THE GOSPEL / NEGROES X-MASS LIST/ BLACK WOMEN IN HISTORY

BLACK POWER MATTERS!

submitted by Uncle Jessie

Black lives will never Matter, until **Black Power Matters** to Black people. Stop with the begging, whining, crying and whimpering and stand up for your rights and what's due you.

Black people have to invest in their communities once again and stop with the running and Black Flight to White Ville. We must stop with the I want "freebies" attitude and work together for what we truly need, which is not always what we want or have been told we need.

One key to Real Black Power comes when we support pro-Black Business, Merchants, Manufacturers, Farmers, Butchers, Bakers, Food Preparers, Taylors, Dress Makers, Stylists, Artisans, Carpenters, Mechanics, Brick Masons, Builders, Street Vendors, Engineers,

Teachers, Doctors, Lawyers, Accountants, Banks, Employment Agencies, all

BLACK POWER MATTERS!

and any Black Professionals, just as much as you support Black Entertainers, Sport Figures and Black Celebrities. As long as they are pro-Black, you don't lose.

The last thing the Civil Rights All-Stars and the male and female members of the Boule' want, is for Black people to support Black businesses or believe in themselves. They make their money driving Black people to White people's corporations, their malls,

their advertisers and their voting blocks. That's un-leadership and anti-Blackness.

Black people placed a lot of hope in having a Black President and Black family in the White House, but most of that euphoria has worn off. In and of itself, I never saw that as a major setback, but the problems still remains in lack of belief in self and the lack of belief in our race-family. We must get out of looking outside of ourselves for some kind of messiah or savior.

The American Dream was never our Dream. It was just some type of false image that was placed in our heads, that we were suppose to aspire to, that will forever be out of our reach. It's a planted Dream. planted by social engineers, outside our own communities. A DREAM, that leaves us unbalanced and trampling all over each other. We can do better. We must do better. That still remains as a huddle we have to get over. And so I say again that, "Black Lives will never matter, until Black Power

matters. Support pro-Black Business and support yourselves. Make our money stay in our communities as long as possible. Make some conscious contributions once again to the Black World. If you do not support your own, nobody can support you. Just try to keep it legal, so there is less interference from those outside of us. Try to keep outside groups, out of our business, as much as possible. .

Assuming all Black women want to be "GOD", could be an erroneous assumption. Not all Black females have masculine aspirations.

White people get "oppression budgets" out of Black people's spending habits. The engine that drives oppression is money. You cannot cripple any white folks after

you have given them all your money.

The Associated Press reported that in 2008 Black voter turnout exceeded white turnout for the first time, and in 2012 African Americans again turned out more than whites. In 2008, young Black voters had a higher turnout than other young people, and Black women voted in higher proportion than any other demographic group. The current political climate has a lot of these same people disillusioned and discouraged. We need our own political party badly.

In the European Union, with 31 countries, the fertility rate is 1.38. A White Europe will cease to exist in a matter of years Shawty. If you go there on vacation, you will mostly see non-white people.

Support misconduct and/or malpractice insurance for police officers. Let's tap into their pockets and let them see how it feels to be un-for-real.

Black GrapeVine news- The U.S. rise in homosexual risky practices, by both men and women, have led many science professionals to believe that these practices are the root causes for some of the incurable std's and other life threatening illnesses. Let this soak in!

White people sell heroin to other white people in the U.S. All one needs is a home, condo, apartment or dorm room to have it delivered to the door. If you want accessories, that cots extra.

In 2017 Marlboro will enter the marijuana market for marijuana fags, cigarettes or small whites. Prices start at \$89 per pack. Won't be much longer before Kool, Newport's, Swisher Sweets, Phillies, Black & Mild and White Owls. Only a serious ass hole would use a Cuban Cigar. The revolution and any rebellions won't be televised or shown on social media. Once upon a time, tobacco was considered an herb.

Beware shallow Black characters and families on TV. In reality, we have to deal with knuckle-head cousins, brothers, sisters and relatives. Look for the same on TV or it's some pretend bullshyt. It might make you feel good, but there isn't really any substance there. We have to solve or own dramas if at all possible.

