You think you are lighter than a paper-bag royalty!

You don't have a clue what systemic or institutional racism

is. You are more worried about somebody calling you the "N" word, than you are about being

YOU'LL KNOW YOU'RE A NEGRO REMINDER

treated like the "N" word.

You are Black in America and don't want Reparations without stipulations, pledges or oaths.

You think that Black folks are suppose to wait for white folks permission to talk, to shop, to drive, to eat or to go to the bathroom.

You think being PRO-BLACK means a person is anti-White!

You think that the meek shall inherit something in the U.S. WTF! You are sure enough a born in the U.S.A. Negro fool. It's OK to get mad and pout Shorty.

Your big-head is more worried about White people than your own people and family, to your own detriment. Ni99a Please!

Your family reunion has more White people than Black people. Couldn't that be called a WAKE Shawty?

You quickly forgive and forget monsters that kill and murder your sons and daughters in cold blood. What they call that...CP Time too? You are not right within. You are rotten in the brain!

You run like hell towards or fall for any and everything fake, phony or that's some bullshyt and run away from anything that you see, hear, taste, smell, touch or taste, that deals with reality. Bullshyt don't taste like chicken Yo, even if it is sugar coated!

You start believing that the man who murdered or enslaved you family and raped your grandmothers is now your friend.

You are a female and you stand up in front of your Mother, Aunts, Nieces and Nephews and you tell them that some other female is your husband or wife. WTF!

You don't realize that poor whites are afraid that they might be drug into slavery again.

You forget that skin folk ain't always kin folk.

You think the vote is so everybody else gets benefits except you and your kind. YOU ARE DEAD WRONG! Somebody is gonna die because of your stupidity.

You think males and females can make a future without some type of cooperation between each other. You might be alive now, but your essence won't be for another 25 generations if at all. You got a death wish Negro!

You think cocaine, heroin, meth and crack are recreational drugs. Negro must run in your family Yo.

You are dumb enough to think that white people are in a hurry to live near you, have your children go to school with their children and want you getting the same wage or more than their wage. What has made you think that they want a level playing field Negro?

Your religious leaders have you contributing to the next lifetime, while your children are trying to live in this lifetime.

You just waiting for police brutality to kill / murder one of your children or family members, so you can get a Civil Rights lawyer and cash in. You real sick Shawty!

Your Mama says she's your Mama and your Daddy.

Your Daddy says he's your Mama and your Daddy.

You believe that women or even men parading around half-naked, has something to do with spirituality or perhaps culture. But you don't live in your culture. The Negro lives in somebody else's culture.

You think they are going to pay you more on the job if you got your Nike, Reeboks, Timberlands, Bloody shoes or golden slippers on.

You actually want your children to be naive, dumbed-down, hallucinating and stupid to the ways of the world. Ain't no strength and ain't no power in that.

You get an attitude because somebody doesn't want to tell you all their personal business.

Whatever you purchase and come out the house wearing, proves you a Negro or Negress. People see you coming from a whole country mile away!

You are waiting for Martin Luther King Jr., Malcolm X, Jesus, Muhammad, Harriet Tubman, John F. Kennedy, Franklin Roosevelt, Ronald Reagan, Bill Cosby, Abraham Lincoln, Barack Obama, Michael Jackson, Kamala Harris, Prince, Ma'at, Wakanda, Shaft, Super Fly, Super Man, Bat Man, Foxy Brown, Nzinga, Michelle Obama, Jim Dandy, Bill Clinton, Tupac, Shango, Bob Marley, Amen Ra, Michael Jordan, Ice Berg Slim, Joe Biden, the 60's, the 70's, the 80's or the 90's to come back and rescue or save you from whatever!. Something is definitely wrong with you Shawty! Must be Negro Fever!

You think Black businesses are robbing you and that they are suppose to give everything away for free. But you give White

The Nubian Times

businesses, Korean businesses, Arab businesses and Chinese businesses a pass. You might even pay top dollar for their products. PTSD Shawty!

