SISTER HOOD VOTE! / CRACK HEAD NEWS / BLACK AND EURO FACTS

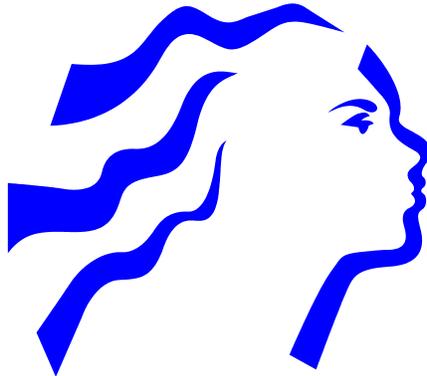

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

If you have a culture, you are not down for whatever! You are down for developing a present, as well as a future, for yourself and your people. This is something you have to work for, while up off your knees. This is something that must not be taken lightly. Having no culture is equated to being like a fish out of water or a

human with no
memory.

**ARE WHITE WOMEN
AND BLACK WOMEN
SISTERS?
THIS MONTH'S
VOTE!**

I LOVE BLACK PEOPLE

The Gospel According To
Runoko Rashidi

"I love Black people. And I especially love Black people that love Black people!"

**WHERE RAGE COMES
FROM**

The Gospel According to
Mwalimu P Bomani Baruti

"My rage comes from a place only warriors know."

**COLLECTIVE
LEADERSHIP**

The Gospel According To

Chokwe Lumumba

"We are not in those years or those generations where we look for the Messiah to come from somewhere else to save us. We've got to save ourselves collectively."

LIFE IN A CESS POOL

The Gospel According To

Daryl Rice

"Whenever you try to find a nation within a nation in the United States of America, you are as crazy as f@ck. That is like trying to find life in a f@cking cesspool. Are you crazy?"

ENSLAVING MENTALLY

The Gospel According To

Dr. Marimba Ani

"We have been conditioned so well through such a long process, that it is now us who are enslaving ourselves mentally."

VALUE YOUR CULTURE

The Gospel According To

Dr. John H. Clarke

"Any person that loses respect for his culture loses his historical memory and confidence in his own culture."

SAFEGUARDED

The Gospel According To

Marcus Garvey

2

"Races and peoples are only safeguarded when they are strong enough to protect themselves." -

SAVE BLACK PEOPLE

The Gospel According To

Dr. Amos Wilson

"The Arabs don't need you to save them. The Chinese is not asking for a Negro to come over there and save China. The Frenchman is not asking Negroes to come over there and save them. Where do you get into this business that your business is to save the world? That's why you can't do anything for yourself, because you're too busy doing for everybody else. You're too busy loving everybody that you can't even see the love your own people need and you can't see your own people need love more than any other people on Earth. Let me tell you something; before you save the Universe, before you love all people, try and love your next door neighbor. Save a Black neighborhood. Save Black people. Then once you demonstrate that you can save Black people, then, maybe the World will be ready to listen to you."

PUNISH

The Gospel According To

Attorney Alton Maddox

"If we can't do anything else, we must learn to punish our enemies."

THE FAMILY

The Gospel According To

Booty Adams

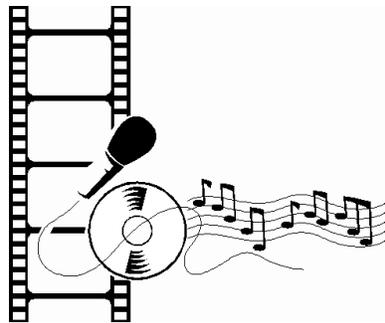

"A friend, a good friend, a best friend of a BFF is not as sacred as a spouse, a child or children. Don't get it twisted. No culture, society or civilization has any special rules or laws about who you befriend or play around with. Friends may come and go. Don't take the family

for granted and be careful who you dedicate your life to."

MULATTO OFFSPRING

Dr. Chancellor Williams

"The unmixed Blacks in Egypt were African. The Mulattoes, then as now, objected being called Africans. They were mainly the sons and daughters of white and European-Asian fathers. These fathers recognized them as such. And since they claimed superiority over Africans, their half-African offspring considered themselves to be a superior breed. Afro-Asian offspring were given preferential treatment, positions of authority, wealth according to the status of their patrilineal family. In a highly advanced Black African civilization in Upper Egypt and Southward to the "Lands of the Gods", the most potent factor in the half breeds' attitude towards their mothers' race was that, their mothers were concubinary slaves.

