THOU who art

Whose eyes
shine brighter

hair doth coil
tighter than a
million springs,
radiating all
energy
throughout the
universe....

We beseech

1492, 1610, 1776, 1865,
1931, 1968, 2000, 2010,
2015 and 2017 and this
shouldn't be happening.

...you get fake hair to
attract real men or real

Negro is.

...you pinch pennies with
members of your own race-
family, but with other

...you think Africa is a country and not a continent.

...you think that prophets listed in the Bible or Quran actually existed in World History. Who got to your head Homey?

...money moves got something to do with begging, whining and crying.

...you don't realize that White people "spitting" is their way of hatred for you. Yeah, they racist.

---you ignore speed traps, red light cameras and seat belt laws like you a boss.

...you think they are going to pay you more on the job if you got your Nike, Reeboks, Timberlands,

Bloody shoes or golden slippers on.

...RnB love songs are wasted on you.

...you over 21 and don't talk like a man or a women, but like an overly emotional child.

...when white people speak, you start changing and flip-flopping you position. A Negro will do most anything and accept anything to get paid.

...you and yours represent the new Black White people.

...you don't give a rat's tail about justice for your race-family.

Black GrapeVine news-
Everybody wants to have "just sex" with Black women, Black men and Black children. WHY NOY? IT'S FREE or cheap! No one, including a good number of Black people, has to make a commitment to their group, their family or their future.

Those "SHELTERS" for battered women and wives were not made or created for Black women.

Breastfeeding protects babies from infections and decreases the risk of leukemia, sudden infant death syndrome and obesity. For mothers, it reduces their risk of breast and ovarian cancer, diabetes and heart attacks.

If most cops are good, why haven't they weeded out all the bad cops. Most cops are good, remains some bullshyt. Don't even try it! If a bunch of ass hole is working with you and getting paid for their actions, it makes the whole system **STINK BIG TIME!**

Rumor has it that Frances Scott Key, the author of the Star Spangled Banner or U.S. National Anthem, was Jewish. White nationalist and White supremacist might not like that too much. That's not Black people's issue or rumor.

Couples that make their relationship more like a "WAR GAME" are never ever successful. It's not suppose to be about competition between enemies, but more like co-operation between "lovers"!

It seems like multi-million dollar, global corporations can't withstand hackers and cyber attacks. How about your government?

Punishment for treason is "what" in the Black nation? The Moorish nation? The Nubian nation? The African Diaspora? The Black Church? How about Freed People? Is that the difference between conscious, unconscious, the walking dead, Negroes and Ni99ers? Prey on it Yo!

A pawn can transform itself in to anything but a KING! When the King is trapped...Game Over Shawty!

Even White people know what a modern day Negro or Negress is.

The history of drug smuggling is all about securing trade routes.

Wigga news- Rumor has it that white people will now be playing their National Anthem at all weddings and important events. Support the troops. Whatever!

The Nubian Times

Some sports organizations don't give a rat's ass about their players as human beings.

Helloooo! If you are already treating abusive white people like royalty, how do you expect them to treat you Boo!

Fake corporation, holding companies, fake issues, fake news, fake journalist, propaganda, fake wars, fake charities, identity fraud, fake bosses, fake grown- ups, fake genders and fantasy leagues are all a part of the American fabric. Fake and lying asses are the now millennial lifestyle.. Is that Making America Great again!

As the President, Donald Trump, aka the DOTARD, believes he can say and do whatever he wants, with little repercussions. And as the President, he believes the college educated members of the media are idiots and peons. What does him and his family got to lose?

What's up with wanting to destroy slaver and Civil War statues / monuments, while carrying slaver money in your pockets for identification every time you want to buy something. The slavers and killers on the currency gotta go too!

KEEP GRINDING!

When was the last time you heard about American troopers coming home in body bags from Afghanistan? You probably haven't, because. the bullshyt media is reporting on Trump so much. Yeah, troopers still dying and committing suicide. "Support the troops" and "Thanks for your service" is about as catchy as "Have a nice day".

Rumor has it that more white women are breast feeding their children than Black women. White women want healthy babies. HUH!

Black GrapeVine news- Rumor has it that Black, Negro Churches will be playing the National Anthem before all services, marriages, Christenings and important events. Support the troops. Whatever!