You don't contribute to Black businesses because you think somebody Black owes you something or perhaps that only Black people working for white people is legit or legal.

You think Nike is a Black owned business. You just young and dumb Shawty!

You think Popeye's and Chick-Fil-A are Black owed business. You just old, dumb and a knucklehead

You receive welfare for public housing, clothing and food and you think you are independent. WTF!

You think women can be the primary army of soldiers against an army of men.

You done had this "DREAM" about being equal to some White people somewhere and you don't love and respect those in your own group. You just always let the negative outweigh the positive.

Your mind has been fixed to look for errors, mistakes and faults in your own people Shawty, instead of counting your blessings. You're just a 24/7 hater of your peoples Shawty!

You think that voting is the only thing that Black people have died for. You are suffering from a bad case of selective amnesia Shawty!

You are waiting for White people to give you/us a formal apology for slavery. They liked slavery then and like being the beneficiaries of slavery now knucklehead.

You buy what you want and have to beg for what you need. Those

3

of us who are Negroes don't feel like they need their own businesses, schools, institutions and power. Negroes don't know how to stop begging and organize.

The only thing coming out of your mouth is "ain't no need in complaining'!

You haven't noticed that Black police don't kill unarmed White people.

You allow terrible things to happen to others as long as you feel safe and protected.

You get a DNA test and want to pretend you can't track down exactly who raped and sodomized your grandmothers and grandfathers. You think that a DNA test is going to open more doors up. Negro, you are laughable.

You and yours represent the new Black White people.

You run around telling people you are part-Indian. Oh really? You ready to smoke a peace pipe with some invading immigrants and fight all Blacks and Africans to the death. Indian and Nygga is the exact same thing bird brain. You just moved from the reservation to the ghetto and can't get back on the reservation.

Somebody can brain-wash you and yours into thinking that their lives don't matter. All Black Lives Do Matter and are important to the health of our race-family!

Your only view of the world is with blue eyes! Your world-view coincides with color-less people.

You keep saying this is 1492, 1610, 1776, 1865, 1931, 1968, 2000, 2010, 2015 and 2020 and this shouldn't be happening.

You get fake hair to attract real men or real women.

You think that White people don't know what a Negro is.

You pretend that your spewing venom, gossip, drama and poison to people and about people is not as violent as getting physically punched in the face. Mental, psychological, emotional and spiritual damage oftentimes can never be healed! You are a Yip Yapper Yo!

You've been taught that White folks are superior to you and should never be challenged.

It doesn't take a lot for commercials, politicians, ministers and other groups to "SIKE" (PSYCH) you out.

You believe that ain't nobody somebody until white people tell you they are somebody. You watch the major networks like you are getting truth. Weak people only have weak futures.

You don't believe in yourself. You are more than willing to settle for mediocrity.

If REPARATIONS is not a serious issue in Presidential or any other elections, nobody is taking you serious. Somebody may have died for you to be taken seriously.

You pretend you're not a possession of Corporate America. Isn't that where most Negroes spend most of their time and all of their money when they think they have arrived? Possession is 9/10 of the law. African-Americans are the possessions of corporate America. Any questions Negro?

Somebody can just come in and shoot you, bust you upside the head, lock you up or lynch you. You are not powerful Negro!

You got on the Friendship Train, the Love Train, the Color-Blind Train, the Diversity Train, the Multi-cultural Train, the Freak Plane, Oprah's Show and the Dream Ship Lollipop and your

The Nubian Times

goal in the pursuit of happiness is to first make sure that White people are happy. You haven't been on any train, boat, ship or plane, but you dam sure done fell off a wagon and bumped you big-eggy head Negro!

You could be a Certified Negro Under Contract or a Negro European! They say you have choices. lol

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Once you read this paper and some of these quotes, you may never be the same again. That's GOOD NEWS!

SOCIAL ILLUSION

The Gospel According To

Dr. Claud Anderson

"Black folks are not free from anything. You are just as impoverished today, just as powerless, just as disorganized as you were in 1860, on the eve of the civil war. You have not moved, not one iota in 140 years. All you're doing is enjoying the fruits of a social illusion.