NATURAL WOMAN

Aretha Franklin

Looking out on the morning rain
I used to feel so uninspired
And when I knew I had to face
another day
Lord, it made me feel so tired
Before the day I met you, life was
so unkind
But your the key to my peace of
mind

SOMETHING HE CAN FEEL

Aretha Franklin

The Nubian Times

Ooh, living in a world of ghetto life

Everybody around seems so uptight

But nothing's wrong

It's alright with my man, my man

I like the kinds of ways we have our fun

His loving ways send me on and on

Yeah, hey, with my man

People out there can understand

I'm giving him something he can feel

Ah ha ha, to let you know my love is real

(This love is real)

ANYTHING'S POSSIBLE

J. Cole

"Anything's possible. You have gotta dream like you never seen obstacles",

SENSITIVE WOMAN

Sade

"I like my hair messy. My love wild! And my sex aggressive! But I'm still a sensitive woman. just with passion!"

AIN'T NO NEED OF CRYING

The Rance Allen group

Ain't no need of crying

When it's raining

'Cause crying only adds to the rain

Ain't no need a worrying about your problem

'Cause worrying only adds to the pain

If when you feel like you've been caught in a hurricane

(caught in a hurricane)

You just wait on the sunshine after the rain

RUFF RYDERS ANTHEM

DMX

Stop, drop, shut 'em down, open up shop

3

Oh, no
That's how Ruff Ryders roll
Stop, drop, shut 'em down, open up shop
Oh, no
That's how Ruff Ryders roll

LOVE MAKES A WOMAN

Barbara Acklin / Phoebe Snow

In the fire
It was burning
Sweetheart, I know
I should have been learning

Diamonds and pearls
Don't you know that I've had enough
But I feel so much better, yes I do
Dressed in love

Yes it's love, oh, sweet love
That makes a woman
Yes, it's love, ooh, sweet love
That makes a woman

What she is, what she is

JIMI HENDRIX DEATH

At the inquest the coroner called in a specialist who testified that Jimi Hendrix was not at the time of his death, and never had been, addicted to heroin.

WORD UP!

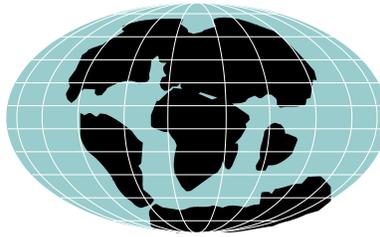

Cameo

Yo pretty ladies around the world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister and your mamma too
we're about to go down
And you know just what to do
Wave your hands in the air like you don't care
Glide by the people as they start to look and stare
Do your dance, do your dance, do your dance quick mamma
Come on baby tell me what's the word

NASTY GIRL

Vanity 6

Tonight I'm livin' in a fantasy
My own little nasty world
Tonight, don't you wanna come with me
Do you think I'm a nasty girl
Tonight I'm livin' in a fantasy
My own little nasty world
Tonight, don't you wanna come with me
Do you think I'm a nasty girl

POP CULTURE

The Gospel According To

Criss Jami

“Popular culture is a place where pity is called compassion, flattery is called love, propaganda is called knowledge, tension is called peace, gossip is called news, and auto-tune is called singing.”

WHAT WHITE WOMEN WON'T TELL US

The Gospel According to

Shemia Miller

“All the time we've blamed white men, and institutions, but where do these men come from? Where are the institutions coming from- they have a mother. They have an original place. I suggest we look at the mental womb and the physical womb of White women so that we can gain a better understanding.”

“Collectively Black women teach how to survive while being oppressed. And collectively White women teach how to maintain oppression.”

BETRAYAL

The Gospel According to

The Nubian Times

Dr. Kwame Ture

“Of course the logical conclusion must be clear... Since the people shed the blood for these positions, these positions do not belong to the individuals who occupy them... these positions belong only to the masses of the people.”

“The political conclusion must also be clear... Anytime you use this position which has been gained by the blood of the people, not for the people, but for your self, for your own individual interest, you have already betrayed the blood of the people.”

