STRONG BLACK WOMEN / ALCOHOL ABUSE/ VIOLENCE AWARD

Black women are our connection with the Creative forces and the only way Black people enter this dimension.

BLACK WOMEN IN HISTORY

Ida Stover Eisenhower

Sistah Stover was the mother of Dwight David Eisenhower, the 34th president of the United States. All toll she had six sons and no daughters, with each son being successful and respected in their

careers. Considered from “the wrong side of the tracks” in Abilene, Kansas, Ida and her husband raised up a banker, a lawyer, a druggist, an engineer, a journalist, a college president and the president of the United States. Ida Elizabeth Stover was born a Black woman in Mt. Sidney, Virginia.

Charlotte of Mecklenburg-Strelitz

The king of England during the American Revolution was George III, who married Charlotte of Mecklenburg-Strelitz in 1761. She was a Black woman, who gave him fifteen children: nine sons and six daughters, with their eldest son, George IV also becoming king of England. Buckingham Palace was

built for her. Several cities and counties in the United States are named after Charlotte and her birthplace of Mecklenburg. If you read this in Charlotte, North Carolina, be proud, take your shirt off and fly it like a helicopter again.

Our Sistah Charlotte’s ancestry has been traced to a Moorish branch of the Portuguese aristocracy. Charlotte’s granddaughter was Victoria, the Queen for whom the Victorian Era was named. Queen Victoria’s great granddaughter is the present Queen Elizabeth of England.

When you are working on the premise that “one drop of Black Blood” makes you Black, a whole lot of Negroes be trying to pass Yo!

March is supposed to be International Month of the Woman. This month we focus on Black women globally again.

FYI:

United States was a

Both of his parents were
of African ancestry!

STRONG BLACK WOMEN

Anonymous Submission Reprint

On August 15, 1999, at 11:55 p.m., while struggling with the reality of being a human instead of a myth, the strong black woman passed away. Medical sources say she died of natural causes, but those who knew her knows she died from being silent when she should have been screaming, milling when she should have been raging, from being sick and not wanting anyone to know because her pain might inconvenience them.

She died of an overdose of other people clinging to her when she didn't even have energy for herself. She died from loving men who didn't love themselves and could only offer her a crippled reflection. She died from raising children alone and for not being able to do a complete job. She died from the lies her grandmother told her mother and her mother told her about life, men and racism. She died from being sexually abused as a child and having to take that truth everywhere she went every day of her life, exchanging the humiliation for guilt and back again. She died from being battered by someone who claimed to love her

and she allowed the battering to go on to show she loved him too. She died from asphyxiation, coughing up blood from secrets she kept trying to burn away instead of allowing herself the kind of nervous breakdown she was entitled to, but only white girls could afford. She died from being responsible, because she was the last rung on the ladder and there was no one under her she could dump on. The strong black woman is dead.

She died from the multiple births of children she never really wanted but was forced to have by the strangling morality of those around her. She died from being a mother at 15 and a grandmother at 30 and an ancestor at 45.

She died from being dragged down and sat upon by un-evolved women posing as sisters. She died from pretending the life she was living was a Kodak moment instead of a 20th century, post-slavery nightmare!

She died from tolerating Mr. Pitiful, just to have a man around the house. She died from lack of orgasms because she never learned what made her body happy and no one took the time to teach her and sometimes, when she found arms that were tender, she died because they belonged to the same gender. She died from sacrificing herself for everybody and everything when what she really wanted to do was be a singer, a dancer or some magnificent other.

She died from lies of omission because she didn't want to bring the black man down. She died from race memories of being snatched and raped and snatched and sold and snatched and bred and snatched and whipped and snatched and worked to death. She died from tributes from her counterparts who should have been matching her efforts instead of showering her with dead words and empty songs. She died from myths that would not allow her to show weakness

The Nubian Times

without being chastised by the lazy and hazy. She died from hiding her real feelings until they became hard and bitter enough to invade her womb and breasts like angry tumors.

She died from always lifting something from heavy boxes to refrigerators. The strong black woman is dead.

She died from the punishments received from being honest about life racism and men. She died from being called a b@tch for being verbal, a dyke for being assertive, and a *bleep* for picking her own lovers. She died from never being enough of what men wanted.

BLACK FACTS

**All knowledge is rooted in
reality**

In the African=American communities in the United States, the adults move aside or cross the street when their children come down the street.