The hurricanes & tropical storms from Africa are getting more and more violent as the hit North America. White people think they got all the answers Yo. Karma means they gonna pay Yo, for their actions and their deeds

Negresses and Negroes only think that white billionaires and slave owners are the only people with power or the only people worth working for. I's is working hard for ya Master.

Hey Yo! It's seems like cops have a "no-snitch" policy, when it comes to harming and killing Black people. Where are all those "good cops" jokers be talking about, when Black people need them. They seem to disappear and turn tail.

For all the U.S. soldiers stationed in Iraq & Afghanistan, what is the U.S. doing to provide them with alcohol, drugs or sex? The U.S. fighting machine can't live by low pay along. Support the Troops and pay attention to the numbers that are still committing suicide.

A handful of people rule the planet, making a mockery of democracy

Did you know that 70% of repeat offenders can't read Yo? Black people need to have a high regard for education. Jail ain't no place any of us want to be unless we have lost our Afrikan mind.

Do Black people need a day or a month of unity? Not a lifetime, but a day or a month.

When will Black men and Black women make a truce from the gender wars?

Only demons and their disciples accept their marching orders from a silver tongued lizard. That's stealing in the name of somebody's Lord.

How many Black or Negro employees does Under Armor have? Inquiring minds want to know.

DON'T FORGET WHERE YOU CAME FROM!

Collin Kaepernick can get punished for his moves and using his platform, but are the White owners being punished for their motives and moves? Is KARMA good enough? Pressure bursts pipes. Seen any white players punished for using their platform to help "people"?

Europeans controls all lines of racial distribution. That's why it's called white supremacy.

Connor McGregor needs a concussion helmet. The referee saved him from bumping his Irish head up and down on the canvas. A helmet could have saved him from all those Floyd Mayweather fists up side that head.

They got Negro & Negress Trolls all over the dam TV, Some even hosting! Talking loud and saying nothing. lol

Most people that label themselves Native American only trace their people's history back a hundred or so years. Before the rapes, trails of tears and reservations they were Black. 1492 signaled the end of a flourishing Black empire and started their assimilation into Americanization. Before the White

The Nubian Times

man came, there were no Americans.

Hey Yo, don't confuse Black stereotypes with Black statistics. A stereotype is that all Blacks are poor. A statistic says that 99.8% of Black people make under \$100,000 a year. A stereotype says that all Black people take drugs and drink alcohol. A statistic says that Black folks make 17.5% of alcohol and drug purchases. A stereotype says that all Black people are under-educated. A statistic says that 99.8% of all Black people are uneducated fools from an uneducated school. Now go figure!

Black GrapeVine News- your pastor is not waiting for heaven. He or she is filling their pockets right now Boo. They want their rewards right now. How your pastor gonna help you get saved and he or she can't save him or herself, let alone resist temptation.

Some people who make rap songs or are trying to get into that business, need to have other options in reserve. Be smart or you will need to know how to pan-handle. lol

What's up with the overly emotional dudes hurting and killing women? Who is raising them?

Skin color only became divisive when "white" beings came into power globally, with their Imperialism.

ASSETS = Confidential Informants, Snitches or Rats.

5

It's better to quote reputable Black scholars, than to quote TV celebrities, sports figures, entertainers and Yo Yo's just yapping.

American or the property of Americans? Made in the U.S.A.

The Color of Law- When are cops the Po-Po and when are they white vigilantes? Rumor has it 24/7.

Why is it that nobody is man-hating on Jesus? Is it because he ain't real or is it because he wouldn't give a donkey's ass anyway?

We heard it thru the Black Grape Vine that the perfect food for a newborn is mother's milk. And a baby can thrive on this for many months if the mother's diet is sound. A breast-fed baby, whose mother is conscious of her diet, is usually alert, intelligent, well formed and contented. The baby who receives cow's milk formula may tend to be over-weight, sluggish, have a runny nose, evidence of skin rash, and a fretful disposition. When you get to the crib Homey, let us know if your nose is runnin' Yo. We bet you got some milk wit your lunch money. Like those ball players and movie stars with the milk mustaches, bet you got mucous & snot runnin' down your nose from a big fat cow's milk Boo!

Wigga news- Give me your tired, your poor and your huddled

masses, yearning to breathe free...as long as they are White Immigrants. O say can U see?