VEGETARIANISM

The Gospel According To

Nia & Zak Kondo

“One path towards liberation is first, gain control of our lives. Vegetarianism is a gradual way to control lives by quieting our minds and opening channels toward spiritual discipline so needed in a society designed to undermine the masses of Black people and culture.”

WATER IS THE KEY

The Gospel According to

Bobby Hemmitt

Based on our energy, we need water. That is the key. Lots and lots of water. Forget about our training from white people. They need the spring water with all the minerals and all that stuff, because they don't have it. Remember that the melanin in our bodies has every mineral, every alloy, every stone and every metal. Everything that is comprised of the physical make-up of the universe is inside of our bodies, inside of the melanin. That's in alchemy. So the only thing that you need is water.

DEHYDRATION

The Gospel According To

Bobby Hemmitt

The number one goal of the United States is dehydration. If they can dehydrate you, they can keep you down. They can keep certain energy factors locked down. That's why the soda companies are number one in the Black community. As well as juice. Juice is a food. It is not water. It's a liquid, but not water. We are not to be taught about water. The regular sink water with the chlorine dehydrates us too. The only thing we need is the water and cleansing of the colon.

BLACK FACTS

Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even get out to 1/2 of 1% of our people!

Mexico has 1.38 Million Afro-Mexican people.

Black people in the United States still live in a country that views their growth with hostility?

The Sumerians were known to the outside world as "BLACK HEADS".

During slavery, Africans ran their own schools. Immediately after slavery, hundreds of schools all over the South sprang up. Before the Freedman's Bureau in the United States created schools for

Negroes, hundreds of Afrikan schools were created, paid-for and established by the independent efforts of Afrikan people themselves.

Afrikans in America have more politicians & mayors in the Democratic Party than any other ethnic group, but they have less power than any other group.

All African people come from the womb. None ever came from a rib.

The Mexican 2020 national census, where "black" will debut as an official category. A major force behind the government's recognition was México Negro, an activist group founded in 1997 by Sergio Peñaloza Pérez, a school teacher of African descent. México Negro works for, among other initiatives, the constitutional recognition of Afro-Mexicans and to increase the visibility of Afro-Mexican culture.

There were no Mestizos in the Western Hemisphere until the Spanish and Portuguese Conquistadors came and began raping Indian (indigenous humans) women and using them for concubines. The Conquistadors tortured and slaughtered Indians and took over their countries and land.

There are hundreds of Earth mounds and pyramids throughout Central and South America.

Black Peruvians, make up around 10% of Peru's 29.5m population.

To people of color, the terms faggot, punk or lesbian don't always have anything to do with sex, but always have something to do with being weak!

It was the Pharaoh Rameses II who gave that piece of Afrikan land to the Philistines now called Palestinians after he had defeated them in battle.

The Nubian Times

The great majority of the people of the Philippines today are Tagalog, but the country is not racially monolithic. In spite of their small numbers today the original inhabitants of the Philippines are the Diminutive Africoids, who still live in scattered communities in the Philippines and are commonly and pejoratively called Pygmies, Negritos, Aeta, and a variety of other names based upon their specific locale. These Black people can be described as short in stature, dark-skinned, spiral-haired and broad-nosed. They are an extremely ancient people and are no doubt modern representatives of the world's earliest-known modern humans.

Black people show their continental unity by wearing earrings, necklaces and ornaments of the Motherland continent. We are the only group on the planet that shows such continental unity without fear of retribution.

Black people have accepted a fake version of democracy and neglect the genuine version that they have been living all along.

The overwhelming majority of Black men do not want White women no matter what you see on television.

Wherever there is oppression there is resistance, even if you don't detect it with the naked eye.

The overwhelming majority of Black women do not want White men no matter what you see on television.

If your penis was cut of during the Arab slave trade, you were called a Eunuch. Eunuchs were primarily used to guard Arab concubines.

In ancient Nubia, at a city known as Qustul, is located the birthplace of pharaonic civilization several generations before the rise of the first historic Egyptian dynasty.

Afrikans think, but Europeans memorize.

Reparations movements are not only taking place in the United States, but in Brazil, Barbados, Haiti, Jamaica, Puerto Rico, Cuba, Australia and Ghana.

CRACK HEAD NEWS

TAKE NO THING FOR GRANTED EDITION

The Nubian network reserves the right to Crack on people, philosophies and points of view, pertaining to or affecting Black folks! One Love!