4

WHAT YOU NEED TO BE

The Gospel According To
Dr. John H. Clarke

“You must understand that the world out there was not shaped for you. It was shaped by the European, for the European. For five-hundred years, the world has been shaped to suit European people, and you have to learn how to get through all of that and be what you need to be in this world. .

UNDERSTAND A PROBLEM

The Gospel According To
Dr. Amos Wilson

“If you want to understand any problem in America you need to focus on who profits from that problem, not on who suffers from that problem.”

NO PROGRESS AT ALL

The Gospel According To
Kwame Ture

“If the masses do not progress, there is no progress at all.”

CONSCIOUS & ASTUTE MINISTER

The Gospel According To
Bishop Tudor Bismark

“Prayer is not in the success equation. Prayer is in the Revelation equation. Decision making is in the success equation. You have to make a decision and be sound. We have to be disciplined and make sure we go and get what God has called us to get. You can be full of the Holy Ghost, but you can still be ignorant

“It’s not about praising God, and hallelujah and a great thank you Jesus. It’s about possessing an understanding as to how things work.”

IT’S A BIG MISTAKE

The Gospel According To
Nelson Mandela

“One of the mistakes of which some political analyst make is that their enemies should be our enemies.”

NEGROES GREATEST DESIRES

The Gospel According To
Mwalimu K. Bomani Baruti

“One of the Negroes greatest desires is to be able to shame Yurugu into loving them.

PAY A PRICE

The Gospel According To
Fred Hampton

“You have to understand that people have to pay a price for peace. If you dare to struggle, you dare to win.”

THE WHITE WOMAN

The Gospel According To
Dr. William Mackey

“White women will take Black women’s support, tell them to kiss their butt, and go along with their men.”

AFRIKAN ORIGIN OF ELECTROMAGNETISM

The Gospel According To
Nur Ankh Amen

“The most powerful tool of modern technology is Electrons. The cover up and denial of prior electronic use in Afrika allowed many inventions to be patented, creating massive profit for the ‘inventors’ and the new industry”

“Discoverers of electronics like Volta, Hertz and Ben-Franklin were merely Columbus’s of the Electronic Frontier.”

The Nubian Times

OUR TRUE REALITY

The Gospel According Tao
Dr. Frances Cress Welsing

“We do not see the war being waged against us, because we don’t want to and because we are afraid. We are engaging in behavior specifically designed to block out any awareness of the war- our true reality!”

MIND CONTROL & MANIPULATION

The Gospel According To
Junious Ricardo Stanton

“Public opinion polls are another sophisticated means of manipulating and monopolizing the marketplace of ideas; they are an effect of the psychological warfare going on around us for dominance. In many cases the wording of the questions themselves are a form of psychological manipulation.”

DEAR MAMA

The Gospel According To
Dr. Jewel Pookrum

“Mothers please stop raising our future incorrectly. Our children are the most mature children on the planet and they grow rapidly. The Afrikan child is an adult at age 14. On a physical level our 13 and 14 years olds are living out their destiny, but because their mothers don’t know who they were and who they had, these young men and women have been down loaded no information. By the time an Afrikan child is 7 years old, they must start intense education and discipline so that when their hormones finally kick in at full level at 14, you have a functioning adult. It is dangerous to send your child to an educational system that actually is using another races cultural standard to educate your children. It takes 21 years for a

5

Caucasian to mature. By doing so, we inset severe mental retardation into our children."

NO FREEDOM, NO PEACE

The Gospel According To
Malcolm X

"You can't separate peace from freedom, because no one can be at peace unless he has his freedom."

VOTING?

The Gospel According To
Haki R. Madhubuti

"Voting creates an illusion of power that does not exist in fact. It works wonderfully well for the rulers, the real decisions makers, because the people in capitalistic democracies actually believe they are deciding and running things. One surprising difference between capitalistic and communistic countries is that the people in the latter countries know they are powerless."

