## GIRL ON GIRL VIOLENCE ON THE RISE!

By MacktheKnife

This report is coming from the front lines, the Belly of the Beast. While some people hide out in their ivory towers, religious temples or cubicle caves, girl on girl violence is rising off the charts. This is what's going on in the suburbs and the urban areas of America. In the streets, play grounds, alleys, sand lots, bars, beaches, corn fields, hoods, country roads, back yards, schools, concerts and recreational areas. Girl on girl beat downs are out distancing male / male and male / female violence quick and in a hurry. Girls outnumber males and many of them are dancing to the beat of war drums that most people are unaware of or ignorantly trying to ignore!

Girls are going toe to toe and fist to fist, having knockdown, drag out fights in ritualistic like combat. Don't believe me? Just go to the Internet and do a search for "girl fights". You'll find hundreds, perhaps thousands of girl fights that have been captured with video

cams or cell phones. That's right, girls are beating the Hell out of each other and the brutality is being

### ISSUES

## GIRL ON GIRL VIOLENCE ON THE RISE

caught on video. It may not be a Black or White thang, but it is a brutality issue.

The tip of the ice berg is young women, between the ages of 15 and 35, with too much time on their hands. They are choosing to settle their disputes with flying fists, arms and legs. The UFC has nothing on them. Pulling hair and slapping is no longer the point. These scenarios have gone beyond what people use to call "cat fighting". Each participant wants to ground and pound their opponent. The action is always captured by cell phone or video cameras and the audiences, dominated by other females, let them handle their

business. Occasionally some of their friends jump in the brawl and the scene becomes a free for all.

Most of the fights are not spontaneous, but planned. Oftentimes the fights are not broken up until the police arrive or a victims face is bruised, battered and blood is drawn. Too often, giving up, submitting or quitting is not an option

You have not seen unfettered violence until you've seen two females clash with fists. Some schools and colleges have more girl fights than boy fights. Things like sugar and spice and everything nice, have turned into snakes, snails and dawg on dawg tales.

The court systems are beginning to see more and more girl on girl domestic violence cases and pleas for temporary restraining orders. Orders of shall not abuse, shall not contact, shall not enter residence and shall stay away from employment. This is part of the adult facet of this article. We now have woman standing outside homes, jobs and stores ready to open a can of whip ass on another woman like it's an everyday affair.

Anybody that thinks that "Hip-Hop" has caused this phenomenon might have their head buried in too much virtual reality or 45 newspapers. The influx of female violence has been building for the past 40 years and is growing. Some have even suggested that its caused by the porn industry, lack of lap time, programming, video games,

poverty, television, oppression, frustration, sexism, too much time on their hands, the movies, racism or the breakdown of the family. Whatever! I'm just bringing the reality to much needed light. Some paid psychiatrists, politicians or some uneducated fools can ponder the reason and the solution. The days of the cave people are upon us.

I'm not writing about "gang" or "funny" violence, I'm talking about clashes of females in a violence gone wild society. It's a sign of the times. For some young ladies, the only escape from female violence is a "thug" friend, usually a male, to keep the violence out of their life. They may be able to civilize the "thug", but they know that there is no civilizing the viciousness of females gone wild in a violent society!

## CRACKHEAD NEWS

### CSI ALERT CRIME SCENE INVESTIGATION EDITION

Russian scientists have found a way to turn blood into biscuits, yogurts and drinks. They get their blood from local meat plants that discard blood from dead cows and pigs as a waste product. The processed blood is 5 times cheaper

to manufacture than equivalent dairy products. One day you could be eating chocolate-filled biscuits and drinking a vanilla-flavored milkshake or coffee that is made with processed blood. They say the average person wouldn't know the difference. One source said that the labeling wouldn't say that it was a blood product, but that the product contained blood materials. Whatever! We all vampires in this I suppose.

**The Black child is not a White child who happens to be Black.**

When a child's parent goes to jail, that child does time right alongside that parent. Losing a care giver could and usually does create feelings of fear, anxiety, anger, sadness, depression and guilt in any child.

The United States is one of the few places on planet Earth, where the people's Lord and Savior allows them to brutally beat people down, punch out other people's lights, rip people off of their land and resources, capitalize off other people's misery and in too many cases kill, hunt, maim and injure God's other beings. All is forgiven if you say a couple prayers and read the right book or passage. Go figure. CSI alert! If this doesn't sound right...give praise and thanks!

