DEMONS AMONG US / WHERE AM I? / WANNA BE DREAMS / FUN WORLD

DR. BO BO'S FUN WORLD LATEST RIDE THE TRUMP SHYT HOLE RYDE

Black people finally got what they wanted with the election of Donald Trump as President of the United States. Many feel they got the lesser of two evils, because Hillary Clinton was a white bytch witch who helped in the lynching and 3 strikes railroading of far too many Black people. They may not have voted for Mr. Trump, but Hillary wasn't much of an incentive for many Black men or Black women to get off their couches and leave their homes to vote.

But that's all beside the point. You have now entered:

DR. BO BO'S Fun World!

For standing or reciting the pledge of Allegiance to Mr. Trump, this ride is **FREE** for all Black people, Latinos, Hispanics, Moors, AA's,

QLGBTP's, Negroes, Negresses, Coloreds, Mixed, Republicans, Democrats, Majority Minorities

DR. BO BO'S FUN WORLD

and the homeless as well. Dr. Bo Bo does not discriminate or hesitate to **Make AMERICA GREAT AGAIN** and to please everybody for a minute, maybe two!

On this ride you will be **hand-cuffed** and transported up a sky scraper in your **birthday suit** and dropped off of the top. It's one of those **WATER SLIDE RIDES**, where people be slip-sliding away. Not to be confused with water boarding or skinny dipping, this ride is heap big fun, as you spin around every floor to hip-hop music, until you hit rock bottom.

On your way to the bottom, you'll have vampires, ghosts, demons, trolls, werewolves, lizard, cult and Frankenstein test-tube type creatures always grabbing and pulling on your face, legs and hands. If it comes out of the shyt holes of Europe, you'll be confronted with it. Not to mention the temperature. This ride is always cold, damp and foggy all the way to the bottom. This ride is run by serfs, Smurfs and indentured servants. Dr. Bo Bo don't believe in slavery.

Now to get on this ride, you don't have to worry about a voter's card. Dr. Bo Bo has licensed, college educated peons taking blood samples for the federal DNA records. This ride is for anyone 12 or above willing to wear a safety, yellow helmet. All riders do have to sign a waiver and a disclaimer. Dr. Bo Bo has a clear cut don't start no shyt, won't be no shyt, in his Trump Shyt Hole Ryde!

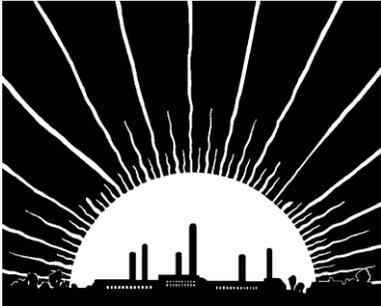

Once you hit the bottom, and you will hit the bottom, Dr. Bo Bo has FEMA agents to direct you to their camps for "consultations" and "evaluations". Those diagnosed with **Yapping Sickness** will be detained indefinitely if necessary. Dr. Bo Bo guarantees the safety of all **PARTIES** involved, be they Conservative, Liberal, Middle-Class or pretend Middle-Class. That's what the DNA testing is all about. If anyone gets hurt, peasants, serfs and indentured servants will identify and contact your next of kin properly.

2

Dr. Bo Bo is good friends with both Donald trump and Hillary Clinton. Don't get it twisted! Ryde or Dye!

A few previous rides are listed later, that are still in full effect! Enjoy!

EUROPEAN FACTS

SUB-URBAN MYTHS?

Believe it or not!

Slave holders in the United States and Britain became some of the richest men in the world.

White scientists believe that nothing travels faster than the speed of light.

The United States is a dope-sick nation.

India has the highest number of working, exploited, abused, trafficked and enslaved children on planet Earth.

White American men are a bigger domestic terrorist threat than Muslin foreigners.

Spain had the highest percentage of AIDS cases in the world.

Ten of thousands of members of a racist legion operate openly in every corner of the United States- men, women, juveniles, extended families, cells, gangs, churches, clans, militias, border armies, all engaged in what they consider to be a war to the death against non-white America.