IS NOT NORMAL

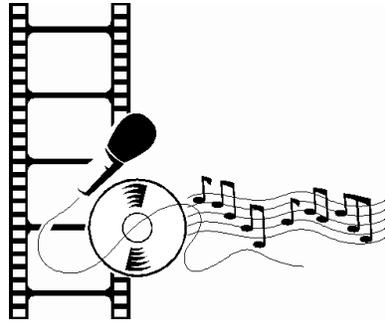

The Gospel According To
Shahrazad Ali

"There is another need that has not been addressed in our community, because nobody will deal with it. And that's that God did not create 3 sexes. We only have men and women. Now I have not said that we should reject the sisters who try to act like men and the men who try to act like women. I'm not saying to reject them from among us, but they have to be taught, we do not have to accept that as some type of normalcy, because that is not normal."

MELANIN

The Gospel According to
Dr. Richard King

"Melanin, by its ability to capture light and hold it in a memory mode, reveals that blackness converts light into knowledge".

WHY U HATE

Plies

Wanna ask the government: Why y'all hate us so much?
Wanna ask the other color: Why y'all hate us so much?
Wanna ask the law: Why y'all hate us so much?
Wanna ask the prosecutor: Why y'all hate us so much?

Is it our skin color, or is it the way we talk?
You hate us cause we us, or you hate us cause we folk?
Is it the way we live, or is it the way we walk?
We never had shit, so it can't be nothin' we bought
This shit y'all took us through, prolly the reason we off
Our pride we still got it; only thing we ain't lost

WHO, WHAT, WHEN, WHERE and WHY

Trevor Noah

"Why is it that the police decide that some threats must be extinguished immediately, while other threats get the privilege of being defused? I'm asking these as questions, but I feel like we know the answer."

"The answer is that the gun doesn't matter as much as who is holding the gun. Because to some people, Black skin is the most threatening weapon of all."

"No one drives into a city with guns because they 'love' someone else's business that much. No one has ever thought, 'Oh, it's my solemn duty to pick up a rifle and protect that TJ Maxx.' They do it because they're hoping to shoot someone."

Though what happened in Kenosha was "tragic," the two different scenarios were "illuminating."

Because ... it really made me wonder why some people get shot seven times in the back while other people are treated like human beings and reasoned with and taken into custody with no bullets in their bodies."

AIN'T GONNA LET NOBODY TURN ME AROUND

WEAR YOU OUT

Muhammad Ali

“It isn’t the mountains ahead that wear you out, it’s the little pebble in your shoe.”

GET UP, STAND UP

Bob Marley

Most people think great God will come from the sky
Take away everything, and make everybody feel high
But if you know what life is worth
You would look for yours on Earth
And now you see the light
You stand up for your right, yeah

THIS WOMAN’S WORK

Maxwell

I'll stand outside
This woman's work
This woman's world
Ooooh it's hard on a man
Now his part is over

Either way still get burned

It's the pride that keeps you strong

Don't you think it's fascinating?

SELECTIVE AMNESIA

ACID FOODS

The Gospel According to

Dr. Sebi

Ananything you put in your mouth that is acid will eat you up. And anything that you put in your mouth that is acid, God did not make. For instance, wheat, rice, beans, cows, hogs and chickens! All that stuff is garbage."

THE BEASTS

Anonymous Submission

We are living through a struggle of two forces on this Earth...beasts who walk upside down and angels who walk right side up. The beasts that walk upside down in the world, control information and have distorted history. They try to get us to see the world through their distorted ideas and concepts. The beasts walk in darkness and are unable to tune into the light."

BEING HUMAN

The Gospel According To

George Washington Carver

How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and strong. Because some day in life, you will have been all these!"

MUMBO-JUMBO

The Gospel According To

Dr. Amos Wilson

The Black community is misled by electoral Mumbo-Jumbo and antiquated, ethereal political theory into placing all its hopes for survival, security and liberation in the hands of politicians who are as powerless as the community they represent. Because of their personal and career ties to the White American political system, electoral processes and political parties, Black politicians, along with their Black media supporters are almost instinctively opposed to an independent, nationalistic political and economic movement. This is particularly the case when those movements rival their own leadership and influence in the Black community, and when they cannot control or squash them at the behest of their White political bosses."

