighting and if permitted, it would be to the death. The majority of the players are slaves or prisoners of war. Those who win may find themselves in the money and may eventually become sex symbols. Can you imagine women with diseased minds, becoming sex symbols? Welcome to America!"

THE WAY A SLAVE THINKS

(The Big House Church)

The Gospel According To
Rev. Valentine

"A slave needs a job. A slave must have a job. And of course all of us gotta play slave at one point or another, but if you're not rising out of it, if you don't want off the plantation...something is wrong with you. And most Christian mutha f*ckers are on the plantation and like it there. In fact, the Big House is now the Church House. Everybody wanna run to the Big Church House."

CHRISTIAN SHEEP

The Gospel According to
Rev. Phil Valentine

"The goat unlike the sheep is an individualist. Sheep function under the herd mind. That's why they want you to be Christian sheep. This is why the Christians use sheep as its symbol, because it is the original symbol of herd control. Thus it is the secret order of goats who control the world of the sheep."

THE NEW AFRIKAN

The Gospel According To
Nzinga Ratibisha Heru

The Nubian Times

"It's not enough just to organize ourselves. It's not enough just to educate ourselves, but we've got to internalize that information and become the new Afrikan. The Afrikan that knows and is daring and bold. The Afrikan that knows we are going to win and dares to win and dares to struggle. That's the new Afrikan we seek to be."

BLACKONOMICS

The Gospel According to
Booker T. Washington

"There are reports that in some sections the Black man has difficulty in voting and having counted the little white ballot he has the privilege of depositing twice a year. But there is a little green ballot he can vote through the teller's window 313 days each year and no one will throw it out or refuse to count it.

COURAGE

The Gospel According To
Emiliano Zapata

"It is better to die on your feet than to live on your knees!"

SOLEDAD BROTHER

The Gospel According To
George Jackson

"Settle your quarrels, come together, understand the reality of our situation, understand that fascism is already here, that people are already dying who could be saved, that generations more will live poor butchered half-lives if you fail to act. Do what must be done, discover your humanity and your love in revolution."