White men generally kill themselves with fire arms.

For 200 years, slavery was the most powerful engine that drove the British Empire.

Britain had quite a few White women slave owners, most of which had inherited their slaves and mixed race children.

White women have a wider pelvic inlet, wider outlet, and shallower anteroposterior outlet than African-American women. In addition, after vaginal delivery, white women demonstrate less pelvic floor mobility. These differences may contribute to observed racial differences in obstetric outcomes and to the development of pelvic floor disorders.

The Caucasian man is a mirror image of the Caucasian woman. Neither one is complete without the other as far as material possession and destructive mannerisms.

China has nuclear powered aircraft carriers, the ultimate naval weapon. The only other countries with such are the U.S. and France.

Europeans call two parties of the same sex masturbating each other a life style.

THANK YOU

Dido

My tea's gone cold, I'm wondering why
I got out of bed at all
The morning rain clouds up my window
And I can't see at all
And even if I could, it'd all be grey
But your picture on my wall
It reminds me that it's not so bad
It's not so bad

MY NIGGERS

President Lyndon Johnson

"These Negroes, they're getting pretty uppity these days and that's a problem for us since thry'vr got something now they've never had before, the political power to back up their uppityness. Now we've got to do something about this. We've got to give them a little something, just enough to quiet them down, not enough to make a difference."

200 YEAR PLAN

President Lyndon Johnson

"I'll have those niggers voting Democrat for the next 200 years!"

SOMEBODY TO LOVE

Queen

"Can anybody find me somebody to love?
Ooh, each morning I get up I die a little
Can barely stand on my feet
(Take a look at yourself) Take a look in the mirror and cry (and cry)
Lord, what you're doing to me (yeah yeah)
I have spent all my years in believing you
But I just can't get no relief, Lord!
Somebody (somebody) ooh somebody (somebody)
Can anybody find me somebody to love?"

Texas and Alaska have seriously thought about succeeding from the United States. States that want to succeed from the Union and the Constitution are prone to want to make their own laws, without outside government interference.

People without melanin in their skin will find it more and more difficult to remain on the surface of the Earth.

European accounting can easily turn humans into property with the stroke of a pen.

The compensation of British slave owners for their slaves, after slavery was abolished, was the largest bail-out in the history of the British Empire. The slave got nothing. Slavery was only abolished when slave owners with proof of property, agreed to being compensated for their slaves

Caucasians think that if you don't love them, you are not human.

Many of the lynchings done by Europeans to Afrikans in the United States were not lynchings at all, but cooking's, a European style barbecue. The Caucasians dressed up and brought their blankets. They had music. A Black person was cooked on the spot and little pieces were cut off, especially for the white women. They were all involved. The sexual organs were considered a delicacy.

On record, Britain once had 46,000 slave owners and over 800,000 slaves. English names were used to label their slave property.

Working on slave plantations, some Africans had a life expectancy of only 7 years.

China has an unmanned, stealth style fighter jet named DARK SWORD. A supersonic fighter drone.

White women set the tone for the European environment and all those that Europeans dominate.

THE FIRST TIME EVER I SAW YOUR FACE

Roberta Flack

The first time ever I saw your face

I thought the sun rose in your eyes

And the moon and the stars were the gifts you gave

To the dark and the endless skies, my love

To the dark and the endless skies

THE BIGGEST MAN

Tommy Hunt

Oh, Once upon a lovely time,

A mountain was a hill to climb

A river was a tiny stream

Where I would sit beside and dream

Oh the girl that I love so

It may be growing, growing, growing, growing, growing though

Till I became the biggest man in the world

Ironically their lack of sexual function did not prevent them from obtaining privileges such as working as Harem guards and palace courtiers."

CRACK HEAD NEWS

THERE ARE DEMONS AMONGST US SHAWTY!

EDITION

The HUMAN RACE is a RACE stupid! Most knuckleheads seem to

The Nubian Times

want to always say the term, but ignore the word "RACE" They just don't want to have to pick a team that they have to fight for.

