## BLACK FACTS

**All knowledge is rooted in reality.**

By human aging, Africa is the youngest continent, with 6 out of every 10 humans under the age of 25.

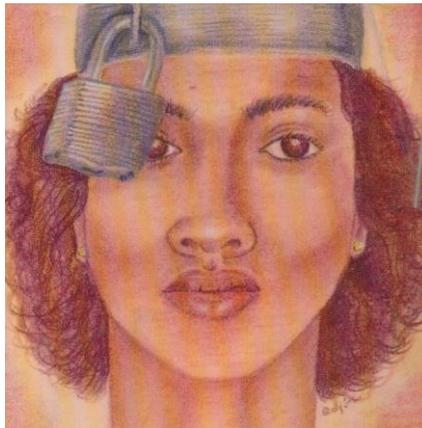

Ancient Black civilizations inhabited our planet much longer than mainstream scientists are willing to accept.

More Blacks fought with the British than on the side of the Colonist- 25,000 former slaves departed the U.S. with the British army in 1781-83.

In every country where Black men and women do the hardest and most dangerous work for the lowest wages under the most terrible conditions imposed upon them by the imperialists, we see the vast majority of the Negro middle-class leaders, lawyers, preachers, doctors, and politicians, deserting the workers and unemployed toiling masses and going over most brazenly into the camp of the white capitalists and landlords. This includes the United States.

Kemet (ancient Egypt) is the richest source of archeological treasure on the planet.

Lion.

At one time Barbados was the leading Jewish colony of the world before England drove them out.

The Aztec Empire was wiped out by Spanish invaders with weapons of mass destruction, the element of surprise and the many deadly diseases Europeans carried and spread.

Before the area now known as China existed, Black thrived in that area.

When slavery ended in the United States, over 5 million Black people were still slaves. They were set free

with nothing. No land and no opportunities.

Africans at home and abroad need to remember themselves. Invaders and colonizers have so weakened the Mother Land.

Hitler weakened European Imperialism. He weakened the British, the French, the Portuguese, Belgium. That is one of the main reasons how colonized Africans got independence.

All foreigners on African soil are only interested in wealth.

Black people continue to have no economic stake in America.

In the United States Blacks politicize around Blackness, color and culture, while Hispanics politicize around language and nationality, but not color. Black Latinos must be the bridges that bring these two groups closer together. We all must overcome differing brands of racism.

The Black people that got caught up in **chattel slavery** had no right to life.

Some of the earliest works in hieroglyphs (Medu Neter) were created by the Nubians. Wherever you find large numbers of independent Black people, you find advanced communication, transportation, political systems, art, economics, spirituality, and social structure.

European imperialism destroyed Africa's self-sufficiency, imagination, and increased dependence on colonial powers.

## 2

Africans always have the spirit of exploration on this planet but lack the spirit to colonized others, especially those that are human.

Barbary pirates mostly operated out of North Africa and frequently enslaved Europeans.

Diasporan Africans are increasingly giving their children African names.

Fortunes were made in the Americas by white settlers selling off Native Black women and children.

Queen Khalifia ruled the Peninsula of California and much of the Pacific Islands.

Non-Africans do not think like Africans.

Africans always knew that Caucasians were more animal than anything else.

Around the end of the twentieth century, not long after slavery, Africans in America started allowing their children to dress like freaks, whores, and prostitutes.

There was a partnership in East Africa between the Portuguese slave traders and the Arab slave traders.

No country in Africa was built on slavery.

White people in Namibia, mostly Afrikaners & Germans, makeup approximately 6% of the population but own half the land.

Africans cannot plot a future for themselves based on someone else's history or someone else's interpretation of Afrikan history.

Africa is the most culturally diverse place on Earth.

**80 to 90%** of African men enslaved by Arabs were castrated to become eunuchs.

Kemet is the home of the longest civilization in the ancient world, with over 2,000 languages.

All you do is settle for the path of least resistance. You try and run away from yourself!

You are about to pass-out if a Black person doesn't use "correct" King's English, but look at all kinds of advertisements, commercials like "I'm Lovin' It" or "Eat Mor Chikin" and laugh your azz off. Eat More Chikin Negro!