Afrikans in America should stop calling our ancestors 'slaves' because they were kidnapped free people who were made slaves. Our children think we were brought to this country as slaves, that we were already slaves when we got here. But we weren't slaves in Africa and then just transferred to America. We were captured and then enslaved here. There is a real difference.

3

Locked down in the prison system of the United States, Black men cannot be fathers and husbands.

Most Black people in the United States have never belonged to any Black organization.

When Morocco left the OAU in 1984, it aspired to become a member of the European Union.

Most Black people in England, the United States and other places that are Caucasian dominated, still eat like they live on a plantation.

65% of the Black population in the U.S. is women.

Black people reward people that do us in & punish people that stand up for their community. This makes it profitable to do Black people in. When people stand-up for us, we get amnesia.

Afrikan (Kamites) founded the Greek city state of Athens.

Black people are on the physical realm and the spiritual realm. They are multi-dimensional beings.

Afikans cannot control their power, so other races have no reason to respect them.

To Afrikans spirituality is above religion, above science, above social greed's and above holy books.

Mauritania left the Economic Community of West African States to join the union formed by the Arab North African States.

Afikans come from a worldview where the collective has the highest value.

There is no argument or challenge that NUBIANS were all Black people. They are the world's oldest known monarchy, bringing forth twelve pharaohs. The Nubians are the link between the high-culture of Kemet (Egypt) and central East Afrika. The Nubians had little or no

foreign influence, nothing from Caucasoid or Asiatic cultures.

Afikans that were kidnapped and brought to the Americas were counted as only three-fifths of a "free inhabitant" by the Constitution's authors, who also allowed the importation of slaves to continue until 1808 and let the national government collect a tax on imported slaves. The first U.S. census in 1790 reported 757,000 Negro inhabitants--about 694,000 of them enslaved--out of a total population of nearly 4 million.

No Afrikan has to apologize for colonization or slavery. Everything Indo-Europeans did to members of our race-family, they had already done to their own people.

VIOLENCE AWARD Women: The No "1" Killers

HITLER/RHODES AWARD

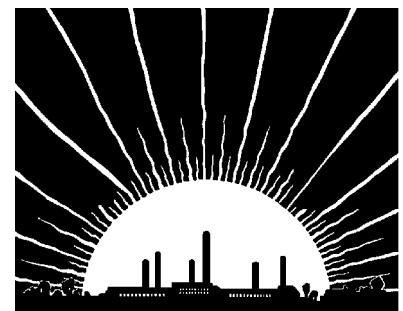

The figures are finally in! The biggest killers of the 21st century have been women. It seems that every second of the day, at least 10

The Nubian Times

women authorize and sanction having a life vacuumed or scraped out of them.

In the past thirty years, women have voluntarily aborted, murdered, and given a death sentence to more life than all the world wars put together. Women and only women have the final say in the termination of the children to be. It's their bodies; their decision and they are the ones that have the final say in determining life or death! Women have allowed the destruction of at least three hundred million babies by abortion murder. This wouldn't matter if you were an animal or demon, but if you are a human being, the numbers are staggering. Even the works of Adolf Hitler, Cecil Rhodes and slave traders are pale in comparison to the works of women with the power of life or death. We are living in a time when more life is being terminated by abortion and infanticide, then there is life being allowed to live and breathe by birth. When it comes to violence and killing, women are the best!

EUROPEAN FACTS

SUBURBAN LEGENDS (RUMOR CONTROL)

White people worship Black people in secret, but despise Black people in public.

To Europeans, the female principle has been so devalued, that male

4

homosexuality is seen as the highest form of physical and romantic love.

Most people that live in Caucasoid dominated countries have about five pounds of mucus in their head.

White people have a sophisticated psyche of evil. They travel the world violently taking land, mineral resources and human resources.

Europeans use prisons to boost their regional economies and to destroy the economy of other groups.

There are more White females in the United States than any other group, but White males decided to place their mothers, wives, sisters and daughters in a protected group called a "minority". Then they find new ways to funnel money to themselves and the family via the "affirmative action" game.

Europeans sold their own children to Arabs.

The Catholic Church is a Jewish, Freemasonry political movement founded in the Middle Ages (325 AD) by Constantine.

The majority of White people are afraid of genetic annihilation, but they are afraid to admit it in public.