It was Kwesi Mfume, once the head of the Congressional Black Caucus, that spear headed the drive to make White women a minority and for them to have access to minority grants. GO FIGURE! White women are the majority of white people. They are connected to White men, even if they are having gender battles.

Sports show have lots of female and male commentators and hosts, that haven't played or done shyt. Nobody knows their qualifications. Most are just water cooler boys and girls, with maybe a bullshit degree, but no real, bet-able knowledge. They are a dime a dozen and contribute to white people's sense of superiority.

Are power grids in the U.S. able to withstand cyber attacks? Evidently hackers, foreign and domestic don't seem to think so.

Rumor has it that sororities and fraternities will be playing the National Anthem before all meetings, initiations, meetings and parties. Boule' rules! Support the troops for their service. lol

Wiggas that talk about "efficiency" and "transparency" usually aren't either efficient or transparent in their own lives. They are some of the worst racist and ass holes on the planet.

PAIN MILLS= Pop up clinics for recreational drug deals and legal drug addicts..

Roger Goodell, NFL commissioner, speaks of "social" issues and TV Negroes start changing their positions. Watch for lip puckering and ass kissing galore. Negroes ain't worried about justice or an end to slavery. They want that status quo, where they keep earning a pay check.

The Nubian Times

A plan that can't be changed is a bad plan Shawty!

If Black women or Black men, are suppose to save America with nothing more than sex, servitude and NO POWER worth mentioning, the Black race family is doomed.

When will White ball players get punished for supporting their communities, people, however they want and raising money to help whatever people they want.?

**DON'T SPEW THAT
POISON and VENOM ON
ME DOTARD TROLL!**

The Po-Po don't serve and protect, they police!

Can a DOTARD make America great or is America the Land of Dotards?

First you are integrated, then assimilated, before you are accepted and domesticated.

Jon Jones...you still the champ. Best ever! Whatever!

In the United States, men that hate women (women-haters) and women that hate men (man-haters), can jump out-of-the-closet and call normal balanced people homophobic. Homophobic is supposed to mean that something is wrong with you. Whatever! Just don't git in my face wit dat whack shyt!

6

White people are albinos. Ever seen a white rat running around your house? How about a white roach? Hell No! Most things white have to be created in a laboratory. Check! No, check with your mate!

Was there ever a place called Moor Land? Inquiring minds want to know, without shifting the topic to something else. Yes or No!

Parents should be proud of their children, but oftentimes, sharing too much information about them can cause more harm than good.

Moor Wigga news- White folks want us to be Black, until they need us. Then we can be American, as long as you don't get to uppity!

The oldest profession for White men is beating White women's asses. And they'll beat yours if you let them. That ain't no rumor, that's a fact Shawty.

Can you imagine what kind of crazy shit Negroes would be doing if this really were an integrated society?

Putin and Trump are BRO's. They be having a BRO-MANCE!

Bill Clinton's NAAFTA, was the best thing that ever happened to Mexican and Columbian Cartels. He opened it up so drugs could pour freely across borders. North America was doing some "free trading" all-right!

Negroes were declared free by the 13th, granted citizenship by the 14th, and granted the right to vote by the 15th amendment. Negroes had the right to vote in the US for almost 100 years prior to the Voting Rights Act of 1965. Negroes couldn't vote on any of these amendments, somebody else had that privilege. Did God give African-Americans any rights or did White men give them all to them?

Who keeps sticking a microphone in Ray Lewis's face? He knows defensive football. reads the Bible, but the Negro don't know much about Black culture and what Black people have been fighting for. Most Black people are not rich, professional athletes. He's been crawling up white people's butt for too long. He is clueless and can't even qualify as a Negro leader. We ain't say nothing about brain damage. White people seem to think that he has had to many collisions or slipped and bumped his head too many times in their service, to be their leader. lol

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

As a gift for DEM FINE PEEPS that expect more out of their Nubian Kin, we decided to add a couple more quotes than usual. We are a global site and the members of our race-family are starting to come to their nine senses (melanin) by day and night. If we provide quotes from strong individuals instead of slogans and catchy little phrases from Negro wimps, perhaps somebody might get the courage to stand up for their rights, force somebody to pay some reparations or to surrender the land

The Nubian Times

and their lives will be spared. You never know! WUZ UP CUZ! HERE GOES!