You can't taste the difference between pumpkin pie and sweet potato pie.

You don't think pregnant, Black women are beautiful carrying Black life. If you ain't a Negro, then you are a demonic soul.

You get mad every time somebody tries to break away from the mundane B.S. you find yourself trapped in. You are a HATER for sure Negro!

You get high off your own supply! BIG DUMMY!

You like "soft", non-trouble-making, male and female politicians to represent you. You want to remain in a soft state of "CONTROLLED FREEDOM".

You consider a White education and information holy and infallible. You only challenge Black educators.

After 400 years of fighting the systemic and institutionalized racist mindset, you don't invest in your children. You only feed your babies steady doses of junk and other group's BS.

Your mind shuts down every time White people kill

somebody, including your children. You have selective social amnesia partna!

The only skill you have is rap, hip-hopping, or pole dancing. Street-life, trap houses, and strip joints are the only life you know and you think everybody in your 'hood and the world is the same. Pick up a book Negro! In your condition any book. Nobody is going to pay a broke-ass anything, just because they got Nike, Reeboks, Timberlands, Bloody-Shoes, or golden-slippers on.

You're over 20, got paid, and make a special trip to the mall to get some candy corn.

You let white propaganda turn you against eating natural, watermelon with seeds, which is great fruit in the fight against diabetes.

You are a Black woman constantly singing that you are a WRETCH that needs saving. Who is supposed to respect a wretch Negress?

You want Black people to support your weird, sex-style bull-shyt!

You are more married to your corporate job than anybody or anything else. You suffer from spiritual and cultural subjugation Shawty!.

You think racism ended when you got a job. Nothing could be further from the truth Yo!

You are being educated to solve White people's problems and not your own people's problems Negro. You will forever ever be a CERTIFIED NEGRO UNDER

## The Nubian Times

CONTRACT. You are worried more about if White people can tolerate you than anything else.

You will be taught to try to only survive with dependency on a racist system and only make preparations for the next lifetime. You have it in your mind you should have a Master or a Mistress in this lifetime too.

You are feeble-minded and stay hypnotized by drama, TV commercials, comedies, click-bait, and cartoons for life.

You wanna be just like White folks, but you wanna skip the Cave Man and Red Neck stages and move right into their Middle Class

Somebody has convinced you a GREAT WHITE DADDY is waiting on you if you be good. That's surely a learned behavior.

Nobody can light or spark your darkness!

You think all there is to life is FUN and no responsibility. You are still a child Negro. That's why we have a shortage of adults.

You think your ancestors like scratching where they didn't itch, shucking and jiving. You dead wrong Negro. So stop it!

You think you one of those Black people that didn't come to the Americas on a slave ship. You think you rode alongside on a cruise ship or you think you smoked a peace pipe with Andrew Jackson's soldiers. What's your family name Shawty?

# 4

You try to shame Black people to buy into some bullshit! You reap what you sow dummy!

You know you live in a horrific, racist society, but you keep on making dumb ass decisions.

You believe it's kosher to have a bunch of slavers and rapist on your money and currency.

Because you have nobody, you stubbornly want everybody else to be bitter, alone, and to burn in their relationships.

You talk about no justice, no peace, but when there is no justice; you are somewhere hiding in a closet smoking a peace pipe.

You don't contribute to a Black business, because some knucklehead says other Black folks can't be trusted, but you surely contribute to white businesses. You are confused and have been double-crossed Yo!

You don't consider yourself a part of the global Black community. You ain't loyal to no one that looks like you

You let somebody cut off the sunshine in your heart!

what you gotta do! If we Crack on you, ain't nothin' personal ya big-headed BAMA

Children born into slavery can be easily brain-washed.

Black GrapeVine news- When you have European masters, one has to look the part. You have to speak their language and look like a servant with no culture of your own.

War is when you compel people to make a choice they wouldn't ordinarily make.

Don't confuse Chattel Slavery with Indentured Servitude.

Africa needs to find ways to survive without tourism or by keeping tourism at a minimum.

Iroquois is a French name. Nobody in the Americas called their people Iroquois until Europeans came to Turtle Island.

Never forget that **Foundational Blacks** in the Americas have always had Political Prisoners and P.O.W's. (Prisoners of War), Never forget that brothers and sisters have been locked up and locked away fighting for your rights to live.