European females started all this confusion about being a woman. Caucasoids are not sure if they are females with a vagina or whether they are female azz holes. Somewhere in time and space, the Caucasoid got the vagina, mouth and rectum mixed up.

"Brit" in Hebrew means a contract or a covenant, while "ish" means man. British means man of the covenant.

A move is now in motion to make denial of the Jewish Holocaust a crime throughout the European Community.

There are hundreds of White people on record for killing their own babies to collect on life insurance policies.

Black & Asian women are over-represented in the US porn industry due to the demand of white men's fantasies.

Caucasian men feel they must be protected from female pollution.

Corporate mergers by Europeans business people are a sign of weakness. Africans and Asians are making them shrink, by creating the conditions that don't allow Europeans to make profits or exploit other people's land. Europeans no longer control enough people or resources to remain major players much longer in a global economy.

Some Caucasians claim to have came from Romulus and Remus. They are the ones with the wolf pack mentality.

White people do not want to get rid of the system that established White privilege and White supremacy on planet Earth.

Europeans call two parties of the same sex masturbating each other a life style.

It wasn't until the 15th century that White people realized that the world wasn't flat. They then ventured out into the world and found out that the rest of the world was people of color.

Europeans think they can make the natural world a servant of man, rather than a partner.

The United States and England set up Israel in 1948 as part of the United States federal system. Under international Maritime Admiralty Law it is always referred to as the state of Israel.

Europeans do not recognize childhood. What they do recognize

The Nubian Times

is property. From cradle to grave young people are identified as the property of somebody's state.

The only thing it takes for White men & women to fall, is for more Black men & women across the planet to stand!

In the Roman slave system, a slave could be a doctor, lawyer, entertainer, teacher or even a counselor. Europeans still practice under this system globally.

Since entering history Caucasians have not wanted to come to grips and terms with who or what they really are.

The Nubian Times CRACK HEAD NEWS

The staff of the Nubian Network

No matter what you hear, the Black community is growing and becoming stronger. Don't forget it Boo.

Black GrapeVine news- Everybody seems to be bewildered as to why after suffering such horrific injuries, Negroes would choose to reunite with White people within a few years of their assault, as has been reported. A group of people being battered by an abusive group of people is nothing new, and neither is a group of people going back to or staying with an abusive group of people.

Islam has more converts than Christianity across the planet.

You big dummy! Economics is not an European invention.

Jury duty news- the judge has a gun. The bailiff has a gun and the prosecuting attorney has a gun. The defendant possibly has a group of thugs that have guns and aren't afraid to use them. Everybody has a gun except for the juror, doing his or her civic duty for peanuts. The jury just sits there like a bunch of cartoon characters in La La Land trying to figure out or be persuaded as to what is going on, while the defendant and his attorney have a list of names of everybody on the

6

jury. Good Luck Boo if you get called down for jury duty! Better hope there are lots of cops around, carrying guns.

Pennsylvania and California have sentenced more juveniles to life in prison without possibility of parole than any other states in the U.S. Pa. has 433 and Calli has 227.

In the post Bush economy, Black beauty shops that depend on chemicals are starting to feel the pinch. Many have closed down due to credit and utility bills galore. Black women just don't have the \$40 to \$150 every 2 weeks for that kind of stuff. Looking nappy for some won't be a cultural tip, but one of the consequences of being broke!

Boot licking females always tell their young girls to keep away from young men that are conscious about our race-family. Yapping females always try to judge any Black young men that wear their hair long, read books, can handle a computer and do not walk like a duck. We may not see another couple like Michele and Barack Obama for some time. But if you are somewhere praising de Lawd, somebody might invite you over for some chicken fots, hog maws and chittlins' Yo! Whatever! Just as long as they don't want you to be down with lipstick, a wig and a dress like Tyler Perry to make ends meet.

Multiracial is one of the newer code word in the United States, replacing Mulatto. People like Tiger Woods, Mariah Carey and

Advertisers know that if they can keep the Black woman with no self-confidence, she will go to Earth's end to change her face, her look, her body, shoes, hair, clothes, viewpoint and way of life. Keep her spinning in circles and the

Black community will always remain unsettled.

A good Negro or Negress are always gonna remind us about some good White folks, but you ever heard a white boy or girl talk about some good Negroes, unless the Negro is dead or working for them.

Most Christians get their Bible teachings off the television. They may carry their good book, but very few actually read it. Like everybody else...they pretend.