If women outnumber men by 8 to 1, then 7 women are not going to have a man, unless women share their man. If women outnumber men by 15 to 1, somebody is gonna cum up short with the soul mate thang!

Healthy communities don't have a generation divide. CSI alert!

Maybe we can get some schicken and skrimps and watch a movie.

The Negro raises children that deny a system of racism and do not fight against racism. They raise

## The Nubian Times

children that ostracize anyone that fights for justice. They imagine that anyone that fights against racism will be killed. What you think Shawty?

Athletes weighing in at 300 pounds are twice as likely to die before their 50<sup>th</sup> birthday as other athletes. That chance at fame and money by putting on weight and getting heavy will surely put you in an early grave.

What do Black women think the removal and placing of Black men in prison is about? CSI alert! If White sons, fathers, brothers and boyfriends were put in jail at the rate and numbers that Black males are placed in jail, White women would be up in arms. CSI alert! What is it that Black women care about? CSI alert!

Black GrapeVine news- One of the latest crazes in Hollywood is to have Black women playing cops. They are working on a whole boat load of Black women being in charge of maintaining the status quo. The prison industrial complex is real Shorty. The rich stay in power and the poor remain powerless. Get use to Black woman cops here, there and everywhere! Anybody seen that snitch? CSI alert!

Unintentional drug overdoses have become the second-most common form of accidental death after car crashes.

Rumor has it that something very valuable to the Empire was discovered in Haiti not so long ago. Do you know what it was? CSI alert!

The White Mutant Swine Flu- The latest reoccurring influenza (flu) virus spread from Europe to the United States and worldwide, is the White Mutant Swine Flu. Since 1492, the beginning of the outbreaks, indigenous people have been dying in alarming numbers.

### 3

The only way to avoid this flu is to avoid anyone who has this sickness and wash your hands after coming in contact with anyone you suspect has this Mutant Flu. Some of the symptoms are: You forget what you are supposed to be about. You forget what your Ma Ma and grandmothers look like. You start deciding that the tools that God gave you are wrong. You are easily convinced that you are an individual and you have a lot of choices. The White Mutant Swine Flu will give you a runny nose, bush fever, jungle fever, flava grabber fever and “u can’t get it up” fever. People known to mingle with those with this Mutant Flu may suffer severe cases of burning and inflammation, nausea, vomiting and diarrhea. Dizziness, fatigue, drowsiness, indigestion, shakiness, loss of appetite, decreased sex drive, dry mouth, ejaculation problems, insomnia, increased sweating, constipation; hot flashes, nervousness, pain, skin rashes, abdominal pain and perhaps toxin psychosis and narcotic dependence are other symptoms. It’s not uncommon to have alcohol dependency, heart irregularities, anxiety, jitters, dementia, and problems with constant pissing. The White Swine Flu will change your DNA and make you want to drink and eat blood. Some Black doctors have actually stated that the White Mutant Swine Flu could actually bring an end to humanity. What’s left will be kinda like a man, mankind 21<sup>st</sup> century style.

**Junkie news-** On the streets, “The White Girl” is either cocaine or some skank-azz White girl, out of her normal environment, trickin’ in the ‘hood. “The White Boy” is either heroine or some #@%\*skank out of her mind, hooked on the most powerful drug of them all, Jesus!

**Many substance users are men and women with professional careers.**

People with middle- to upper-class incomes tend to use their drugs behind doors in nice houses, in well-to-do neighborhoods. They slip under the drug war radar, just as college students do.

**Mariah Carey**, the top selling female recording artist of all time, is in another movie. This time she plays a mulatto waitress on the run with some White boys in Tennessee. Mariah is as bad as JLo; both gals need to get a life.

**Black GrapeVine news-** Many people are saying that Barack Obama should stand up and be a man about his Presidency and stop letting Republicans or whomever push him about like he was a boy.

There is an endless list of celebrities (male & female) that have had plastic surgery and admit the surgery was a mistake. Most of these celebrities are White, but we all know that Negroes have a propensity for imitating Europeans.

**White people pay Black folks big money to call each other bytches and hos!**

**Moor Black GrapeVine news-** When claiming one’s nationality, you had best claim some nation that has business, industry and military might right now, not yesterday, 500 years ago or 10,000 years ago. Getting a little government check and raggedy govt. housing is still plantation status Yo! Gods, goddesses, queens and kings waiting on a check is bullshyt. Somebody else is calling the shots Boo.