If something here makes you get you azz up on your back, wait till next month. You might want to back that azz up on out of here!

When women and men cooperate, that is the only time that anybody can have civilization. Don't get it twisted with word play and "funny" funny bullshyt!.

Are Pedophiles a part of the QLGBT community? What white person or groups of white people make those decisions? It's very apparent that Negroes have no real say in the matter.

They call them temples for a reason: because they house the God within!

The Negress is any woman of color that thinks that White women are her sisters, cousins or whatever. Don't get it twisted, all Negresses are not Black, but they are agents of destruction for Black people. Ditto for the Negro and all that brother from another mother crap!

Africans are still enslaved in areas that are controlled and dominated by Arabs. Each tribe or splinter group has a different name for those they enslave.

Black GrapeVine news- Social media has opened the door for more Black writers and commentators, while forcing the Black populous into increasing their reading and listening comprehension. We have to rise up to another level people. Leave them Red necks on their 4th and 5th grade levels of comprehension.

Black GrapeVine news- If you think that every time somebody say something about white people, that person is blaming white people for all our conditions, you are a dumb ass hole. Simple Negroes or Negresses must have read a few books and now think white people need their help. That may very well be true, but it has to be cheap and cost effective for white people.

The NFL is getting softer and softer. Could it be that they are making way for women to play quarterback, to secure more fans? Only time will tell. Majority minorities want equal pay for soft equal treatment.

Wigga news- If you want to get a DNA test to find out about your heritage, you might need a second or third opinion. You might be better off going to 3 or 4 Gypsies and letting them take control of your heritage. You might find out who raped your grandmothers and

The Nubian Times

sodomized your grandfathers or you might find out pure bullshyt Somehow the weak are always sitting someplace thinking somebody is going to give them guarantees. I guess something is better than nothing. As a final result, pray on it, because you might be getting preyed upon Shawty. GUARANTEED!

Hopefully your small wanna- be group can do some effective SOCIAL LEARNING, instead of relying on books or theories that haven't been updated in 100 to 200 years. Colorless people will update their shyt everyday if they feel it will give them privilege, precious resources and power Small groups do start movements, but that's only if they stay organized, have common goals and are ready to use any power they can gain.

CERTIFIED NEGRO UNDER WARRANTY

What it look like you wanting everybody to help your child and you don't do "nothing", but go to work or just pray for help and whatever? That shyt sound retarded and like a bunch of lazy bitches on drugs.

Slavery still exists in Mexico. Don't get it twisted.

The main reason that White companies are moving out of the U.S. is because they do not want to pay white boys and white girls to dollar to make them feel superior to anybody. Most of these red necks, Hill-Billie's and poor white trash, have priced themselves out of most industries with their greed and contemptible attitudes.

It is estimated that Asians spend about 20 billion a year to look paler or whiter. Asians can have Jungle Fever too.

After having sex. at least wash up before you start dealing with other people Shawty! Don't imitate those

6

white people you see on TV and movies.

Make a list of all the things you have **NO SAY ON!** Then when you become an adult, see how many of those things you can change. .

Some Moors in the Americas don't claim that they are White.

Some 'KIDS" still think that their education consists of "play time" and "socialize-time" Caucasians have invisible chains for these future asses! Problem beings that, now days a lot more people can actually see them "invisible chains". Gold chains are still chains Yo-Yo! Educate and free your mind and your narrow ass will follow!

Wigga news- Wiggas are now going back 40 to 50 years to dig up sex dirt on whom they so chose. Will this be the end of hit and run and freak of the week sex games? We don't think so, with the advent of Broke-A-Sexuals. Who knows what evil lurks in the heart of mankind and womankind?

People that tend not to lead "fairly tale" lives tend to be disgruntled, envious, jealous, un-grateful, contemptible and hateful. That makes them prime candidates for alcohol, drugs and churches.

Some Black scientist believe that the "Moorish Empire" was nothing more than a Arab dominated East and North Afrikan empire of castrated slaves.

Jack of all trades, master of none, but the bills are paid. Salute!

Aretha Franklin left no estate plan or will. That means that the State of Michigan is going to write out her will for her. Everything shall be messy and played out in public view.