CRACK HEAD NEWS

SYSTEMIC RACISM

YOU ARE BEING TESTED!

EDITION

When Negroes forgive and forget, White folks realize once again, that they don't have to pay consequences for their actions. That is an intricate part of white privilege.

The Nubian Times

Nations around the world have built a wall around Americans. They are saying Americans are too sick and ugly.

What groups votes, pays taxes, serves in the military, has to raise children, helped build a country and **makes no demands?** Do Black Lives Matter or what?

If it makes you happy, we'll call your being made "retarded" the Matrix. Seeing it on the big screen, high-definition with a lot of bullshyt and sound effects might make you feel good. But it won't make you or the people trying to explain the bullshyt any less retarded. It was nothing but Alice in Wonderland updated Yo! Same story, just a new generation of fools trying to make dumb shyt make sense.

Simpletons think they can make America Great Again or Rebuild America without admitting and paying for the atrocities from where it developed. No, you are not building on our backs again, without paying up what you owe.

Black people have no FAIL SAFE. They accept all kind of bullshyt treaties and political hog wash.

To the conscious, un-conscious and the Walking Dead! There is no ban on the word "NEGRO", whatever it is! It may not be time to get rid of the "N" word just yet! Negroes are still being vetted and have to pass orientation.

West African spiritual practices like Ifa and Vodun are on the rise in the United States, as practitioners connect with their roots. Systemic racism causes many a Black people in the U.S. to think that they are practicing witchcraft.

Rules of slavery- most Blacks the world over, still lust over European controlled goods.

8

Dirty, insane cops will go into private security when fired from government jobs. White people will hire them to fulfill their need for protection and domination. It's much the same for soldiers who survive the craziness of war and are unhappy with minimum wage jobs.

Black GrapeVine news- There is a group of well connected Black preachers telling Black women that their boyfriend is some blue-eyed, dirty blond White boy and if they humble themselves, when they die they can walk around heaven in golden slippers with that White boy. The White boy is their lord and savior, because Black women are wicked and sinful. What up? Somebody is being made a fool of.

So far, during the protests, there were at least 115 head injuries from rubber bullets and crowd control weapons.

Moor Wigger news- Europeans developed the World View that Black people, African people are sub humans. Europeans know that they were created by Africans, but they reverse the mental picture and attempt to say that they evolved from apes or monkeys. They are very treacherous.

The next stage of the American Inquisition is the ultra release of "Thought Police" The sequestering of social media and social demonstrations. A government sponsored show of force and of fear to create a uniform system of beliefs, imposing their own sense of the world on everyone. Much the same as the Spanish Inquisition did in Europe. .

A bullet don't give a shyt who you are!

Wigger news- We no longer live in the Information Age, we are in the Misinformation Age. The public

has again been glutted with lies and alibis.

Only African Christians would buy a factory and convert it into a church where they will pray for jobs.

Europeans can claim that they are Moors, but they best not come out their mouth trying to say that they are Nubian. Nubian existence pre dates them being even thought about.

INQUISITION

Black GrapeVine news- To have some famous Negroes tell it, their lives weren't worth shyt, until some White Daddy came to the ghetto and DISCOVERED them. We seem to hear these stories all the time. So these Negroes seem to think they had no value until they could make themselves useful to a White Daddy? Of what value are they to us?

Afrikans never have separated spirituality and state, like White people have separated church and state. That's also one of the main reasons why Afrikans are so confused living under European dominion.

The FBI and the CIA are the largest book and information publishers on planet Earth.

Most of our people are more overly emotional about Democrats, Republicans or a person's light or dark complexion, than they are about Blackness. They get all excited about voting, but not so much when somebody says Black Lives Matter. As they roll their eyes, we all remember the contagious saying that "Ni99ers Ain't Shyt!"

