The taxes of average citizens were used to pay off these loans. The payment only ended in 2015. Generations of Britons have been implicated in a legacy of financial support for one of the world's most egregious crimes against humanity.

THE AUTOBIOGRAPHY OF MALCOLM X

The Gospel According To
Malcolm X

"When i am dead--I say it that way because from the things I know, I do not expect to live long enough to read this book in its finished form-- I want you to just watch and see if I'm not right in what I say: that the white man, in his press, is going to identify me with "hate". He will make use of me dead, as he has made use of me alive, as a convenient symbol, of "hatred"-- and that will help him escape facing the truth that all I have been doing is holding up a mirror to reflect, to show, the history of unspeakable crimes that his race has committed against my race."

Our dilemma, our problem is that we allow other people to define the meaning of who we are. And once we accepted their definition we gave them power."

NO ONE

Alicia Keys

I just want you close
Where you can stay forever
You can be sure
That it will only get better

You and me together
Through the days and nights
I don't worry 'cause
Everything's going to be alright
People keep talking they can say
what they like

But all I know is everything's going to be alright

WHAT DOES IT TAKE

Junior Walker & the All-Stars

What does it take to win your love for me?

How can I make this dream come true for me?

Oh, I just got to know,
Oh, baby, 'cause I love you so,
Gonna blow for you
I've tried, I've tried, I've tried,
I've tried in every way
I could...

CRAZY

Gnarls Barkley

I remember when
I remember, I remember when I lost my mind
There was something so pleasant about that place

The Nubian Times

Even your emotions have an echo in so much space

And when you're out there, without care

Yeah I was out of touch

But it wasn't because I didn't know enough

I just knew too much

Does that make me crazy?

STAY

Rufus and Chaka khan

My baby, when he cries

It's 'cause something's on his mind
This world is full of lies

You and me are one of a kind

The good lord will stand behind every step

We are blind to fate, that's life,
that's life

NOBODT WANTS YOU

Bobby Womack

Once I lived the life of a millionaire

Spending my money honey oh I didn't care

Taking my friends out for a mighty good time

Drinking that good gin,,
champagne and wine

Oh just as soon as my money got low

Couldn't find my friends and I had no place to go

But if I ever get my hands on a dollar again

I'm believe I'll hold on to that easy grin

Cause i found out

Nobody wants ya when your down and out

FACT

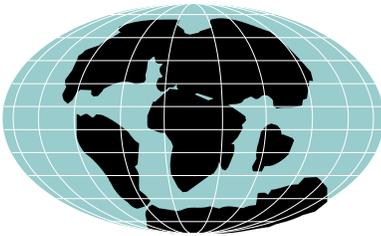

John Singleton

"Either they don't know or they don't care."

STYLE

Nikki Giovanni

"**S**tyl has a profound meaning to Black Americans. If we can't drive, we will invent walks and the world will envy the dexterity of our feet. If we can't have ham, we will boil chitterlings; if we are given rotten peaches, we will make cobbler; if given scraps, we will make quilts; take away our drums and we will clap our hands. We prove the human spirit will prevail. We will take what we have to make what we need. We need confidence in our knowledge of who we are!"

FREE STUFF

The Gospel According To

Fari Supiya

"**M**y people b like; why aren't there more Black businesses so we can get free stuff?"

NO GOVERNMENT HELP?

The Gospel According To

Dr. Ben Carson

"**M**y mother raised me with no help from the government. We had food stamps and Welfare and Section 8 housing, but we made it on our own."

MESSED UP!

The Gospel According To

Dick Gregory

"**A**merica will tolerate the taking of a human life without giving it a second thought. But don't misuse a household pet."

NOT ASHAMED

The Gospel According to

Ralph Ellison

"**I** am not ashamed of my grandparents for having been slaves. I am only ashamed of myself for having at one time being ashamed."

WOMAN QUALIFICATIONS

The Gospel According to

Sistah Souljah

"**E**ach and every Afrikan woman ought to be more concerned about the struggle of Afrikan people than any Afrikan man, because we are the ones who have produced it all."

CHRIST

The Gospel According To

Elijah Muhammad

"**C**hrist means the "One who is coming at the end of the world of the wicked as a crusher." His name actually means "One who is anointed to crush the wicked." The real satanic people are the White race who have disguised themselves to deceive the Black people to follow them. They just use the name, Christian, which means to be Christ-like."

THAT RAINY DAY

The Gospel According To

George Washington Carver

"**W**e have become ninety-nine percent money mad. The method of living at home modestly and within our income, laying a little by systematically for the proverbial rainy day which is due to come, can almost be listed among the lost arts."

THE US NEGRO

The Gospel According To

Booty Adams

The Nubian Times

"**T**he problem with the few Negroes that are still left in the United States is that he or she doesn't believe that Afrikan people anywhere can be a free & sovereign people. They only believe that all Black people on the planet are the property of the same masters that they belong to or work for. If Black people don't speak their master's language properly, dress like their master, name their children like their master or obey their master's anti-Afrikan rules and regulations, than there is something wrong with these Afrikans. These remaining Negroes may look like brothers and sisters, but what comes out of their mouths and their actions prove them to be Negroes that have lost their Afrikan mind!"