Hampshire College in Amherst, MA, has become the first of any college or university in the U.S. to divest from companies on the grounds of their involvement in the Israeli occupation of Palestine.

The more time you spend watching movies and U-Tube, the more you lose your ability to fight.

As opposed to Iran, Israel has secretly developed hundreds of nuclear warheads and delivery weapons outside of any supervision by international community. Iran continues to run its nuclear program in cooperation with the UN's International Atomic Energy Agency (IAEA).

Too many Black women are raising their sons to be a bunch of emotional crybabies and over size fairies. They aren't learning how to lead their people, cooperate with their people, listen to their people and respect themselves or their people. We don't need a million more Tyler Perry's or do we Boo?

Moor Black GrapeVine news-Arabs don't give a fu#k about some Moorish=Americans. Anything Black to them is no more than a slave. Paint a picture Yo!

Oprah, Tara and Mike Tyson's X-wife will use the Rihanna and Chris Brown mess to distract Black people everywhere and try to make themselves and advertisers more

The Nubian Times

money. Chris Brown may have been dead wrong, but if you want to address violence, start with the White woman's son, the White man. Don't try to backdoor the issue with feminist crapola!

We now have a couple of generations of White children that properly address Oprah Winfrey as **MAMMY**. You helped raise me Mammy. Whoopee affectionately reminds them of their first sexual encounter with one of their servants. You helped break me off Mammy!

In the Afrikan world, spirituality has always been in the essence of the Afrikan woman, not the man. Men needed women to civilize them. Is it any wonder why Afrikan women are made to look so trashy, filthy & un-feminine in Negro & Hollywood productions? Europeans are tryin' hard to keep us in a trick bag.

Over 700,000 Black American women are sterilized each year. Of the 750,000 hysterectomies performed each year in the United States, well over 90% of the patients are Black. Their ages are getting younger and younger. Please stop this madness! Oprah, Tara...where are you? Stand up against this violence being perpetrated against your own kind. Put it out on national TV, that Black women are under separate attacks!

If you can't find a good spouse, it's usually because you can't find yourself.

Hey yo, don't confuse Black stereotypes with Black statistics. A stereotype is that all Blacks are poor. A statistic says that 99.8% of Black people make under \$100,000 a year. A stereotype says that all Black people take drugs and drink alcohol. A statistic says that Black folks make 17.5% of alcohol and drug purchases. A stereotype says that all Black people are under-

educated. A statistic says that 99.8% of all Black people are uneducated fools from an uneducated school. Now go figure!

The longer you study & worry about your nationality, sooner or later you'll realize that the Beast doesn't have a nationality. All it wants is to own and control your azz whatever you want to call yourself. If you don't fight the Beast, you will always be trapped in a Woman's World Yo.

Word has it that there are gangs of men dressed like women (travesties) offering services to tourist for little or no money, but are actually part of armed gangs to rob & rape you. When traveling to Mexico, you had best act like you know Yo!

In these treacherous times, most Black Greek sororities and fraternities are basically Jack & Jill groups. Young female and male social groups growing old, majoring in buffoonery. In relationship to their people, they are the future eunuchs and shims of America.

Stud farms are an aspect of slavery that has been omitted from the record and about which we do not talk any more. We should remember, however, that there were times in the United States, when owners used slaves to breed stronger slaves in the same way that a special breed of horse is used to breed other horses.

Jesus is the only man 2,000 years after his death that can make women have an orgasm. Black preachers, male and female, be pimpin' dumb broads off that very fact.

Mulatto, Negress females occasionally replace White, dumb blondes as the dirty, filthy sex objects of the "Big Screen". Negroes think these female bums are role models or movie stars.

Anyone notice how the percentages of Black women losing their children and having to pay child support has increased. This is not a show of independence to us.

After school integration, separate Black & White proms were common in the rural (Durdy) South. This practice still goes on today. Maybe somebody should have fought and died for integrated parties.

Thug 101-If a woman wants to beat your azz, pound you down in the ground and step on you like a piece of toe cheese, you dam sure can't protect her.

Hoochie 101- whoever pays the most is who or what you give your time too. What's male or female got to do with it. Whatever!