Black GrapeVine news- Cops carry guns to protect themselves, not you.

If somebody Black had come up with the logo, "EAT MOR CHIKIN", Negroes would be having a shyt fit because of grammar. Instead, they can't wait to run and eat MOR Chikin, Popeyes', or Kentucky Fried Chikin!

A picture can say a thousand words or fool you 10,000 times.

AIDS ain't went nowhere!

The Chinese don't allow outsiders into their ancient past, much the same as Europeans do with their ancient past. But like Europeans,

## 5

the Chinese are all up in everybody else's Kool-Aid.

All slave ships were followed by sharks. Any kidnapped African that couldn't survive the journey was just thrown overboard.

. The Black child is not a White child who happens to be Black.

Lions do not eat alongside hyenas.

Are Cardi B and Megan Thee Stallion updated versions of the popular female hip-hop grouping Salt N Pepa? Even pretty faces have to scrape out a living in the American cesspool.

Opioids ain't went nowhere.

Black GrapeVine news- some people's pineal glands are so calcified that the reptilian brain is all they have to rely on for consciousness and behavior.

Many of the cold-blooded murders of Black people in the United States, which we are recently witnessing, are ritual sacrifices, made to make Black people fearful and discouraged.

Wigga news- What people are currently calling **FEMINISM** is actually White Girl magic! Who gives a shyt who finances it? Just know what's up!

Stick-up boys ain't went nowhere!

Slave women give birth to children born into captivity, which then can be raised as big, strong working slaves.

Black GrapeVine news-Contact with Europeans has altered Black thought.

### XANADU

Anybody can make a baby, but you need a license to go fishing! Lol

Narcotics ain't went nowhere Shortie.

The way Europeans give out theories, they will say that their leaders were buried in their skyscrapers, where death rituals were performed. That's what racists do! Truth Be Told!

Color-less people born in Africa are still Europeans.

Christians are not a race. Democrats and Republicans are not races. You reap what you sow Shawty!

The best way to take down a dynasty or empire is to kill their young.

The disruption of the Black family started in slavery. It ain't start last week, last year, or in the last century.

White men are the overwhelming majority of serial and spree killers. But the most prolific serial killer to date is **Samuel Little** (Black), with over 90 suspected murders to his credit. That dude got integrated too well into the ways of white folks.

### UNITED KINGDOM / UNITED STATES

The bank is the center of the White community. The church is the center of the Black community. Well, it was. Now TV is the center of the Black community. We are locked up and in. Many a Black church takes but gives nothing back to their community in the here and now. At least TV makes you laugh at yourself.

Without a King, the family is weak. Without a Queen, the family is weaker still. For a family to function properly according to our traditions and culture, men and women have to cooperate. The family is not a comedic creation. Stop playing!

Cancer ain't gone nowhere!

Latinos are not a race.

## The Nubian Times

Black GrapeVine news- The decade of the '70s was the decade of making the Black man economically irrelevant to the Black family. The Black woman out-earned and out educated her mate. The pendulum swung and many Black males make conscious decisions to get into gaiety and leave manhood. It's nothing to see gay men, in dresses or without dresses, plastered all over modern TV screens. That ain't funny Shawty. The Black family will suffer from it.

The only reason immigrants come to America is for opportunity and wealth, not afforded them in their home countries. They are not crossing borders to help anybody already in the U.S.

Before you say that you are part "Indian", make sure your kith and kin weren't a slave to "Indians"

If a slaver sold just one of his female slave children to a brothel of forced prostitution, he made \$2,500 or 20 years pay. This made the mass raping and selling of kidnapped Afrikan women fun and lucrative. Though few Southerners owned slaves, they approved of this behavior so they all could "get their Freak on" with Black women.

Keep away from Black churches and temples that take, but give nothing back to the community. We all have to live in the here and now before we fly off to another realm.

Drug trafficking is about laundering money!

In the United States, White people will pass for Indian, Chinese, Black, Jewish, gay, or whatever if

## 6

they think they can get benefits from the government.