More GrapeVine news- You can't choose who you fall in love with. GTFOH! You big dummy. You better stop with the dumb shyt coming out ya mouth. If you can't choose, your mind is tied to your behind. We can't believe that nobody thought how dumb this shyt sounded. Must be a lot of idiots roaming the streets, clubs, schools, churches and office buildings.

Alice in Wonder Land news- Females are now charging other females for sex and bullshyt comforting. Female capitalist don't care who they make their money off of. When your kids hook-up with white girls or white boys, remind them that when things get sour, it affects the whole family. That's not racist, but just keeping their eyes wide open from the start.

Donald Trump just pulled the cover off of racism / white supremacy. Hillary Rodham Clinton choose to stay politically correct, but her objective has always been to continue the system of racism / white supremacy. How many

people does this system have to lock-up to make you believe the facts YO?

White people's biggest disease is racism. After that...it's greed.

Vietnam was America's first integrated war. A high percentage of the men on the frontlines were Black. Black men called the "front lines" Soulville.

Did Hillary Rodham Clinton use the Clinton Foundation to pay of President Obama and the First Lady to promote her bid for the Presidency or did she use Campaign Funds?

The Mainstream media, both conservative and liberal is clueless, but they must act like they are experts

Voting for white people can be like praying to one. In both cases, you always end up on ya knees begging, wishing and hoping for a miracle.

When jobs disappear, the rates for Black and White violence are the same. That's when desperation sets in.

In the 2008 Democratic primary, Hillary won the popular vote against Barack Obama and nobody protested. Hillary won the popular vote with 17.8 million votes compared to your boy Obama's 17.5 million votes. Your girl Hillary earned only 1,973 delegate votes compared to Obama's 2,285, and the delegates determined the election results, much the way the electoral college determines who

will be the next President of the United States. How come nobody got all bent out of shape?

A U.N. panel says that the U.S. owes Black people Reparations for a history of "racial terrorism. We all know that the U.S. government will "worm" their way out of this one Obama nor Trump ain't paying Black people shyt, but no attention!

America is falling news- White people say God doesn't fail, so it's either the politicians, the Blacks, or the Browns. The politicians say it's the Black and the Browns. Sound familiar?

Wigga news- A CDC study found that, over their lifetime, 44% of lesbians had been physically assaulted by a partner.

Taxation without representation is tyranny.

Negro freedoms are taken away from them when White people teach them what to think and what not to think. They make decisions

who to vote for and who not to vote for. They control all the options. We've been made into just observers, with limited choices.

Burma, Vietnam, Laos and Thailand- Before Afghanistan rose to notoriety as the biggest producer of heroin in the world, three Southeast Asian countries—collectively dubbed “The Golden Triangle”—lorded over the heroin trade. Since the 1920s, The Golden Triangle has been dominating the production of opium, from which morphine is extracted and subsequently processed into heroin.

Moor Wigga news- QLGBT activist that portray their lifestyles as normal and healthy, have lost their f#cking sanity. QLGBT people are in the highest risk group for several of the most serious diseases and health threats to have ever hit planet Earth. Diseases and illnesses that modern science and herbalist have no cure for. Now that they have organized

themselves into a QLGBT grouping, the threats can better be identified by scientist, from within and outside their community.

Nobody now plays Black people like White Women do. The Negro is her stepping stone to whatever she always thinks she wants. Know your history! lol

The HOTUS is coming! The HOTUS is coming!

Queen bees often turn out to be fruit flies.

Homosexual activists attempt to portray their lifestyle as normal and healthy, and insist that homosexual relationships are the equivalent in every way to their heterosexual counterparts. How many homosexuals do you know that are well adjusted? They seem to do more name calling than even racist thugs do.

Don't think that the Black Church doesn't have a function in the Black community. Where else are you going to send your mean spirited and self-righteous Black trash and gay children? Where else can you send all the Negroes that have a White boy as their Lord and Savior?

High fructose corn syrup has been proven to be more toxic to Black people than regular sugar and is the leading cause of diabetes and obesity.

Some say that without the Electoral College, big population centers like California, Texas and New York might easily decide Presidential elections. Is that racist or no? Some say this is a tactic by whites, for whites, to continue their supremacy on a national level. In any case, voters do not elect Presidents. Somebody died so your vote don't count. lol

I DENY, DENY, DENY!