A lot of diseases skip over Black people. Be thankful for what you

got. Melanin = Mela (Black in Latin), Nin= Nine in German. In African that would be KM-WR. At minimum we have more than 9 senses, but also the ability to fight off most diseases. God bless the child that has his own!

Over 98% of Black men that are with somebody are with Black women. The ones that ain't, ain't with nobody.

Don't lend money to people dealing with get-high drugs. Yeah, this includes marijuana and magic mushrooms. Usually, when they come down off that cloud, they tend to forget about their obligations. Can we get a witness?

Don't Get It Twisted news- It takes two people to CREATE beautiful, Black babies! One person ain't creating shyt by themselves, unless they buy in to some twisted, Caucasian mess.

In the current criminal justice system, the difference between sitting in jail or not is based on how much money you have. The current system is not blind to who you are in terms of your financial wealth.

Black GrapeVine news- Rumor has it that Steve Harvey is coming out with a new, delicious book..."Think like a Woman"! We don't think too many men will be buying this book, but you never know. Whatever!

Erectile Dysfunction (**ED**) is off the hook in the United States. The sale of dildos is off the hook as well. The group hardest hit is White people across the board,

The Nubian Times

including White females and White gays. Dildos, medications and herbal remedies are a good investment for futures investors. Artificial stimulation means births are down 10 to 20%.

CERTIFIED NEGRESS UNDER WARRANTY

Only an idiot would think that females can't be sexist, heartless or opportunist. Protect yourself at all times!

Beware Negroes and Negresses that cling a bit too much to Corporate America, as if it were God. These Negroes and Negresses Are Certified Negroes Under Warranty! They are very sharp tongued at slandering those who oppose being under corporate control.

With the advent of Lyft, Uber and limousine services, CALL GIRLS, CALL BOYS and Broke-A-Sexuals can be delivered right to your door. The only problem is you still have to pay for their ride back home, even if you are not satisfied.

Why vote for somebody that is not into Black opportunities, Black economics or Black power. The lesser of two evils is some old timey Negro bullshyt. Evil is evil Yo. Why waste time trying to measure the bullshyt.

Black scientist have yet to determine how many different species of being classify themselves as WHITE in territories that color-less people control.

Did you know that most Caucasians can't trace their history back to any real homeland? Those that can really don't want anybody to know what was up. The U.S. is full of tired, poor and huddled masses of white immigrants yearning to breathe free at somebody else's expense. They remain racist on many levels, because they don't want to compete

with anybody else, on a level playing field. Their "home lands" will never accept them back. .

**ELBERT HOWARD
LIVES, ARETHA
FRANKLIN LIVES,
DEDAN KIMATHI LIVES,
FRANK E. PERRSEN
LIVES, RANDY WESTON
LIVES and KOFI ANNAN
LIVES!**

Get you a DNA test and take for granted it's true, correct, precise, on the money and has got you and your family line figured out. Don't get a second opinion Yo. Ain't that what Negroes and Negresses have learned to accept...Blind Faith! You grand parents didn't all come from the same household or community Shawty. Sitting down and talking to ya kin is unacceptable. This must change!

Black Power is not really putting a Black Face on White people's politics.

White girls are still maintaining a firm grip and are in high demand in the U.S. porn industry. Be on the look-out for dirty feet, if you are into this nasty mess.

Has anybody noticed that all the dudes that mess with the Kardashian gals are kind of slow, dim witted and borderline retarded, with their lives and money? These vamps know exactly what they are doing and what to look for. D-O-P-I-N-E-S-S!

Some Black scientists believe that Coconut Oil Kills 93% of Colon Cancer Cells in only 2 Days.

Islam forbids representative images.

Beware Negroes and Negresses that visit White peoples and Arab peoples Holy Lands. They are only trying to justify the White Supremacy and White Imperialism

of the Western dynamic. They too are Certified Negroes and Negresses under Warranty!

Some Moors in the Americas, don't claim that they are American.

So you think somebody is supposed to please you, follow directions, ask no questions and you ain't supposed to lift a finger? That's one of them mythological fairy tales Shawty. Better find you a church real quick, because you surely belong on your knees, wishing, hoping and eye balling everybody around you in this lifetime. Get you a FAKE MATE, Lord, Master and King of Kings. You just might even end up being a Broke-A-Sexual. Whatever!