Reparations Wish- One day White women will catch the bus down to your house to clean, wash and iron everybody's clothes. Maybe scrub the floors. No cooking, because White women ain't too cool at cookin', but they should be able to empty the trash and do some yard work for below minimum wage for ten years or so. Naaaawwwww! They might try and suck the life out the 'hood. Find them some Negroes that don't know no better. Just give us our fu#kin' reparations and get the fu#k out the way. We know how to handle our own bizness if you just pay up & stay the fu#k out the way. Nothin' beats a failure but a try!

Black celebrities have to be responsible to Black people and not mis-direct them to products that are detrimental to our survival. Beware double agent, Black celebrities that advertise food and drink products that are not of the best interest to your body and your health. Black people do not do well with diets that contain high concentrations of animal fat & protein or drinks loaded with white

The Nubian Times

sugar, just to name a few products usually endorsed by our own sell-outs.

I DON'T PLAN ON DISAPPEARING Yo, Do U?

If everybody loved and forgot about skin color, White people would disappear.

Negro training & education is free. It's Willie Lynch training that is expensive. Crackers have to pay up the Ying Yang to go to some of those fancy colleges to learn how to manage & exploit people.

Why would the United States want to engage in a discussion about RACISM? R U Crazy Boo?

White peoples best Black role models of how Black people should be: Tyler Perry, Oprah Winfrey and Michael Jackson

Famous European saying...the best time to buy is when there is blood in the streets!

Moor Black GrapeVine news- Arabs are using Black women in the Sudan today much the same as Americans did kidnapped Black women transported to the United States not so long ago. The Black women are being used as sex and domestic servants.

African=Americans are the best friends that any race could have. It is easy to amass wealth off their ignorance and stupidity.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Gospel simply means “**GOOD NEWS**”. The following quotes are of Afrikans, by Afrikans and for Afrikans. Once again we try to bring forth, by day & by night, “**OUR STORY**” from a few scholarly people that know a little something, something about struggling, healing, cleansing and prevention. They know a little something, something about what it means to be Afrikan, to be Black and to be enriched with melanin. What it means to be HUMAN! Behold! Look at what the Black God of the Universe can do!

GOALS

The Gospel According To
Sister Souljah

“If a sisters goal is to get married and to have 4 children and the brothers goal is to lay down with you for one night and leave...that is not a match!”

IF THEY ONLY KNEW!

The Gospel According To
Harriet Tubman

“I freed thousands of slaves. I could have freed thousands more if they had known they were slaves.”

THE ARAB WORLD

The Gospel According To
Naiwu Osahon

“In Egypt, Tunisia, Morocco, Algeria, Libya, Sudan, Somalia, Eritrea, Mauritania and the rest of the Arab world, Africans are treated as the scum of the earth. They are second-class citizens at the very best in their own countries. Blacks in these countries cannot aspire to positions of respect or authority. There are hardly Africans in high government positions in Arab governed African countries. Like Brazil, which is just as racially cruel against their black natives, there is no legislation favoring slavery (except in Mauritania). It is simply a way of life that’s all. Blacks do not really exist or at best are not humans.”

ARAB INVASION

The Gospel According To
Naiwu Osahon

“This is the genesis of the war in Sudan. It is a racial war. The Arabs want the Republic of Sudan, which by land mass is the largest country in Africa, to be an entirely Arab state, by exterminating the Black native population gradually to the last person.”

SCIENCE GENERATED

The Gospel According To
Dr. Asa G. Hilliard III

“It’s really important when looking at ancient Kemet to know that the basis of the culture was totally scientific. In other words, painful observations, tireless observations, over literally thousands of years produced insights into how nature works. And its Nature’s pattern that reflects a “divine will” according to the Kamites. And so when they expressed religion, what they were trying to do was to capture the essence of what they had

The Nubian Times

understood through revelation from scientific study. And so its extremely important to realize that it was through the work of science that people became spiritual.

ORGANIZE

The Gospel According To
Marcus Garvey

“The thing to do is to get organized; keep separated and you will be exploited, you will be robbed, you will be killed. Get organized and you will compel the world to respect you.”

THE WASHITAW NATION

The Gospel According To
Empress Verdiacee Goston

“I am by birth M-U-U-R, from this continent (North America). My people have been traced by the Caucasian, the color-less people, to have been here 3,000 years prior to the birth of their Jesus Christ.”

“You have Black people that have been in South America, ever since the world was. You have Black people that have been in what you call North America, ever since the world was!”

INDIANS?