Ain't nobody over in Afghanistan or Iraq fighting for my freedoms.

Bill Clinton paved the way for a lot of Black people to be incarcerated. How you feel? You voted for him. Was he the lesser of two evils or the brother from another Mother.

Under Federal Labeling rules, the word "NATURAL" actually means absolutely nothing. The FDA has no formal policy for the usage of the word.

When Black or White puppeteers are unable to predict the mood of the people, they are likely to be at a high level of anxiety.

Black men live longer when they are married to Black women. If you don't want a long life and to prosper, do something else.

Moor Wigga news- The U.S. is having serious problems with white teachers sleeping with underage students, male and female. The teachers may be independent, liberated, free and getting paid, but the underage students ain't. White women...leave them kids alone!

With Black Millennials, it's sometimes more important what fraternity or sorority they are in, than what HBC college or university they attended. That almost seems ass backwards.

F.Y.I

On the 1st Black President

JOHN HANSON

John Hanson

John Hanson, the 1st President of the United States, ordered all foreign troops off American soil, as well as the removal of all foreign flags. This was quite a feat, considering the fact that so many European countries had a stake in the United States since the days following Columbus. Hanson established the Great Seal of the United States, which all

The Nubian Times

Presidents have since been required to use on all official documents. President Hanson also established the first Treasury Department, the first Secretary of War, and the first Foreign Affairs Department. Lastly, he declared that the fourth Thursday of every November was to be Thanksgiving Day, which is still true today.

Six other presidents were elected after him - Elias Boudinot (1783), Thomas Mifflin (1784), Richard Henry Lee (1785), Nathan Gorman (1786), Arthur St. Clair (1787), and Cyrus Griffin (1788) - all prior to Washington taking office. You don't hear much about the first seven Presidents of the United States, because The Articles of Confederation they served under didn't work very well. The individual states had too much power and nothing could be agreed upon. A new doctrine needed to be written - something we now know as the Constitution of the United States. That Constitution took some of the power away from the individual States.

George Washington was definitely not the first President of the United States. He was the first President of the United States under the Constitution. The first seven Presidents, most with Negro blood (perhaps mulatto) are forgotten in

history and their important stories neglected by Europeans.

John Hanson got his Negro blood from his Ma Ma and his Ma Ma's Ma Ma! His Daddy was Swedish, but his Ma Ma was B-L-A-C-K!

You will find that President Barack Obama is quietly being called the 1st African-American President. That's cool, if it makes you feel good!

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

This segment and these precious quotes are simply here to help us solve some of the drama and dilemmas we are facing in these trying times. Take them personal, only if you are pro-Black. Otherwise, step-off!

WHITE SUPREMACY

The Gospel According To
Dr. Martin Luther King Jr.

"Whites, it must frankly be said, are not putting in a similar mass effort to reeducate themselves out of their racial ignorance. It is an aspect of their sense of superiority that the White people of America believe they have so little to learn."

ISLAM IN EUROPE

The Gospel According To
Muammar al-Gaddafi

"There are signs that Allah will grant victory to Islam in Europe without swords, without guns, without conquest. We don't need terrorists, we don't need homicide bombers. The 50 plus million Muslims in Europe will turn it into a Muslim continent in a few decades.

FAILED TO ENGAGE

The Gospel According To
Julian Bond

"Democrats "failed to engage African American voters. They had all the issues on their side: high unemployment, failing pensions, people losing vast sums of money and the stock market crash. But, the Democrats didn't push these issues. Instead they offered pale shadows of what the Republicans were offering, and that just wasn't good enough."

SOCIAL ILLUSION

The Gospel According To
Dr. Claude Anderson

"Black folk are not free from anything. You are just as impoverished today, just as powerless, just as disorganized as you were in 1860, on the eve of the civil war. You have not moved not one iota in 140 years. All your doing is enjoying the fruits of a social illusion.

DESPITE ALL I CAN DO OR SAY

The Nubian Times

The Gospel According To

W.E. B. Du Bois

"In 1956, I shall not go to the polls. I have not registered. I believe that democracy has so far disappeared in the United States that no two evils exist. There is but one evil party with two names. and it will be elected despite all I can do or say."