Having a Black President and boat loads of Black public, ranking officials in office, don't mean a thing if they are not about empowering Black people. We as a global people want to move forwards, never backwards. Most of us are tired of being beggars, who are never considered entitled.

Don't think that people can't go to jail for playing around with tax returns, get rich quick schemes and phony tax bullshyt. Don't do that crime, if you can't do the time!

**WHAT U EVER DID FOR
ANYBODY?**

Europeans always find the philosophies of ancient Africa as sinister, unless they can incorporate them into their sinister White

The Nubian Times

imperialism. There is not much that Africans say, do or think, that Caucasoids don't claim as their property.

We fault no one for praying, but no one can stay on their knees or stare into space 24/7. We feel that occasionally one has to move their feet, get their brain working and handle some of their own business.

RAP / Hip-Hop ain't nothing but the BLUES, twisted, distorted with some machine beats. You got a bunch of male and female homo pretenders, pretending they are down for whatever. Listen to the lyrics Shawty! The only thing they are down for is a Jewish payday! The male and female SLIPPAS are more freaks than anything else. Only White people and their Black flocks call that success. It may not be time to get rid of the "N" word just yet. Be that Negro or Ni99a, take ya pick.

Being a people, does not make one a human being!

Know ya worth news- If you think your worth is only what some Cracker is paying you, then you are basic, cheap labor. Use some of your **free** time to do something besides, praying, getting high, Cumming, getting drunk and watching TV. You are ignorant and have a short memory if you think our troubles only started with Donald Trump. **REAL IGNORANT YO!**

Be your own worst critic and give somebody else a break. You must not have looked in the mirror recently. You a mess Yo! lol

The Po-Po conveniently stage crimes in areas where Black people live or frequent on a daily basis. If you are waiting on a published report to verify this, your best friend might be a dog.

The U.S. prison system shows just how cruel and racist the people of

8

the U.S. are. The Prison Industrial Complex is an intricate part of their antiquated classification of what a civilization is supposed to be.

Gender confusion is an assault on young people and their parents as well.

Black scientist are currently testing as many White people's DNA as possible, to determine how many species they are. Carbon dating their burial sites, puts them as first occurring no less than 10,000 years ago as a whole average, compared to African carbon dating of at least 5 to 6 million years on average.

Never forget that humans do some strange things in captivity, be it physical or mental.

We have too many Negroes and Negresses that only went to college to become agents, double agents, and slaves to any system that affords them a comfortable life-style. They serve as clandestine Po-Po.

The U.S. criminal justice system is using electronic, airborne cop cameras to record crimes when it feels like it. This system can also be used to catch dirty cops, when they feel like it.

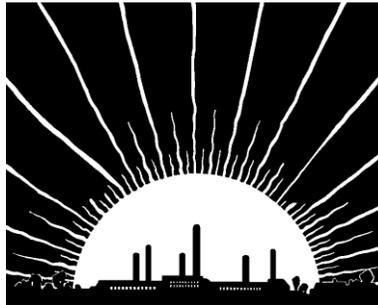

Here is a quick question for all the mythological female empire Buffy's. Did those female empires have slaves? Did they have a caste system? Mythology and fairy tales always leave a lot of questions nobody seems to want to answer.

When White people come to your house or establishment, they want to see their GOD in plain sight. They are shocked and get paranoid when all they see is your family and your ancestors.

N.W.A. is NUBIAN WORLD ALLIANCE, no longer **Niggaz Wit Attitudes**, unless you are still only into old school hip-hop. Members of the **Nubian World**

Alliance are global Africans only, move in silence, remain clandestine, but are action oriented. You'll never know most members of **N.W.A.**, because very few are advertising. . No member has any time for repeating dumb shyt over and over and over again. You know like Niggas and Negroes do!

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Euro-America's greatest asset today is the unquestionable loyalty and labor of near-50 million Blacks now firmly under their sovereign authority.

George Washington was the most prominent slave catcher.

The U.S is known as the home of the enslaved, for men, women and children.

White women set the tone for the European environment and all those that Europeans dominate.

Top over the counter and Internet drugs and medications used by Caucasians for **Pain Relief: Imitrex, Fioricet, Celebrex, Ultram, Tramadol, Hydrocodone.asp, Vioxx and Vicodin.asp.** All have side effects and many may have been seen advertised on TV, with no guarantee.