**On the plantation of the Americas**, slave masters would go to the slave quarters to rape girls and sodomize boys and girls. He had his way with his property. White people could give a rat’s azz. They say that was the past, but they always celebrate and cheer for the past documents like the Declaration of Independence and the Constitution.

## The Nubian Times

Documents that were in place during the Trans Atlantic Slave Trade! They celebrate all kinds of holidays from the past, especially when they want to “stick” it to you!

**Wigga news-** Caucasians have White girls kissing frogs, walking around with dwarfs, falling down rabbit holes, blowing over the rainbow, wearing boys clothes, fighting pirates, and fondling & kissing each other, etc, etc, etc. Now they want Black girls the same way. Have you kissed a frog or fell down a rabbit hole lately? Of course you have, you are integrated aren’t you? Where are your mentors, role models and relief from such attacks? CSI alert!

**How many Black youth are getting education to help their community?** CSI alert! How many Black youth believe in rugged individualism and to hell with those other Nyggas?

**Tiger Woods “Bum of the Month”** White females are posing all over the Earth, everywhere and anywhere they can make money; they do what they have to do. They don’t need the United States. Tiger’s fame reaches far beyond those borders. Many of these skanks (Cash Cows) don’t have a shred of evidence. If any of them did try to use Tiger’s image or likeness, Tiger’s lawyers would be all up their rotten, stinking butts with court orders.

**Hey Shorty!** Some of the deacons in your churches, had best have some protection, because some of these jock (dude) girls will run up on the collection as soon as they find out most of the members are afraid of them. They are gathering info on your weak points even as this article comes to press.

**If a Black Jesus appeared Shawty**, what would you do? Would you run away? Would you worship him as the Messiah? Would you trash him, because he is not White? Your brain been scrambled Shawty!

Everything just mentioned deals with myth or virtual reality.

What kind of a brother is it that, as soon as he can get some finances, runs to find himself a White woman, like all White women are so special? What kind of a sister is it that as soon as she gets some finances, starts crying that she wants to date White men or whatever, because all the brothers are dawgs, like all White men are so special? CSI alert!

Can we solve the problem of some of our own people profiting from our people's misery & agony? CSI alert!

In 2005, the FBI reported that law enforcement officers made more arrests for drug-abuse violations (1.8 million) than for any other offense.

Wigger news- No one denies the system of racism against Black people more that liberated White women. They relish being in charge and want everyone to know. They believe themselves to be so smart and that Black people deserve their positions in life. The White man had his turn and now it's their turn to run the world. Their vampirish vision of the world has been known to be called the NUT-LESS EMPIRE.

When White people get angry, when they are in a State of War or when they are amongst other White people and they surely will call Black people Ni@#ers. When educated Blacks, Bourgie Blacks or sophisticated sissies get their attitude on with another Black person, what do they call each other? CSI alert! That political correct bullshyt is for television, newspapers or churches, but when you in a fight, you go for what you know.

Moor Wigger news- White people don't want Black people to have Reparations, because they say that

would enslave the rest of the nation. Much the same as the IRS, banks and corporations have enslaved the rest of the nation. We need some serious CSI up in here! Somebody gonna pay for this criminal shyt! The government should have given up those 40 acres and those mules.

Rumor has it that Reggie Bush of the New Orleans Saints, had best use some strong mouth wash if he plans to continue dating or getting down with that Armenian, White girl, Kim Kardashian. When her weak, but explicit sex tape "leaked out" with her & Ray J, everybody who saw it knows that Scope, Listerine or either Lavioris should pay that skank a few coins to promote their products. Hopefully Reggie Bush is not in love with Ray J. Whatever!

Before barber's clippers, Madame C.J. Walker, perms, geri-curls, conks, wigs and hair weaves, how did Negroes style and wear their hair. CSI alert! You have to look at pictures, because what you see on TV is bullshyt!

Among minor children with parents in prison, 67% were black, 24% Hispanic, and 0.9% white. More than 4 in 10 fathers in state and federal prisons were black, compared to 3 in 10 white and about 2 in 10 Hispanic. Among mothers, 48% were white, 28% black, and 17% Hispanic.