THE AMERICAN SYSTEM

The Gospel According To

W.E. B. Du Bois

"A system cannot fail those it were never meant to protect"

ADDRESS TO THE SLAVES OF THE UNITED STATES

The Gospel According to

Henry Highland Garnet

"If the scale was turned, and Black men were the masters and white men the slaves, every destructive agent and element would be employed to lay the oppressor low. Danger and death would hang over their heads day and night. Yes, the tyrants would meet with plagues more terrible than those of Pharaoh. But you are a patient people.

You act as though, you were made for the special use of these devils. You act as though your daughters were born to pamper the lusts of your masters and overseers. And worse than all, you tamely submit while your lords tear your wives from your embraces and defile them before your eyes. In the name of God, we ask you, are you men? Where is the blood of your fathers? Has it all run out of your veins? Awake, awake; millions of voices are calling you! Your dead fathers speak to you from their graves. Heaven, as with a voice of thunder, calls on you to arise from the dust."

VOTER QUALIFICATION?

The Gospel According To
Attorney Alton Maddox

“Any Negro that advise you to register to vote ain’t nothing but a traitor. That’s like advising me to go over to King’s County, to go in the emergency room and start cutting up people without a degree in surgery. You can’t ask people to vote and you ain’t given them a political education. You gotta first have a political education and second a political institution. Anybody that advise you in the absence of establishing both of them, ain’t nothing but a buck licking Uncle Tom for crackers!”

“You gotta have a level of intelligence, political intelligence when you go into a voting booth. If you don’t have that, you have no business in there. You gotta be qualified for that. Just cause the white man give you the vote, the mere fact he gave it to you, you ought to know it ain’t nothing. When has he ever given you anything that meant anything?”

SLAVES WITHOUT MASTERS

The Gospel According To
Attorney Alton Maddox

“We have to get out of this dream world and forget about this idea that we made progress. There is no progress. We are in the same condition we were 100 and some years ago before the emancipation proclamation. The only difference between us then and now is then we were slaves with masters and now we are slaves without masters. You don’t report to the big house every night, but your status is still that of un-freedom.”

THE SLAVE

The Gospel According To
Frederick Douglass

"A slave is someone who sits down and waits for someone to free them."

MAKE BETTER USE

The Gospel According To
President Paul Kagame

"We have become used to thinking about development as something we do with money or other means coming from outside our countries or continent. However we must continue to challenge ourselves, focusing on, and making better use of what we already possess or can mobilize locally - and there is plenty" ..

HEALING

The Gospel According To
Toni Morrison

"This is precisely the time when artist go to work. There is no time for despair, no time for self-pity, no need for silence, no room for fear. We speak, we write, we do language. That is how civilizations heal.

SHOOT THEM FOR WHAT?

The Gospel According To
Muhammad Ali

"My conscience won't let me go shoot my brother, or some darker people, or some poor hungry people in the mud for big, powerful America. And shoot them for what? They never called me nigger, they never lynched me, they didn't put no dogs on me, they didn't rob me of my nationality, rape and kill my mother and father. Shoot them for what? How can I shoot them poor people. Just take me to jail."

The Nubian Times NOT FOR BLACKS

The Gospel According To
James Baldwin

"In the US, violence and heroism have been made synonymous . . . except when it comes to Blacks."

PROGRESS?

The Gospel According To
Kiarre Cheatwood

"We gauge an advance or progress by how well the majority of our people are doing, not by how well a few are doing".

"The conditions of the rank & file of our people have not changed with the advent of Black elected officials... Blacks only get to certain political positions if they are no threat!"

MOMENT OF TRUTH

The Gospel According To
Dr. Marimba Ani

"This is perhaps our moment of truth. We must come together as a family. We must do all that we can do to uplift our people. Otherwise, we are still denying who we are and bringing dishonor to our "family name"; to our Ancestors."

"The answer to our social dilemma is the re-socialization of our people into the cultural value-system that affirms our spiritual being. Our Ancestors are calling us "home", back to our cultural selves. We must begin the process of Sankofa."