**Diabetes ain't went nowhere!**

If all the Black people that went to college, the university, or got a higher education were dedicated to their community and their people, Black people wouldn't have any problems worth mentioning. It may not be time to get rid of the "N" word. Do grown-ups ever feel betrayed or is this the norm?

The United States has more tornados (twisters) than any other country.

If you can't trust your family, what do you think people that are not your family will do to you? Don't get it twisted!

Wigga news- White people don't have a clue of what it feels like to be owned.

### SHIMAO

The media does not control reality, it controls perception.

Chattel slavery was **long term**, demonic thinking by color-less people. Any Africans that did participate in slavery weren't long term thinkers. That's just why Europeans came back upon them and colonized their land.

**Meth ain't went nowhere!**

Wigga news- Every time Europeans find human skeletons in any ancient Black empire, they swear they were ritual sacrifices.

When the British left Africa, they took all slavery records with them and destroyed them.

**Chattel slavery** is a form of **Human Domestication**.

Europeans use "holy books" to erroneously place themselves into the ancient Black world.

Alcoholics are a menace to family & friends, a menace to the

community, and a menace to society. More of a menace than a Crack Head, because alcohol is legal and the retarded members of their community don't have a clue that alcohol is dangerous at all. The government wouldn't allow weapons of mass destruction in your community, would they?

**Beauty** often masks weakness, but not always. Someone beautiful can kick ass and take names too.

Color-less being get away with the murder of Black people, more than 50% of the time.

**Moor Black Grapevine news-** Black people have an estimated 2 million college-educated people with Master's and Doctorate degrees ...unemployed. Nobody considers them as skilled workers.

In the USA, being miseducated, politically unsophisticated, and poorly informed of Our-story, our experiences and our civilizations is a state of **BLISS** for African Descended people.

Just because you can read and write, have a degree, a certificate or talk like a white preppy, don't think you can't be pulled over and murdered just for being Black.

There is a shortage of Black players in professional baseball. Could mean some opportunities for Black children with skills that can get involved!

### TURTLE LORDS

**High blood pressure ain't went nowhere Yo!**

**More war** is coming and young people will die. Just remember you reap what you sow. Somebody is going to pay for your stupidity.

**Most** of your modern-day leaders, male or female, have no problem sending men, women, or children to their deaths. Those slaughtered serve as ritual sacrifices.

## The Nubian Times

To win the long Game, it takes brains. We want to win the long Game. Stop Playing and Stop Clowning!

**Once** a slaver received 5 years of free labor from a slave, the slave was considered paid for and everything else was just gravy and straight-up profit on their investment.

**Modern Americans** are building a social labyrinth for themselves. They continue to use Black people as mercenaries with little to no benefits.

**MOREESE BICKHAM LIVES, GEORGE STINNEY JR. LIVES, RANCE ALLEN LIVES, KATHERINE JOHNSON LIVES, THOMAS JEFFERSON BYRD LIVES, JOHNNY NASH LIVES, TOOTS HIBBERT LIVES, GALE SAYERS LIVES, PAMELA HUTCHINSON LIVES, JACKIE ROBINSON LIVES, DR. PATRICIA NEWTON LIVES, and MAURICE BISHOP LIVES!**

Color-less beings think that human beings are species to be studied and controlled.

**Hyenas** are afraid of male lions, but not female lions. Hyenas will take the food, cubs (all the shy) of any female lion that is not protected. The **PRIDE!**

If Negroes don't include Black youth in their economic schemes, the youth will continue with their group activities, oftentimes referred to as gangs. If you forget about them, they will surely forget about you.

**Jews** are not a race.

DNA tests don't take into consideration colonization and slavery on the African continent.

Molly ain't went nowhere!

**Wigga news-** For the first few hundred years of slavery, plantation ledgers weren't recorded. Records didn't come into full effect until abolitionists got in their asses! Even then, plantation owners left very few trails of discoverable truth. They didn't want outside White people all up in their business. Keeping public records, at times, held no economic advantage to men and women slave owners.

If you elect people that do you wrong and don't give a rat's ass about you, you can't sit on any high horse and look down on people Shawty! Don't even try it. Stop frontin'. You're the one who fucked us up!