If Black men and Black women have children by White women and White men, are they paving the way for White genetic annihilation? What you think Yo? CSI alert!

**CLAUDIA MCNEIL LIVES, DR. KHALLID MUHAMMAD LIVES, DR. IMARI OBADELE LIVES, EUNICE W. JOHNSON LIVES,**

## The Nubian Times

**ALTHEA GIBSON LIVES, MARY WOODSON LIVES, KESHA WIZZART LIVES and REV. DR. ISHAKAMUSA BARASHANGO LIVES!**

One fourth of the prison population, about 1/2 a million people, are locked up because of drug related charges.

Everyday some Black people read 10 newspapers, that find 10,000 differing ways to disrespect them, you and I. Then they pretend that these newspapers are talking about somebody else. They want you to read the codes so you can figure out how much people hate you too. Just don't read it if you plan on doing something about it. If you go into action, you might not have enough time to decode the bullshyt you already should know by now! CSI alert!

**YOU DOIN' BAD BY YOURSELF**

Gay women are making a big come back to the church. They figure ain't nobody there got a man anyway, why not? A good majority of the ministers are gay and the one they praise is a virtual reality character, just like they had or have been doing all along with another woman. Some say they feel there is

## 5

nothing goin on but a “hole” lot of pretending, praising, pretending and masturbating. Halleluiah!

Not everybody can memorize and learn dumb stuff that does not compute! The dropout rate is off the hook. I’m talkin’ ‘bout college Yo. What you think I was talkin’ about...elementary school?

If you are married to your job, Jesus, Barack Obama, Michael Jackson, Bill Clinton, Pastor Bothways or to Allah, you don’t need a spouse, you need a life.

If you think you can’t get AIDS or HIV from a woman, you done lost your f##\*king mind!

Back in the day, gay people said that they were born that way. Now, peeps just go whichever way the wind blows or whichever way they turned out. Whatever!

When White girls can’t get a White man to finance and uplift them, they’ll take a Black man with some cheddar and a piece. Who’s going to stop them? White girls will get with another woman with a “fake piece” if they think they are going to get something out of it. It’s a White thang!

How many Black people actually feel like they are in a “war” with White people or at war with a White Supremacy system? CSI alert! Don’t get me started Dawg!

On the new plantations of America, women must learn to work, play and exist with eunuchs, men with no balls unless they confront some of the enemies of their own people or stop hatin’ on the essence of their own kind. Men must learn to work, play and exist with pit bulls, women with no heart or self respect unless they organize and stop working for the enemies of their own people or stop hatin’ on the essence of their own kind. Is there anybody that doesn’t know what the deal is? If you got

something to say, pull me up on Face Book and Twitter Yo. You’re a jerk!

More Wigga news- There is plenty of White men that want to get in Black women’s panties, for a minute, for an hour or maybe a half a day in private. But there are few White men that want to be seen in public with a Black woman, unless she is an employee or something of that nature. There are even fewer White men that want to take a Black chick home to Mother or Dad? It’s like getting with a Black woman is not their idea of nation building. Getting with a Black chick is not their idea of demanding respect from their peers.

Negroes died for the right to vote in White people’s elections. Negroes have no voting on their own issues or problems. Negroes follow behind White people. White people set up the rules, regulations, parties, candidates, circumstances, situations and control the majority of the issues. The Negro doesn’t vote unless White people tell them it’s time to vote. Does the Negro have any issues worth mentioning? Could this be a CSI alert?

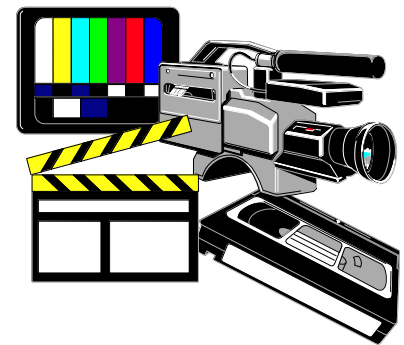

Anything you wear on your hair that don’t have no root is dead! Some of the things that people are wearing on their heads are killing their roots. To people with their third eye functioning, these are some of the walking zombies that look “dead” to their minds eye.

White men & women have indoctrinated Black women, with the myth that a woman must do the same thing that a man does. Now all they have to do is convince Black children that their mothers are suppose to do the same things as men do and the Negro will complete their spiral backwards.