WHAT WE ARE SURROUNDED BY

The Gospel According To
President Robert Mugabe

"How do you convince the upcoming generation that education is the key to success when we are

surrounded by poor graduates and rich criminals"

EARTH ANGEL

The Gospel According To

Booty Adams

"Nobody removes knives from a
Black man's back, like a Black
woman. Better make sure you have
one, to keep yourself balanced or
you gonna suffer the
consequences."

THE SYSTEM REMAINS INTACT

The Gospel According To

Colin Kaepernick

"To me, it didn't really matter who
went in there, The system still
remains intact that oppresses
people of color."

SOVEREIGN EVOLUTION AND PAWNED SOVEREIGNTY

The Gospel According To

Ezrah Aharone

The Nubian Times

"Tyranny however can be a very peculiar and subjective creature, since "one man's tyranny can be another man's liberty." Hence, George Washington, who enslaved and tyrannized over 300 Africans is deified on Mt. Rushmore as a hero, while conversely, Nat Turner who fought against slavery's tyranny is demonized as a savage."

HERBALIST

The Gospel According To

Dr. Sebi

"Today the herbalist is not respected. Why? Because instead of him fine tuning his craft, he takes it upon himself to read books about herbs. Every herbalist in America is the victim of a book. Books adulterated with inconsistencies."

"Everything that God made is electrical. Why? Because we are electrical! When you take something that God made and you adulterate it with something that man made, the something that God made no longer works!"

WHAT GOD MADE, NOT HYBRIDS!

The Gospel According To

Dr. Sebi

"When God put people on Earth, he did not put diseased people. And God also put on Earth the things to eat that would not make you diseased, because those things exist today. Those things that you don't know about. Those things that were not taught to us in school. They exist today. Right outside the door they exist. The things that God made that do not make you sick."

"To be sick is to eat something that god did not make, You are a violator!"

Black WOMEN

VS.

White WOMEN

Submitted by Divine Ion1

Black women that think they are the same as White women have lost their African mind. They are dumb, stupid, mentally challenged, idiotic, loco, ignorant, full of it and a nut case. Black women are more than body parts, a brain, flesh and blood. Black women are not descended from the animal kingdom like White women are. Black women are the creators of the human family. White women are the creators of being who say they are descended from the ape and possibly lower life forms. That is what they say, not what I say. White women are trapped in their bodies and are nothing more than faces, body parts, maybe a brain, flesh, blood and maybe a thrill to any sex looking for a quickie. Legend has it that White women were created from a man's rib. That is what they write in their holy books. The major difference between Black women and white women is that Black women have **SPIRITUALITY!**

Spirituality is what sets the two apart. Black women have brought life to this planet for millions of years and have watched high-cultures rise and fall. Black women and their men are the creators of the first technology, the family. White women and their families have only been around for no more than 50,000 years at the most. Much of their existence is cloaked in mystery and we only have theories to tell us where they really came from. White women are not considered sacred in Caucasoid culture. They have been replaced with ghosts and if they get out of line, they are to be beaten, burned

and soon to be replaced by machines as the primary child bearer of life for Caucasoid peoples. White women have never civilized their men. Many of their men children prefer another man to the affection of a female of their species. White women's only choices are to turn to another female, be alone, bestiality, sex with their children or daily raids on domesticated beings for companionship.

“White women are the creators of beings who say they are descended from the ape and possibly lower life forms.”

The spirituality I write about in Black women is the ability to bring life to this dimension, yet remain the key to our journey to the next realm. Black women that have been domesticated are the only exceptions to the rule.

Domestication dulls and finally kills the senses. Domestication makes a few Black women immune to the problems of their people. The Black women that truly walk with the ancestors bring us truth, justice, righteousness and represent the “BIG PAY BACK”. Black women are spiritual being having a human experience. White women are females faking a human experience.

Nor will we focus on any particular person, location or time period. All we will try to do is bring you the best works we can find concerning our race-family across the planet. Ours is not a competition thang. We don't believe in capitalism at all costs. One of our goals is to bring members of our race-family closer together through awareness and consciousness. Once we are closer and aware of each other's differences and similarities, we are less likely to harm one another. Our planet is getting smaller all the time.