The Nubian Times

The U.S. still retains at least 1.000 tons of chemical weapons of mass destruction.

Everywhere those white explorers and soldiers went; they found people of color.

White American men are a bigger domestic terrorist threat than Muslin foreigners.

In European societies, if you don't belong to a Jewish tribe, you become a gentile, a pagan.

The Caucasian man is a mirror image of the Caucasian woman. Neither one is complete without the other as far as material possession and destructive mannerisms.

KSO- Russian elite, Special Forces, combat team.

As a military power, the United States vastly outguns the rest of the world, but has a harder and harder time translating that armed might into any kind of meaningful influence.

Of the 250 million people in the United States, an estimated 180 million are drug users on a daily basis.

Caucasoids are not Semites

Caucasian men do not fear White women!

Caucasian men do not fear Black women!

Caucasian men do fear Black men!

FOR PROFIT

John McCain

“Many of the ceremonies honoring troops at professional sporting events are not actually being conducted out of a sense of patriotism, but for profit,”

CULT OF IGNORANCE

Issac Asimov

9

“There is a cult of ignorance in the United States, and there has always been. The strain of anti-intellectualism has been a constant thread winding its way through our political and cultural life, nurtured by the false notion that democracy means that 'my ignorance is just as good as your knowledge.'”

THE STAR SPANGLED BANNER

#rd Verse of 4

And where is that band who
so vauntingly swore,
That the havoc of war and the
battle's confusion
A home and a Country should leave
us no more?
Their blood has wash'd out their
foul footstep's pollution.
No refuge could save
the hireling and slave
From the terror of flight or the
gloom of the grave,
And the star-spangled banner in
triumph doth wave
O'er the land of the free and the
home of the brave

MY MOM

Eminem

My mom loves Valium and lots of
drugs
That's why I am like I am 'cause
I'm like her
Because my mom loved Valium
and lots of drugs
That's why I'm on what I'm on
'cause I'm my mom

KING OF NOTHING

Seals and Crofts

When I was seventeen I dreamed
of being king and
Having everything I wanted
But that was long ago and
My dreams did not unfold so
I'm still the king of nothing

LIKE A ROLLING STONE

Bob Dylan

Once upon a time you dressed so
fine
Threw the bums a dime in your
prime, didn't you?
People call say 'beware doll, you're
bound to fall'
You thought they were all kidding
you
You used to laugh about
Everybody that was hanging out
Now you don't talk so loud
Now you don't seem so proud
About having to be scrounging
your next meal

How does it feel, how does it feel?
To be without a home
Like a complete unknown, like a
rolling stone

~

Caucasians call Black people that
refute White mythology Black
supremacist.

The U.S. always experiments on its
soldiers. These are same people
who "volunteer" to defend that
nation. When they serve, they are
considered the property of the U.S.
government.

It was only after 400 years of
African slave trade that Europeans
were able to conquer Africa and
enter into the Industrial Revolution.
Without the Trans Atlantic Slave
trade, Europeans would have never
gotten a head start into that
Industrial Revolution.

In Caucasian dominated societies,
the upper class commits far more
crime than the lower class. For
example, in the United States,
street criminals stole \$15.3 billion
in 1993, but white collar-criminals
embezzled \$200 billion.

During slavery in America, White
females would literally disfigure
Black women slaves in fits of
jealousy.

Caucasians are the only group on
the planet where some of their

The Nubian Times

members routinely have sex with
animals.

Over 1 million violent crimes take
place in the U.S. per year. The
police can solve less than 1/2 of
them.

Caucasians will never show
continental unity. Languages,
nations, tribes, religions and a
whole host of other categories
divide them, but most of all they
are divided by fear. Caucasians are
Xenophobic.

Christian Caucasians in Europe ran
other Christians to the New World
seeking "religious freedom".

The Gospels of Philip & Thomas
were banned by the European
churches. .

In Caucasoid dominated countries,
pornography is more watched than
sporting events, but the attendance
& ratings of sport events is
increased when you add "mild"
pornography or women bouncing
and throwing their legs and bare
body parts in the air.

A person that drinks alcohol daily
will be considered a well adopted
individual in Caucasian dominated
societies, where alcohol
consumption is not only allowed,
but also expected.

In places controlled and dominated
by Europeans, pedophilia is a way