Do you think that Black people can solve all the problems that we face?

## The Nubian Times

In this European Age of Pedophilia, there is a growing rise of white, adult females molesting little girls and their own children. Much attention has been given publicly to white male kind with homosexual pedophilia or pederasty and Catholic priests, but look out for the white females, their real behaviors are on the rise Boo! Sooner or later they will try to decriminalize these behaviors. They want to make the shit legal. You asked for integration and liberation, now you got it. CSI alert!

## MOVIE REVIEWS

By DIVINE1ON1

### THE BOOK OF ELI:

**Featuring:**

**Denzel Washington**

This picture starts off with Denzel (Eli) being one of the last people left in the United States, after some type of nuclear bullshyt. The story revolves around Denzel making some type of fantastic journey to deliver a “book” to a destination that only he knows. The story line was fair and Denzel even had some action fighting scenes,

## 6

but something was missing. I don't think this picture had the depth or charm of some of his previous pictures. To me it seems like one of those Denzel saves White people pictures, like we've seen before. A picture you watch, but it is hard to find a reason to tell other peeps to check it out. I wouldn't want to see this picture again, but it didn't put me to sleep. Denzel is Denzel. His character brought life to a fair storyline. Don't spend a lot of money to see this if at all possible. Catch it on television whenever. That's all I can say!

**6 out of 10 stars**

### **PRECIOUS:**

#### **Featuring:**

**Mo'Nique**

**Gabourey Sidibe**

**Mariah Carey**

This is a must see picture, that is, if you can handle some truth. This picture is comparable with some of the agony and pain of the Color Purple. It deals with relationships mostly between Mother and daughter, but a few strange characters are thrown in to make it a believable scenario. The child lacked self esteem and her mother and father were the major forces of degradation in her life. Mo'Nique is outstanding in her character, with acting that should

continue to garner critical acclaim, if not all kinds of awards. Without Mo'Nique this picture would have been more ordinary. Mariah Carey played a Welfare worker. Her part was just so-so. This movie will numb most and it is one you won't fall asleep on unless you have been shoveling too much snow. It's a winner! Check it out if you can handle some distorted, wicked family relationships on the real tip!

**10 out of 10 stars**

### **THE HURT LOCKER:**

#### **Featuring:**

**Anthony Mackey**

Deals with the War in Iraq and a unit that is assigned to detect and diffuse bombs left in the streets and left in cars. It's mind blowing and is one of the best pictures I've seen on that fiasco in Iraq yet. It was as close to real as you can get and had plenty of action and suspense. It actually showed some of the stress that American soldiers go through daily. The picture focuses on 3 individuals and I chose it because the most professional of those individuals is Black. He was a Sergeant that stuck to the book trying to make sure his azz and his compadres get home in one piece. This picture is a good characterization of how Black men have to deal with

## **The Nubian Times**

"death wish" White boys in the desperate and dangerous environment of war. Check it out. The director Kathryn Bigelow should get some credit for giving this picture its realistic flow.

**9 1/2 out of ten stars**

### **GOOD HAIR:**

#### **Featuring:**

**Chris Rock & Others**

Chris Rock must be an extraordinary man to make this picture. It deals with Black women's hair and his investigations into the subject. This picture is documentary-like, with some strange finding and lots of confused people playing to the camera. Questions arose when one of his daughters asked about "good hair". The subject matter goes from producers and distributors to shows and shops, to real and unreal, twisting to fake and what is natural and how much does it cost? Chris travelled a lot of different places and asked some pertinent questions about esteem and lack of esteem. He got opinions from women as well as men. A picture like this generally makes Black folks a bit uneasy, but Chris Rock has never been about kissing azz, he doesn't have to. I think the picture was on point and worth a look see.

**8 out of 10 stars**

# THE GOSPEL ACCORDING TO AFRIKANS

## (OUR STORY)

Let us make it plain...If you speak and read English, please understand that Afrikans are the people that are enriched by melanin (carbon) both externally and internally. Afrika is the throne that we ruled the world from. Afrika is our Motherland. Now you may want to get cute and try to flip the script, but you don't have the power to make any decisions here. It's our party and you don't have to dance or feel the rhythm if you don't want to. If you got some other place or some other people who you think love or treat you better...let the doorknob hit you, where the Good Lord split you! You're free to negotiate, beg, buck dance, get lost, quack like a duck, buffoon, shimmy, change your name, shake it fast, sign treaties, stay on your knees and wear any fancy clothes or hats that you like. Just don't be frontin' when they have you sleepin' in the servant's quarters!