Black GrapeVine news- Why is it that people who have been "SAVED", have to keep putting money in somebody else's "SAVINGS" account?

Moor Wigga news- For every Black feminist saying that they are "God", White feminist are laughing their asses off. Black feminist don't seem to realize that White feminist think that the White woman is "God". White feminist's goal, in the system of White Supremacy is to make sure their reality stays on solid ground, continues into the far future and is never considered wishful thinking. Two queens cannot occupy the same space at the same time. .

Negroes always believed that someday, they too would become Americans. Imagine that! Negroes only become Americans when White people have a need for their labor, talents or an affinity for hating their own kind. Working Negroes and Negresses have often been compared to mercenaries.

During slavery, slave holders would have one slave defecate (shyt) in the face and mouth of another slave as punishment, while other slaves watched helplessly. The wicked slave masters used cruel and unusual punishment to keep their human property fearful, terrorized and in order. The sodomizing of men, women and children was also a form or corporal punishment performed and viewed but whomever the slave owner so desired.

Lions, mostly nocturnal hunters, are the most social of all cats.

The U.S. Civil War, could have possibly been avoided, if the U.S. government would have compensated slave holders for the

6

lost of slaves as property, such as the British government did to its slave holders, when slavery was abolished. Slaves in either country were not compensated for anything when slavery was abolished.

There are more than 45,000 Chinese restaurants in the U.S. Most were established and motivated by racist laws, xenophobia and white imperialism.

Ministers, both male and female, are instructed to treat their flock like sheep.

The world's largest predatory fish is the Great White shark.

The British created the West Indies as a title for a land mass. . Everybody they saw there was Black, except for invaders.

Black GrapeVine news- Black and White doing anything together, besides working together for somebody else, is a new paradigm that Black people will never grow accustomed to. Black people may become tolerant of such, but never accept these relations as a social norm.

Indentured servants were never considered property.

European homosexuals have an affinity for dogs and other animals, but could care less about the human family.

Slavery was a capital investment, which required a profit, which enriched descendants for generations.

What group do you belong to that Color-less beings cannot be members of? How about the human race Yo?

Do you stare at TV for hours and hours and hours Yo? That's not healing, but more like dying a slow death Shawty. You better get a life or you will surely lose your soul Yo.

Wigga news- Colorless people will exploit "the law" to justify their racism, desires for empire and LAND GRABS.

Married people that want to stay married, don't put their business in the streets.

The average life expectancy of a professional athlete is 54 years.

Did you know? - 95% of the Negroes in the United States, after reaching age 40, either still believe there is a Santa Claus or that they are Santa Claus. Some even claim to be his servant or helper. Know thyself and you won't have to be someone or something out of somebody White's imagination.

Hey Yo, you've got talent! So my crew will give you room, board and provide entertainment for a little something something. Just get your parents to sign here. In return, my old boy and old gal crew will divide up millions and millions of green paper for using your talent and likeness. If you work hard, we'll make sure you get a white piece of paper when you are done.

Wigga news- For the overwhelming majority of Caucasians, imagination, fairy tales and fabricated, political falsehoods are a strange reality. A.K.A. theories!

No Shyt Sherlock news- In the current criminal justice system, the difference between sitting in jail or not is based on how much money you have. The current system is not blind to who you are in terms of

The Nubian Times

your financial wealth. No shyt Sherlock!

When male lions are not around, lionesses and lion cubs are intimidated by hyenas. Male lions won't hesitate to kill a hyena.

Military personal have been committing suicide all doing the Obama and Trump administrations. When are those suicides going to end?

Back in da day it was "Orange Is the new Black". Then "Gay is the new Black". Remember "Black on Black Violence". In the midst of all this confusion, don't be surprised if White men get minority grants or reparations. Whatever!