The Gospel According To
Empress Verdiacee Goston

“When the color-less people came to this area (America) and found us, what they actually did was, they first separated what they call the Indian. They weren’t Indians, because Columbus hadn’t discovered India. This was a total new country. There is no such thing as an Indian on this continent!”

“They divided the Red, so called Indians from the Black, so called Indians. They divided you to conquer you and steal your land. The Lewis & Clark expedition was

no more than a spy expedition, because they wanted to get to the West and our land set between the East and the West. From the Allegheny Mountains to the Rocky Mountains. From Canada to the Gulf of Mexico.”

WHO CIVILIZED WHO?

The Gospel According To

John G. Jackson

“If you are a racist you won’t have any regards for the facts at all. Instead of Europe civilizing Afrika, Afrika civilized Europe two times. First the ancient Egyptians taught the Greeks. Somehow Europeans lost all they were taught, then the Moors had to re-civilize them. We know this because they thought the world was flat.”

GUN CONTROL

The Gospel According To

Dr. Booker T. Coleman

“I’m for gun control. CONTROL YOUR GUNS! The worse thing in the world is tell a Black person don’t get a gun, when I know that those forces out there are collecting them in multitudes. I’m gonna disarm my people? They got children going to camp learning how to fire. I’m going to disarm my community?...I’d have to be out of my mind plus I’d be against the Constitution. The Constitution tells you to have a gun.”

FEMINIST

The Gospel According To

Dr. Brenda Verner

“Feminist, who have placed themselves in positions to be able to launch their war fare, both spiritual & literal, are now about the perfection of scandalizing Black people. You see, their popular culture movement has found a way to stand on the necks and the heads of Black people,

while at the same time claiming to champion the cause of Black people, in order to catapult themselves into international prominence. Are you getting the gist of what is going on here?”

“They have raised up Black feminist to replace the real sisters. What we are talking about here is a counterfeit. A counterfeit has to imitate the real thing. It looks like it, talks like it, but if you listen close enough you know it’s a counterfeit.”

LESBIAN MALE BASHING

The Gospel According To

Dr. Brenda Verner

“It’s a male bashing thing! And you see, people who have lesbian inspired thought are not interested in a harmonious relationship between men and women. They indict all men. Set up a climate of hostility between men & women, which gives them authority over women. But you know...you not dumb enough to go for it are you?”

THE SOUL, THE DIFFERENCE

The Gospel According To

Bobby Hemmitt

“You die and your soul is still in your body. Your spirit leaves. There is a difference between a spirit and a soul. A soul is a whole, another dimension that can just basically rest for eons, until it’s trapped in the physical body. It’s a whole, another world. A whole, another realm. So what happens is when you die your spirit leaves. Everything down here has a spirit, not everything has a soul. A soul is a sun. That’s the difference between animals, white people and us. White people are spiritual because they have a spirit, but they don’t have a soul. That’s the difference.

The Nubian Times

PUT AN END TO THIS SHIT!

The Gospel According To

Bobby Hemmitt

“Everything is not just all-right. We are not going back to Afrika and sing around the camp fire!”

REMEMBER THIS

The Gospel According To

Bobby Hemmitt

“Anybody in their right mind would not say that they are spiritual and side with the must diabolical powers that be. It just doesn’t happen. No one is spiritual, that really got something going on, that they will ever show you on the TV. So anybody you ever see on the tube is either working for the government inadvertently and don’t know it or they are working for them as an agent and do know it. That’s just a fact of the matter. They’ve got White people right now that they don’t ever put on the TV period. They don’t even let you know their name. So how the hell they gonna give you some Black leaders on TV.”

WOMEN AS SLAVES!

The Gospel According To

Chancellor Williams

“One of the main attractions that drew thousands of white men was their unlimited sexual freedom with all the black girls and women who were enslaved and helpless in the power of their masters.”

BLACK

The Gospel According To

Dr. Chancellor Williams

“Black does not refer to the particular color of any particular person, but to the attitude of pride and devotion to the race whose homeland from time immemorial

10

was called "The Land of the Blacks."

INCARCERATED BLACK WOMEN

The Gospel According to
Sister Gloria Edwards

It's a whole new phenomena with a woman doing time. It's different. A few statistics about women incarcerated.

64% of women incarcerated are Afrikan.