### MOTHER LOVE vs. MAMMY LOVE

The Gospel According To  
Jamaica Kincaid

“A mammy is different from your mother because while your mother

is expected to love you, Mammies love you for no reason at all...A Mammy is the kind of person to whom you can say, “I just raped 14 children and I killed eight of them,” and she'll say, “Isn't that terrible, I love you anyway.”

### CAN'T WE ALL JUST GET ALONG?

The Gospel According To  
Dr. Frances Cress Welsing

“You just don't want to get along when your people are dying”

### THE HAITIANS

The Gospel According To  
David Walker

“Haiti is the glory of the Blacks and terror of tyrants...I hope that she may be united, keeping a strict look-out for tyrants, for if they get the least chance to injure her, they will avail themselves of it...But one thing which gives me joy is, that they, the Haitians, are men and women who would be cut off to a man before they would yield to the combined forces of the whole world-----in fact, if the whole world was combined against them it could not do anything with them...”

### AFRIKAN SPIRITUALITY

The Gospel According To  
Dr. Marimba Ani

“Our mistake has been to separate the spiritual from the political. You can't be practicing a religion which demeans your people and still claim to be conscious or still claim to be acting in a political way.”

### THE BEAST

The Gospel According to  
Dawud Bailey

“The Beast doesn't fear you because he controls your mind.”

## The Nubian Times BLACK AMERICANS?

The Gospel According To  
Manning Marable

“The Black majority in America is accepted in the lowest paying jobs, tolerated in public housing, and allowed to join the unemployment lines, but it is still barred from effective power within the corporate and political ruling class.”

### BLACK POLITICS

The Gospel According To  
Manning Marable

“The Black elite retain the illusion of power. The Black elected official is essentially a vicar for a higher authority, a buffer between the Black majority and the capitalistic state.”

“The Black politicians, taken as a whole, are either clients of larger corporate interests, or excel in the electoral game for personal profit and ego gratification.

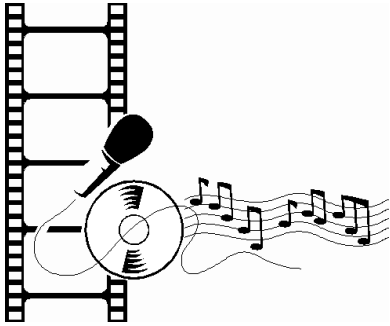

### FAMILY- THE FIRST TECHNOLOGY OF AFRIKA

The Gospel According To  
Dr. Llailla O. Afrika

“Slavery was started because the Europeans needed technology. The Europeans looked at the Afrikan buildings, urban cities, mathematics, chemistry, religion, industry, commerce and thought that this was technology built Afrika. The Europeans were completely ignorant of the fact that Afrikan technology is based on the family.”

“The technology of the family is not the only thing for freedom, it is everything in freedom. The family is the root from which the strong tree of Afrika grew. The Afrikan family tree gave the world fruits of

its trees such as science, religion, civilization, nutrition and community. What the ancient Afrikan ancestors have done can be done again. What they achieved can be achieved to a higher height if the family technology is used.”

## FEELINGS GOOD

By Nina Simone

Birds flying high you know how I feel  
Sun in the sky you know how I feel  
Breeze driftin' on by you know how I feel

It's a new dawn  
It's a new day  
It's a new life  
For me  
And I'm feeling good

## GOOD WOMAN DOWN

Madea

“Do you know these children hooker?”

## METAPHYSICAL ASPECT OF THE HOMOSEXUAL THING

The Gospel According To

Bobby Hemmitt

“We know that some of the origins of the homosexual thing on this planet is because of how the rights of passage is broken down. A lot of times, it's a past life where the muther fu\*ker was a female, reincarnated as a male and carried some of that over, but the society we live in don't have the rights of

passage to correspond a person's life with what incarnates into the physical body.

## THE PLANTATION

The Gospel According To

Attorney Alton Maddox

“Nobody wants to leave the plantation. Everybody just wants a better spot on the plantation.