## YOU CAN'T RUN FROM THE TRUTH FOR LONG YO!

I don't like having a White Boy as President, Commander, Governor, Mayor, or Savior YO! If you do, you are the deranged one!

I repeat...Systemic Racism is Organized Crime!

If all Black folks had college degrees, would most of us still be voting and working for white folks? Probably! We are still damaged goods.

If some big-headed Black dude created mutant albinos (color-less

beings) in a laboratory, I surely hope the dude got capital punishment. The dude surely committed a crime against humanity and deserves to be put an end to.

Conscious Black people across the planet, live to see our children take life to another level, whatever the situation or whatever the condition.

You don't buy law and order, you fight for it. You don't vote for it either unless you are prepared to shed blood.

Adults are just children that have acquired wisdom as they grow older. We have a shortage of adults and an even larger shortage of elders.

**Black Grapevine news-** White men and women colonizers and slavers did not consider Black people as human beings. Those Black people that want to return the favor and not see White people as human beings, but demons, are told to forget and forgive. No matter how hard they try, white people can't erase their inhuman behaviors. What goes around comes around partner!

Should Black dudes that marry white girls, take on her family's last name?

Learn what a social construct is Shawty. Then look to see exactly who or what is doing all the construction!

Many Africans did participate in the kidnapping of African people, with transference to European chattel slavers. Africans who participated had no idea they were contributing to chattel slavery, which would last for hundreds of years and many generations to come. Little did these African contributors know, that the same Europeans would come back and colonize them as well.

## The Nubian Times

The world's sex, slave, and organ traffickers need to be tracked down and dealt with.

### PLANTATION CAPITALISM

Humans don't use sex and sex workers for manipulation, scheming, planning, and control. Demons do!

**Black GrapeVine news-** There is a group of well-connected Black preachers telling Black women that their boyfriend is some blue-eyed, dirty blond White boy and if they humble themselves when they die they can walk around heaven in golden slippers with that White boy. The White boy is their lord and savior because Black women are wicked and sinful. What up? Somebody is being made a fool of.

If somebody can just come in and destroy you or lock you up, you are not powerful.

Suffering turns innocence into savagery!

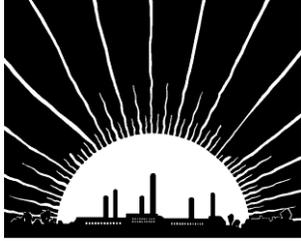

### TEMPLO MAYOR

The new millenniums Black dream...Black people are going to bring justice to the planet without an army...Nygga please! Stop playing!

The Black children of White slavers were not called sons and daughters. They were property to be counted and measured for economic enhancement. The next time you have a family reunion, don't forget to invite some of your long lost White siblings. With the wealth they've been handed down, they just might give your children or grandchildren a job!

**Moor Wigga news-** When one has European masters, one has to look the part. If you don't look the part, you damn sure better act the part and know your place Shawty!

## EUROPEANS FACTS

European rats, most commonly called Norway rats, reached North America with Caucasians on the ships of the new settlers in the 15<sup>th</sup> and 16<sup>th</sup> centuries. Today, Norway rats have almost completely replaced black rats in America, where black rats are now rare or absent in much of their former range. In contrast, in tropical zones black rats have the edge and are more common than Norway rats.

The U.S. has maintained an average of at least 2 million Black men, women, and children incarcerated in their institutions for the past 3 decades.

The ancient Romans thought the world was flat.

Europeans are more likely to be cannibals than any other group on planet Earth.

## The Nubian Times

Never settle for the path of least resistance

Livin' might mean takin' chances, but they're worth takin'

Lovin' might be a mistake, but it's worth makin'

Don't let some Hell-bent heart leave you bitter

When you come close to sellin' out, reconsider

Give the heavens above more than just a passing glance

And when you get the choice to sit it out or dance

I hope you dance (Time is a wheel in constant motion always rolling us along)

I hope you dance

Reaching for the phone 'cause, I can't fight it anymore

And I wonder if I ever cross your mind

and I need you now

Said I wouldn't call but I lost all control  
and I need you now

And I don't know how I can do without,  
I just need you now

### IF YOU VOTE, YOU HAVE NO RIGHT TO COMPLAIN

George Carlin

“Now some people like to twist that around. They say, “If you don’t vote, you have no right to complain,” but where’s the logic in that? If you vote and you elect dishonest, incompetent politicians, and they get into office and screw everything up, you are responsible for what they have done.”

say for sure, but we do know that your 3<sup>rd</sup> eye will open widely if you continue.