NEWS & THE GOVERNMENT

WAG THE DOG

The Gospel According To

Bobby Hemmitt

"You are going to find out that Hollywood and America and the government is one and the same. Hollywood is actually the news of the government, cause Nightline news and what you call regular news, national news, is produced by Hollywood. That's what the movie "Wag The Dog" was talking about "

WHAT YOU MUST DO!

The Gospel According To

Batu Shakari

"It's a simple equation. There is nothing hard about it. You must love yourself. You must unite with yourself. You must provide for yourself and you must protect yourself. You must obtain the necessary unity and organization and you must acquire the necessary knowledge and skills to build the technology to protect yourself."

MIND CONTROL & MANIPULATION

The Gospel According To

Junious Ricardo Stanton

"Public opinion polls are another sophisticated means of manipulating and monopolizing the marketplace of ideas; they are an effect of the psychological warfare going on around us for dominance. In many cases the wording of the questions themselves are a form of psychological manipulation."

GENOCIDE

The Gospel According To

Dr. Carter G. Woodson

“If a race has no history, if it has no worthwhile tradition, it becomes a negligible factor in the thought of the world, and it stands in danger of being exterminated.

NEGRO HISTORY MONTH

The Gospel According To

Dr. Carter G. Woodson

“When you control a man's thinking you do not have to worry about his actions. You do not have to tell him not to stand here or go yonder. He will find his ‘proper place’ and will stay in it. You do not need to send him to the back door. He will go without being told. In fact, if there is no back door, he will cut one for his special benefit. His education makes it necessary.”

SOLEDAD BROTHER

The Gospel According To

George Jackson

“Settle your quarrels, come together, understand the reality of our situation, understand that fascism is already here, that people are already dying who could be saved, that generations more will live poor butchered half-lives if you fail to act. Do what must be done, discover your humanity and your love in revolution.”

SCIENCE GENERATED

The Gospel According to

Dr. Asa G. Hilliard III

“It’s really important when looking at ancient Kemet to know that the basis of the culture was totally scientific. In other words, painful observations, tireless observations, over literally thousands of years produced insights into how nature works. And its Nature’s pattern that reflects a “divine will” according to the Kamites. And so when they

expressed religion, what they were trying to do was to capture the essence of what they had understood through revelation from scientific study. And so its extremely important to realize that it was through the work of science that people became spiritual.

THE POWER

The Gospel According To

Dr. Asa. G. Hilliard III

“Someone is really concerned about the power of what we have done in the last century. The last century for Afrikan people has been awesome. The scholarship that has uncovered the truth of the Afrikan experience has been awesome. The return to the control of the socialization process...Black Male Academy, Afrikan Centered Curriculum, Afrikan Schools...has been awesome. And therefore, for white supremacist scary. But that’s what we intend to do in this millennium. Scare the hell out of them!”

HATER-OGRAPHY

The Gospel According To

Dr. Maulana Karenga

“If we talk bad about Black people and the White man talks bad about Black people, who’s left to say anything good about Black people. Just for a short time, say something Black people have done, worthy of being mentioned, and stop doing just HATER-OGRAPHY!”

RULES

The Gospel According To

Dr. Maulana Karenga

“We have to have rules. We just can’t have anybody else making them for us. Once we make them, we’ve got to discipline ourselves to them.”

AFRIKAN WOMEN

The Nubian Times

The Gospel According To

Dr. Jewel Pookrum

“Afrikans have a well developed external and internal circulatory system. We are protein and fat sparing. We cannot eat concentrated fats and proteins. If you put an animal in your body, you are getting ready to block off your stuff. It is a known fact that eating animal fat and protein, especially chicken and fowl, will make your ovaries as hard as a rock. Then your creativity is shut down. It is the food that you eat and the thoughts that you think that keeps us wanting to have belief systems that put us in the bad quality of life that we are living in.

IGNORING YOURSELF

The Gospel According To

Dr. Jewel Pookrum

“Ignorance is not being aware of the obvious. If you don’t know what melanin is, you are going out of the world backwards!”

When you go to the hospital, the standard of treatment, therapy and evaluation is for white people exclusively. When you go to these institutions they see you as a white person and your make-up is not white. Our bone structure, anatomy, physiology and development is different than theirs!”