## THE BLACK FAMILY

The Gospel According To

Marva N. Collins

“Because we have found so many other things more importance than our children, they longingly, have found other things more important than our honor. Because, we have not passed on the hymns, prayers, and creeds that brought us across troubled waters, our children have fallen in those miry waters.”

## A BLACK PARENT SPEAKS

The Gospel According To

Lulu R. Stroud-Johnson

“By the way, a truly 'educated' Black person is able to understand another Black person who is 'perceived' by him or her as under or un-educated. And, we should feel obligated and responsible to help or put our money towards supporting those of us who do reach out and continue the struggle. Like it or not, Black folk, not one of us got to where we are solely on our own merits....”

## THE NEW CAUCASIAN RACE

The Gospel According To

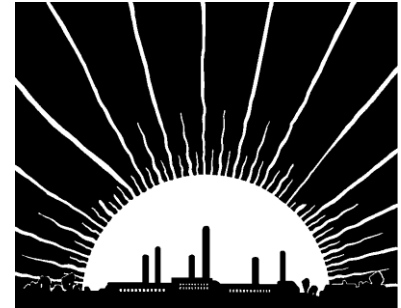

Marsha Stewart

“Caucasians believe they are Mankind's Chosen People just as Jews believe they are God's Chosen People. Those Whites who

## The Nubian Times

have become logical and liberal thinkers want to offer that WHITE “honor badge” to others who look similar or have some Caucasian physical features—a tribute to their distinctive White ancestors. Jews have been converted into White. North African and Middle Eastern populations are White. Everyone else who does not live in the Sub-Saharan part of Africa or the urban cities of America is White.”

## EUROPEAN FACTS

(SUB-URBAN RUMORS)

## BELIEVE IT OR NOT!

Europe is designated as a continent for political reasons. There is no geographic basis for the claim.

White people like to try to control everything they come in contact with.

In order to be recognized as belonging to the aristocracy of the Old South in the United States, it was necessary to be able to say that one had been tended by a ‘Black Mammy’ in youth.

Women hold no status in European theology.

Both Caucasian capitalism and communism have ruling classes that suppress and exploit the people.

Europeans call two parties of the same sex masturbating each other a life style.

Europeans that invest and work with Black men and women tend to become millionaires or very wealthy. This analogy is starting to scare the hell out of more and more Caucasians that are not very well off or expecting some type of government subsidy.

Britain had to empty the jails and debtor's prisons to populate certain areas in her American colonies. Western Europeans were in no hurry to get to a New World where they had to work hard and the land was already occupied.

Since the beginning of the new millennium, more Caucasians have been killed by serial and spree killers than Caucasians killed in Iraq or Iran. These numbers may get higher as more police departments slowly solve cold case and missing persons files. More Caucasians are killed by Caucasians than any other group of people.

Adolf Hitler was not German. He was Austrian, born in the small town of Braunau am Inn, but he did come from an area dominated by Germanic tribes.

Europeans are still trying to move from the third dimension into the fourth dimension or fourth density.

Nearly one of every three American adults (65 million people) has high blood pressure.

The Korean War was never a declared war by the United States. It was considered a police action.

The Dark Ages in Europe lasted from 476 to 1,000 A.D. or twice as long as the United States has been a country.

Since 11 September, Caucasians from the Americas have established bases at the gateways to all the major sources of fossil fuels, especially central Asia.

Europe is that in the 17th and the 18th century, Europe had controlled most of the world.

Aryans called themselves "Bhoodevatas" or "Gods of the Earth."

To Caucasians, religions are a universal Caucasoid phenomenon that shapes their various tribes with certain bedrock values. Some of them have humane dimensions, but they all turn ugly when they are threatened -- assassins, lynching, jihad, slavery, crusades, etc. etc. etc

Michelangelo was a homosexual.

Europe has been racked with war throughout its history to the point where more than 70 former countries have been conquered and no longer appear on maps.

Europe is home to more than 700 million people, but birth rates are stagnant.

The largest city in Europe is Paris with a population of just under 10 million people.

Color-less people have a linear (straight-line) concept of time-past, present and future.

Since the Trans-Atlantic Slave Trade, the 10 most generous countries in the world when it comes to charitable giving, are all located in Europe.

There are many religions in Europe, but the majority religion is Christianity.

The First World War is supposed to have started in Europe, with the assassination of the archduke of Austria and involved almost the whole of Europe in it. This war had left more than 40 million people dead.