Black leaders make a lot of mistakes. They are not perfect, but who is that is living? If you think you are perfect...step up to the plate Shawty. Let's see how you handle criticism and defamation of character Yo. Hopefully you can afford some body guards or a good place to hide, with all the mistakes you would make. There is a big difference between Black leadership and negro leadership. Black leadership makes honest mistakes.

Is there any such thing as "paying your debt to society" in the Americas?

Slavery in the U.S. was based on torture, terror and suffering for those enslaved and profit for the slave holders and embedded into whatever society these slavers lived in.

The criminal justice system does not access your risk to your community when in a cash bail system.

Hollyweird is producing more and more movies showing White girls licensed for brutality and killing. They want White girls to be able to bust a cap in an ass, but they don't

want Black women assimilated to that.

At 200 miles per hour, the falcon is the fastest animal on planet earth.

Moor Wigga news- White Liberals and White Conservatives can attend the same Christian churches and perhaps the same Jewish synagogues.

Can one love a person that is trying to keep one in their place? A place that society says one is supposed to be in?

Jaguars are the only big cats we know of, that will prey on a small crocodile, kill it and eat it.

Moor Wigga news- Colorless people had no problem turning human into property. Economic values were placed on slaves.

The biggest criticizers of women are usually other women.

The cheetah is the fastest animal on land.

Married men and women, for the most part, don't dress like unmarried males and females.

**What we have here is a
NEW FORM OF SLAVERY?**

Capitalistic colleges and universities need Black youth from oppressed communities to make billions of dollars for themselves and a host of thousands of white people, within the latest version of the good old boy and girl networks

of entertainment and gambling. In exchange for their talents, these colleges and universities offer Black youth room and board and a chance to get a white piece of paper in a racist society. Sounds like a new form of slavery to me Yo!

We have a dream that one day Black adults, both males and females, will someday reserve the right to defend themselves from people that are terrorizing and oppressing them. We have a dream!

FEMA states that every American should have at least 72 hours of non-perishable food and water on hand in case of a natural disaster

If one has a strong enough telescope, shouldn't one be able to still see the U.S. flag on the moon?

A slave belongs to his or her master for the rest of their life.

The 13th Amendment allows people to be put into forced labor as a form of punishment for being convicted of a "crime". These slave inmates can then be used to build walls, roads, put out fires and whatever a State allows or desires. Sounds like a new form of slavery to me Yo!

Racism was built out of hatred and self-interest!

China and Russia combined couldn't win a war, without nuclear weapons, against the military might of the United States. The resulting loss of life would be devastating to all parties involved.

The only time that White women call Black women their sisters is when they need some volunteer workers for whatever agenda they have in mind or some white get rich quick scheme. Don't get it twisted.

An African crocodile can survive without food and fresh water for up to a year.

The Nubian Times

Black GrapeVine news- The Original people of Australia are Black and have been forced to live on Reservations. Now, the racist government of Australia wants to turn these Reservations into a series of Uranium mines and nuclear waste dumps. The Black people would be cheap labor for the mines and their children would be born and housed in the nuclear waste. The White man is a BYTCH!

Every Black person is not your friend or enemy Shawty. Relationships have to be built in order for us to unite on any type of common ground outside of church, school and other people's political parties.

Humans may hurt and even kill each other, but human do not place each other in dungeons, steel cages and shackles. Read King James' other book on Demonology.

The Nubian Times

There was no prostitution in Afrika before the coming of the White man and his religious philosophy

. All African people come from the womb. None ever came from a rib.

Black people show their continental unity by wearing earrings, necklaces and ornaments of the Motherland continent. We are the only group on the planet that shows such continental unity without fear of retribution.

Black on Black violence went off the charts when Blacks couldn't stop White on Black violence.

Our ancestors live as long as we have a Black racial consciousness. They are our main strength because they are our connection to the Creator.

In the United States, Black children are not being taught correct history so that their potential will be forever shattered and destroyed. If our children's history & consciousness is manipulated, they will never challenge how they are being controlled.

The overwhelming majority of Black men do not want White women no matter what you see on television.

Black people are walking units of electro-magnetic consciousness that need energy from plant based foods.