AFRIKAN PROBLEMS, AFRIKAN SOLUTIONS

The Gospel According To

Dr. John H. Clarke

“What we have to understand now, in the period of superior brain washing, is that there is no European answer to African problems. Either Africans find a solution to African problems or there is no solution. And if you don’t find a solution to them, you go back into slavery.”

8

CORPORATE AMERICA & YOU

The Gospel According To
Dr. Martin Luther King

“When machines and computers, profit motives and property rights, are considered more important than people, the giant triplets of racism, extreme materialism, and militarism are incapable of being conquered.”

REVOLUTION

The Gospel According To
Martin Luther King Jr

“Those who make peaceful revolution impossible will make violent revolution inevitable.”

THE NEW AFRIKAN

The Gospel According To
Nzinga Ratibisha Heru

“It’s not enough just to organize ourselves. It’s not enough just to educate ourselves, but we’ve got to internalize that information and become the new Afrikan. The Afrikan that knows and is daring and bold. The Afrikan that knows we are going to win and dares to win and dares to struggle. That’s the new Afrikan we seek to be.”

BLACKONOMICS

The Gospel According to
Booker T. Washington

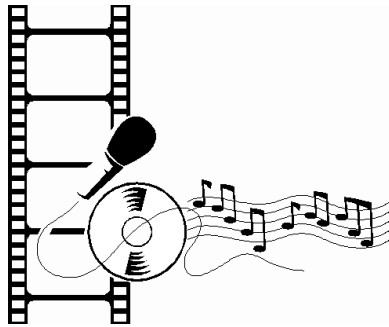

“There are reports that in some sections the Black man has difficulty in voting and having counted the little white ballot he has the privilege of depositing twice a year. But there is a little green ballot he can vote through the teller's window 313 days each year and no one will throw it out or refuse to count it.

MORE THAN POLITICS

The Gospel According To

Jim Clingman

“What makes us continue to think that we will have ‘power’ simply by voting? If we do not add to our zeal for voting a zeal for economic strategies and action-centered economic empowering movements, we will stay exactly where we are when it comes to what really makes this country and the world function: Economics; business; ownership and control of income-producing assets.”

POWER OF LOVE

Jimi Hendrix

“When the power of love overcomes the love of power, the world will know peace.”

HIP-HOP CONCERTS IN BRAZIL

MV Bill

“The organizers are not interested in our issues, or what we rhyme about, they just want to buy our legitimacy... and I have a moral commitment to uphold the history that has created hip-hop, I pity the Black man who sells our history for a price.”

BRAZIL HIP-HOP

L.F. of Sao Paulo

“We fight against injustice, and we cannot allow ourselves to be seen simply as idols...ever since I began creating hip hop my dream was to show Black people that we could be free and break the shackles.”

DEHYDRATION

The Gospel According To

Bobby Hemmitt

“The number one goal of the United States is dehydration. If they can dehydrate you, they can keep you down. They can keep certain energy factors locked down. That’s why the soda companies are number one in the Black community. As well as juice. Juice is a food. It is not water. It’s a liquid, but not water. We are not to be taught about water. The regular sink water with the chlorine dehydrates us too. The only thing we need is the water and cleansing of the colon.”

THE PLANS ABOUT US

The Gospel According To

Dr. Asa G. Hilliard III

“If we don’t plan, its not as if a plan won’t be made, its that the plan that will be made, won’t be our plan. I mean the plan about us.”

THERE ARE PLANS!

The Gospel According To

Dr. Asa G. Hilliard III

“Someone has paid for thinkers to organize a set of ideas that can be used in the oppression of people of African ancestry. So there are plans. Now part of our plan ought to be a plan to understand the plans that are being made about us. We are not doing the homework right now! Because we ought to have a list of all the members of the boards of trustees of all the foundations that fund projects that attack us”

**IN THE SPIRIT OF
CRAZY HORSE**

The Gospel According To

Mitakuye Oyasin

“I encourage you to do your best, be kind to one another, seek harmony and balance with all natural life, enjoy what freedom you have left, and most of all, never, never give up.”

STRENGTHEN TIES

The Gospel According To

Cheikh Anta Diop

“We must stop fooling the masses with minor patchwork and bring about the ultimate break with all the fake structures (Communaute, Commonwealth, Eurafrika) which have no historical future. Black Africa must finally slope towards its Federal destiny.”