**WHAT YOU GET ME
FOR CHRISTMAS
NIGGRA?**

The Negroes Christmas List

Reprint by Sistah Nubia
Christmas was celebrated during slavery on the plantation. It was a custom generally observed throughout all the Southern states. Colored people were given a week of holiday at Christmas or the holiday was allowed to continue as long as the “Yule” log lasted. The male members of the race, and often the female members, were expected to get drunk. Colored people would

stop work the day before Christmas and you couldn't get anyone to perform any service from the time they stopped work until after the New Year. People who at other times did not use strong drink thought it was all right to bust a gut during the Christmas week. There was widespread laughter and joy going on. When the Master said it was a holiday and he wasn't working, the slaves weren't working either. For one week, no work from sun-up to sun-down. The Colored folk were happy and thanking Jesus for that week off!

The Colored folks made their small Christmas lists and gave gifts on the plantation. There wasn't much to give as a gift but a few pieces of sugarcane, flour and what little ration of supplies that was received for the month. The Colored people always took a small gift up to the "Big House" for the Master and his family showing their thanks for the week off.

It must have been pathetic to see Black people attempting to get joy out of the season; with the widespread poverty and oppressive conditions they suffered living on the plantation. After the fun was over, the pleading and begging for extra rations began. The Master's reply would always be "You Niggas used all your rations celebrating the White Man's holiday, now get your ass back to dem fields Niggas".

Christmas presently is still celebrated on the plantations of the United States, except Colored people are now Negroes. Living in post-slavery, now it is the custom of the boss (master) to give Negroes off a ½ day Christmas Eve, a whole day Christmas day and sometimes the day after Christmas. Damn, Negroes have lost 4 ½ vacation days since slavery. During the week of Christmas, Negroes are expected to

get pissy drunk, come to work drunk and not perform any productive work until after New Year's Day. The Negro, as during the time of slavery, is still laughing and cutting the fool and thanking Jesus for his or her couple of days off.

As when in slavery, after getting a couple days off, Negroes prepare to celebrate the holiday by making their Christmas list. The Negro receives wages (rations) for their labor so lots of gifts can be purchased.

At the top of the list is the White baby Jesus and his White family; a White Santa Claus ho-ho-ho-ing and a head bobbing, tail wagging, light-up reindeer out on the front lawn. If that ain't enough, up goes the red, the white and the blue waving over the white snow.

To show their continued gratitude and loyalty to their Master, the Negro shops from sun-up to sun-down, beginning the day after Thanksgiving until December 24. Negroes are so programmed with spending their wages (rations) for the holiday, they will fight anybody that gets in their way of celebrating Christmas properly. The female member of the race will spend all her wages (rations) and come looking for every member in the household's wages (rations) too! Negroes believe this crazed spending will impress the Master and any other Negro that buys into the fantasy. Diamonds, gold necklaces, gold teeth, DVD players, computers, big screen TVs, expensive tennis shoes, designer clothes, leather jackets, Barbie dolls, new cars, liquor and whatever useless junk they can buy, is on the Negroes Christmas list. The Negro will always take a gift up to the big house for the Master and his family. The Master's Christmas gift is the billions of

The Nubian Times

dollars he makes in 30 days from the Negroes Christmas list.

It is a pathetic sight to see Negroes attempting to get joy out of the season, since the masses of Black people still live in poverty and under oppressive conditions. Through it all Negroes continue to find a way to give gifts and celebrate the birth of the Master's Savior

Just like during slavery, when the fun is over, its time for begging and pleading for more wages (rations). Begging and pleading for more overtime (rations). Begging, pleading and praying for a big fat tax refund (rations). The Master's reply, "NEGROES GONNA BE MY NIGGERS FROM CRADLE TO GRAVE, JUST LIKE BACK IN THE DAY! WHAT YOU GET ME FOR CHRISTMAS NIGGRA?"

Europeans programming and propaganda makes Africans forget common sense.

The Arab slave trade lasted longer than the European slave trade.

White people spend more time on oppressing Black people, than Black people spend on liberating themselves.

Our Sistah Charlotte’s ancestry has been traced to a Moorish branch of the Portuguese