### VOTING

The Gospel According To

Dr. Amos Wilson

"Did you get the right to vote by voting? No, So clearly the power lies somewhere else"

### FORGIVE AND FORGET

The Gospel According To

The Gospel According To

"Any person not interested in a definition, analysis, and deeper understanding of worldwide white supremacy must have an interest (conscious or subconscious) in maintaining the same."

### NEGATIVE REACTION

The Gospel According To

George Jackson

"The concept of nonviolence is a false ideal. It presupposed the existence of compassion and a sense of justice on the part of one's adversary. When this adversary has everything to lose and nothing to gain by exercising justice and compassion, his reaction can only be negative."

### SELF-HATE

The Gospel According To

Malcolm X

## The Nubian Times

"You can't hate the roots of a tree and not hate the tree. You cannot hate Africa and not hate yourself."

### THE PROMISE

The Gospel According To

Dr. Marimba Ani

"You are Afrikan. You chose to be Afrikan. You were born in Spirit beyond time. You signed a Sacred Contract. You contracted 'To Be Afrikan'. You made a promise to yourself, your Ancestors and your Children for all Generations to come, that you would work, fight, and sacrifice to reclaim World Afrikan Sovereignty."

### BEGINS WITH YOU

The Gospel According To

### BLACK AMERICANS?

The Gospel According To  
Manning Marable

"The Black majority in America is accepted in the lowest paying jobs, tolerated in public housing, and allowed to join the unemployment lines, but it is still barred from effective power within the corporate and political ruling class."

### BLACK POLITICS

The Gospel According To  
Manning Marable

"The Black elite retain the illusion of power. The Black elected official is essentially a vicar for a higher authority, a buffer between the Black majority and the capitalistic state."

"The Black politicians, taken as a whole, are either clients of larger corporate interests or excel in the electoral game for personal profit and ego gratification.

### AFRICANESS

The Gospel According To  
Rosa Clemente

"Being Latino is not a cultural identity, but rather a political one. Being Puerto Rican is not a racial identity, but rather a cultural and national one. Being Black is my racial identity. Why do I consistently have to explain this to those who are so-called conscious? Is it because they have a problem with their identity? Why is it so bad to assert who I am, for me to big-up my Africaness."

### SPEND OUR MONEY

The Gospel According To

Brother Nuri Muhammad

"We're the only people on this planet Brothers and Sisters, that still blame the White man for 95% of our problems, but spend 97% of our money with them."

### DANGEROUS TO EACH OTHER

The Gospel According To  
Dr. Angela Davis

"Jails and prisons are designed to break human beings, to convert the population into specimens in a zoo--obedient to our keepers, but dangerous to each other."

### THE UNITED INDEPENDENT COMPENSARY CODE

The Gospel According To  
Neely Fuller Jr.

"As long as White Supremacy exists, expect to be cheated ( either directly or indirectly) in all major arrangements that involve money or trade. Be prepared to experience harmful loss. Be prepared for major promises to be made to you that will not be kept."

### TALK ABOUT RACISM

The Gospel According To  
Neely Fuller Jr.

"If you try to do it in a nice, what you call sanitized, pleasant way, you're going to evade the truth, and everybody's going to be in an excellent feel-good session that's not going to solve a single problem, ever."

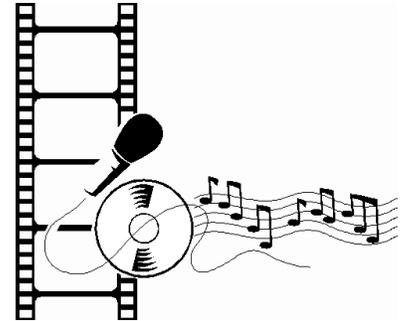

### TOLERANCE GROWS

The Gospel According To  
Assata Shakur

"People get used to anything. The less you think about your oppression, the more your tolerance

## The Nubian Times

for it grows. After a while, people just think oppression is the normal state of things. But to become free, you have to be acutely aware of being a slave."