“We cannot go on running with the hare and hunting with the hounds. The African countries, in the years ahead, will be forced progressively to strengthen their organic federal ties while ridding themselves of the remains of those that bind them to their former “mother countries.”

**BLACK
FACTS**

All knowledge is rooted in reality

During slavery in the United States, Black women were not allowed to breast feed their own children, until after the Master’s & Mistresses’ children were fed from her breasts.

Afrikans have 12 melanin centers in the brain. Europeans have 2. The pineal gland connects us to every star, every planet in the universe. A Black person’s pineal gland, when working properly, keeps us in tune with the universe and connects us to each other.

10

Hatshepsut, the only woman to be pharaoh of ancient Egypt (Kemet) had 2 children.

More than 60% of the Black population in the U.S. are women

African-Americans are the best friends that any race could have. It is easy to amass wealth off their ignorance and stupidity.

“**I AM A MAN**” was the theme of the trash workers strike in the city of Memphis, which caused Dr. King to go to Tennessee, where he was killed. Economics was not an issue at all.

Africans are not invaders or colonizers.

Africans never really had a religion, but a philosophy.

West Africa is comprised largely of former French colonies.

Africans never had a society that excluded women.

White people and their corporations already dominate the marijuana market, profits, share holders and bottom lines for the casual Black users.

Lions hang out on the plains, not in the jungle.

Africans did not live in nation states, but territorial states.

Dark matter makes up 98% of the universe.

Africans once had wars without violence, but today Africans have gotten use to killing and dying.

Bolivia is the most “American Indian” of all the countries of the Western Hemisphere. Indigenous people consist of 70% of the population. . These people have been severely marginalized and impoverished after centuries of continued dispossession.

Warships came rolling up to the coast of Afrika, looking for gold,

natural resources and human resources. No one can recall Africans going to Europe bearing slaves for sale or looking for gold.

Sakanouye Tamura Maro, a Black man, became the first Shogun of Japan.

Before it was perverted, Judaism was an attempt to restore shattered Afrikan culture after the Hyksos invasion.

Arabs will join and work with Jews if it is against Black people.

Black children have a “deep memory bank” and their “instant recall ability” from memory is outstanding. These abilities are usually higher in these perspectives than children in other groups.

Before it was perverted, Christianity was an attempt to restore shattered Afrikan culture after the Roman invasion.

When Panama was bombed by the United States, the areas that were bombed were the areas that Black people lived in.

MESO-AMERICA (Middle America) BLACKS

The Olmec civilization is considered the mother culture of all the Americas. It was established as early as 1700 BC in the Southern Gulf Coast of Mexico, extending as far north as what is now Canada and into South America. They had a complex society governed by kings and priests, with impressive ceremonial centers, artworks and they too were pyramid builders.

OLMEC STONE MONUMENT

The Olmec were clearly Afrikans.

The Olmecs were the first people in the Americas known to have a complex system of chronology, a method of calculating time and a hieroglyphic script.

These Nubians crossed the Atlantic Ocean in sophisticated sea craft and built large cities with pyramids and ball courts, 500 years before Rome was founded, 1,500 years before the Maya flourished in Central America and 25 centuries before the Aztec appeared in Mexico. Afrikans clearly had a presence in Turtle Island long before Columbus was born.

From skeletal remains of the time period, researchers found that these Afrikans had brought their women with them. On many of the statue monuments, styles of braiding were found that are only found among other Afrikans.

Over 170 have been found. On average, the heads are 6 to 7 feet tall, 5 feet wide, weighing 25 tons and quarried from rocks 50 miles away.

Manding writing (Saharan zone of North Africa) is engraved on many Olmec artifacts discovered during archaeological excavations.

The Olmec economy centered on agricultural production, shellfish and fishing. The jaguar and plum serpent are reoccurring symbols in much of their artwork. This art reflects humane as well as spiritual values that would be spread across two hemispheres.

Around 300 BC, Europeans say that the Olmec people disappeared, vanished. Most Black people should know better. We don't die, we multiply! All people of color, anywhere on this planet, are simply remnants of the oldest people on Earth, today mostly known as **AFRIKANS!**