Afrikans are the only people that come from the land and have lived on that land for millions of years. All other groups are not the original occupants of where they are. They came from someplace else to get where they are, but Afrikans are only from Afrika.

You are so tossed and turned, whipped and dipped that you haven't a clue what gender you are anymore. If you got yourself straight, you don't get on this ride, but if you feelin' freaky, you ride this joint to death. Vendors with cameras and video cams are standing by to catch all the action. The plantation is when and where Caucasians monitor your arrival, your phone time, your break time, your bathroom time, your sit-down time, your stand-up time, your how much space you occupy time, your talk time, your over time and your departure time.

Caucasians control your eat time, where you eat and maybe what you eat. They also monitor whether you make enough money to eat, drink or be merry. They monitor your grooming time, you better appear & dress like this time, your snatch time and your bitch time. They even monitor your time-out. The boss-master decides how much

The Nubian Times

vacation-time you get and the boss of the boss decides if you qualify to have sick-time. "You fired" means they monitor your whip appeal time too. OOPS! They control your "Let's Chill" time too Boo.

Caucasians control your time in the game, your time in the saddle or whether you spend your time riding the pine, because they control SHOWTIME. They control how much playtime y'all playas get and they also control the pout time of the playa haters. They also control your Goddamn time, because they control your Jesus and your Allah time. You dig...time is running out Yo. Caucasians control yo time as a gangster and the time they be real gangster on yo azz Boo. Who you? It's time for a change. You need to get some time for Yo SELF.

Crackers down wit the jail time, just like it was yo time to cry or time for yo to get bail or a time to give up and out to die. No time for jokin'. The whole world thinks u a clown on lock-down.

Well, now is the time to reflect on yo lifetime and not spend so much time messin' around. It is reality time. You do not have much time left to be phony. There is no time like the present for Black time, except if you are too high and ego trippin'!

Do you have the time to give some time to your people or will you let time pass you buy with life on the plantation? Does the nation you belong to have an army? Make it nation time on your mind. Times Out! Stay alert, strong & conscious.

Excerpts taken from his up and coming book of the same title.

Lesson 1) The Negro is to be governed only by a member of the so-called white race, with no deliberation as to morals, self or family. Should you see a color-less man or woman coming, pretend to scratch where you don't itch. Never look your superior in the eye.

Lesson 2) If you find yourself surrounded by a bunch of white devils, either become a bytch real fast or prepare to meet your maker. A Buffalo soldier that knows he is a bytch should not act as if he or she is more than a bitch.

Lesson 3) When the enemy kicks in your door, give up the Booty without a fight. The enemy will assume you will have submitted to their will and leave you alone, perhaps dropping their guard for awhile.

Lesson 4) Don't look your children in the face when explaining your relationship with your oppressor. Your children won't really know what you are talking about and you will have succeeded in keeping them ignorant and dumb. Always talk about some obscure education, as if you really want them to be intelligent.

Lesson 5) You must learn how to dance, sing, rap, strip-tease, or scratch where you don't itch when you are confronted by a superior being. A skillful Negro, Buffalo soldier must learn to be humble to stop from getting their feelings hurt.

Lesson 6) A punk-azz compromiser should stay in politics and hide when it comes to real warfare. This is called being the conquered foe to achieve rations and table scraps from your master.

Lesson 7) Be sensitive to all white male faggot, white female faggot

and white pedophile movements. They too want to have a foot to your neck. He, she or it will also take care and provide for you if you are obedient and acceptable of he, she or it's ways. Blessed is the punk that stays on his knees, only when postulating will the faggots have mercy on your weak azz.

Lesson 8) Always remember that you will always be a Negro as long as you let punk-azz white boyz out do you in any aspect of life.

Lesson 9) Make sure that others like you are broken without resistance or minimal resistance. You will be rewarded with leftovers and a pat on the head.

Lesson 10) Always remain on the defensive. Never be assertive or aggressive. Someone might think you are more than a whipped beast. Maybe even a feeling human being.