### THE GREATEST LOVE OF ALL

Whitney Houston / George Benson

I believe the children are our future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used to be  
Everybody searching for a hero  
People need someone to look up to  
I never found anyone who fulfills my needs  
A lonely place to be  
And so I learned to depend on me

### IT WAS A GOOD DAY

Ice Cube

Just waking up in the morning  
gotta thank God  
I don't know but today seems kinda odd  
No barking from the dogs, no smog  
And momma cooked a breakfast with no hog  
I got my grub on but didn't pig out  
Finally got a call from a girl want to dig out  
Hooked it up on later as I hit the do'  
Thinking will I live another twenty fo'  
I gotta go cause I got me a drop-top

And if I hit the switch, I can make the ass drop

## KNOW THYSELF

Tupac Shakur

“Doctors are drug dealers.  
Teachers are brainwashers.  
Policemen are gangsters.”

## HOW YOU THINK

Damien Marley

“A lot of people become unattractive once you find out how they think”

## THE LESSER OF TWO DANGERS

Prince

“A 2 party system, the lesser of 2 dangers, The illusion of choice. A veiled form of fascism, where nothing really changes and you never had a voice.”

## GOOD COPS, BAD COPS

Chris Rock

“I know being a cop is hard. I know that shit’s dangerous. But some jobs can’t have bad apples. Some jobs, everybody gotta be good. Like pilots! Ya know, American Airlines can’t be like “Most of our pilots like to land. We just got a few bad apples that like to crash into mountains. Please bear with us”.

## DOWN IN THE VALLEY

Down in the valley

## KILLERS

Tecumseh

“When Jesus Christ came upon the Earth, you killed Him. The son of your own God. And only after He was dead did you worship Him and start killing those who did not.”

## THE GOOD SLAVES

The Gospel According To

Marcus Garvey

“No Negro will truly be respected until the race as a whole has emancipated itself. The Negro will have to build his own government, industry, art, science, literature, and culture before the world will stop to respect him. The slave mind has yet departed from many Blacks. They are unable to see themselves as creators of their own needs. They still believe that they can only exist through the good graces of their master. The good slaves have not yet thrown off their shackles.”

## THINK HIS WAY

Anonymous Submission

“The white man has succeeded in subduing the world by forcing everybody to think his way. The white man’s propaganda has made him the master of the world. And those who have come in contact with it and accepted it have become his slaves.”

## COMPLIMENTS

The Gospel According To

Anna Julia Cooper

“There is a feminine, as well as masculine side to truth and these, are related not as inferior and superior, not as better or worse, not as weaker or stronger, but as

## WHAT YOU OWN

The Gospel According To

Dr. Claud Anderson

“In 1860, 99% of all Black people worked for whites. Today, 98% of all Black people work for whites. You are enjoying a social illusion because you go to someone else’s restaurant, but you don’t own the restaurant yourself.”

## THE BEASTS

Anonymous Submission

“We are living through a struggle of two forces on this Earth...beasts who walk upside down and angels who walk right side up. The beasts that walk upside down in the world, control information and have distorted history. They try to get us to see the world through their distorted ideas and concepts. ## AFRICAN-AMERICANS WHAT?

Reprint of Divine1on1

African-Americans are a tribe owned by the Colorless people. They are 3/5's of a person. They do not make their own laws in their own nation. They do not educate their own children. The Color-less people only give them things that they will take back or things that will help control them.

The Color-less people have managed to separate African-Americans from the rest of their race-family. The Color-less ones have the African-Americans ego-tripping as if they were the most intelligent people on the planet, except for them.

Most of the African-Americans are either domestic workers in Colorless people's institutions or prisoners in those institutions. In this century either African-Americans will break free from their captors or the rest of the planet will continue to believe what rumor and innuendoes the Color-less people spread all across the planet about African-Americans.

Afrikans in America are the Black people that are trying to return to the ways of their ancestors and the ancients. African-Americans are the Blacks in America that have pledged their allegiance to the Color-less people's empire of death. There is a difference brothers and sisters of the Black race family must know. Please do not think that all Black people in

America are drunk with the ways of the Color-less people!.