Milk from cloned cows and meat from the offspring of cloned cows and pigs is showing up on grocery shelves now.

The Nubian Times

Once upon a time, India and China were poor countries.

Black GrapeVine new- There is a group of loosely connected, obedient Black men and women telling their babies that some fat, jolly White man comes down the chimney every year bringing them gifts and presents if they are well behaved or obedient. This White man makes his way around the world on a sleigh pulled by flying reindeer filled with bags of toys. He lives on the North Pole and makes his rounds yearly. What up? Somebody is being made a fool of.

All men are not the same. All women are not the same. Some men and some women are like family and will watch over you. Still, other men and women have lost their way and will hurt you physically, mentally, emotionally, psychologically or spiritually. That's why strengthening the mind is so important and the opening of the third eye. We all will have to do the Math and figure some things out. Depending on your environment, this might not be an easy task. That's why **FAMILY** is so important. There must be order in your Universe. Keep doing the Math. You will win.

Lemon juice helps balance blood sugar and has an alkaline effect on your body helping to regulate ph. It contains Vitamin C.

The NAACP gives image awards to singers, actors, and producers, etc. who dump toxins into our community and call it entertainment.

Think it's hard for one Black person to put money in another Black person's hands, as bad as we need cooperative economics and commerce? When was the last time a white person, a Korean, a Chinese or an Arab placed some money in your hands? Mind refresher Yo...you being boycotted and being held in ya place Shawty. It's an uphill climb from the bottom unless you organize, unite and find common ground to save your future.

The Constitution of the United States is designed to protect the rights of minorities, protecting the 1% (minority) that control 70% of the wealth.

Do like the Arab Egyptians did; invade a country, control other people's artifacts and charge them a price for a passport, admission, room and board, a quick look and a camera flash!

Any male or female that spends \$200 a month on beauty products is a no brainer, unless somebody else is paying that bill. Black don't crack unless you on crack!

CALIPHATE

If you go to school and get the normal education and still think that you Creator is a White male or a White female, you have lost your African mind!

If all the Black people that went to college, the university or got a higher education were dedicated to their community and their people, Black people wouldn't have any problems worth mentioning. It may not be time to get rid of the "N" word. Do grown-ups ever feel betrayed or is this the norm?

Hey Yo! Didn't you know that the Cosby Show was a **situation comedy** and you were supposed to laugh, not think it's real? It was a joke, just like the Fresh Prince of Belair or Martin. Couples that make their relationship more like a "WAR GAME" are never ever successful. It's not supposed to be about competition between enemies, but more like co-operation between "lovers"!

Paper is one thing, but practice is another.

You may be a supervisor on your job, but don't come out in the streets thinking you are anything more than a squirrel trying to get a nut or you will get cracked. Your job means nothing to anybody except the people that pay you, the rent man, your car note holder and wherever you buy those cheap clothes, like Wal-Mart, Target or

the Thrift Shop. Once you leave the plantation there is limited protection. Be safe!

Blacks are not the only people that look at pictures and make assumptions and unsubstantiated claims masquerading as facts. A non-critical thinker will look at a picture and think they see their relatives, a warrior, an angel or even God. It just might be a eunuch or wench posing and perpetrating a fraud. Pictures are often powerful propaganda tools in books or even on the walls of museums..

Black people are the only people in the world that need books with references to tell them who their enemies are, but most of them still won't believe what they read.

Charles Sims was the founder of the Deacons for Defense and Justice in Louisiana in late 1964. In 1965 the FBI began investigating the Deacons for Defense and Justice until early 1972 when the organization became inactive. The FBI characterized the organization as a black militant vigilante group, formed for purposes of retaliation for Ku Klux Klan activities. The DDJ expanded to 62 chapters throughout the South with a chapter in Chicago. Black people characterized the organization as self-defense.

BEHIND BLUE EYES

The Who

To be the bad man
To be the sad man
Behind blue eyes
And no one knows what it's like

But my dreams they aren't as empty
As my conscience seems to be
I have hours, only lonely
My love is vengeance
That's never free