75-80% are mothers

69% have minor children

27% are repeat offenders

13% have committed drug related offenses

48% have no diploma or GED

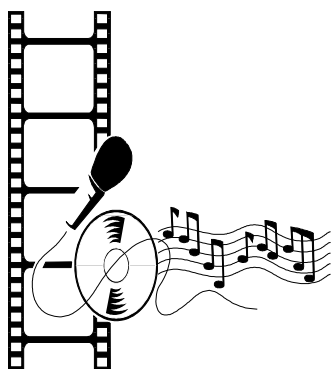

49% not married

60% are substance abusers

average age about 33 years old

17% are pregnant when they come in

average sentence = 16.4 years

Take 6 – Lalah Hathaway

Hang onto the world as it spins, around.
Just don't let the spin get you down.
Things are moving fast.

Hold on tight and you will last.

Keep your self-respect, your manly pride.

Get yourself in gear,

Keep your stride.

Never mind your fears.

Brighter days will soon be here.

Take it from me someday we'll all be free

Keep on walking tall, hold you head up high.

Lay your dreams right up to the sky.

Sing your greatest song.

And you'll keep, going, going on.

Just wait and see someday we'll all be free. (Yeah)

Take it from me, Someday we'll all be free

HOMOPHOBIC?

The Gospel According To
Booty Adams

“Black people are not homophobic. Don't come at us with that reverse psychology sh*t, like we are the ones that are sick! We come from a culture that does not approve of sodomy, men butt-popping each other, females masturbating each other, cross-dressing, using rubber & plastic sex toys, whips, chains and having sex with animals. These behaviors are still considered abnormal, strange behavior to our race-family. No special, interest group politicking, lobbying or paying out petty cash will change our minds. Those who fall for the sex traps must be suffering from some kind of post-traumatic stress syndrome or done lost their Afrikan minds! Our blessings have never stopped, but for a strange few, their intelligence has been taken away.

WHITE GIRL LOVERS

The Gospel According To
Kiarri Cheatwood

The Nubian Times

“A nigga who will go with a white girl, will go with a faggot.”

GENDER CHANGE

The Gospel According To
Kiarri Cheatwood

“If anyone on the planet thinks that just because you make a gender change within the Caucasian group, that things are suddenly gonna be better, than you are mistaken. There is no basis for thinking that. If the white boy is a problem, who the hell was his momma?”

“The white girl is the only female who fails to make the males of her species more human.”

THE WHITE WOMAN

The Gospel According To
Dr. William Mackey

“White women will take Black women's support, tell them to kiss their butt, and go along with their men.”

BLACKS IN COLUMBIA

The Gospel According To
Carlos Rosero

“Everything that leaves Columbia, including products of the mines, has been largely produced by Black hands. Still we have nothing. Slavery has been over for 150 years, but they compensated the slave holders. We have yet to receive reparations!”

Cocoa Crop Fumigation

Columbian Military Violence

The Gospel According To
Oscar Gamboa

“If you destroy the countryside Blacks will be forced to go to the cities. And because of racial discrimination they will not find work. Then in order to survive they

will either turn to crime or make their way to the U.S. by whatever means.”

ARABS, ISLAM & BLACKS

The Gospel According To
Naiwu Osahon

“Islamization is not the problem in Sudan because the majority Furnawi people of Darfur are Moslems. Arabs do not consider Black Moslems authentic or of consequence. At best, they concede to blacks, the role of ordained slaves or animals, to be used as beasts of burden by the “superior Arab race.” The rule applies to all blacks, whether Moslems or non-Moslems and whether of Nigerian (Hausa/Fulani or Yoruba extractions), Tanzanians, Ugandans, Malians or African-Americans.”

MORTAL FOES

The Gospel According To
Naiwu Osahon

“In the five years between 2003 and 2008, over 300,000 Sudanese Africans were killed, 100,000 abducted and 2.7 million rendered homeless refugees, with their land appropriated by Arabs. The Khartoum government admitted 14,000 kidnaps. You can imagine what happened when the world turned a blind eye on Sudan, in the twenty years between 1983 when the conflict began, and 2003. You have to ask yourself what African leaders are doing in AU with Arabs. Arabs are Africans’ mortal foes.”

SUPER EXPLOITATION

The Gospel According To
Manning Marable

“The super exploitation of Black women has become a permanent feature in American social and

economic life, because sisters were assaulted simultaneously as workers, as Blacks and as women!”

“In the context of American slavery, in the United States and elsewhere, the white man sought to reduce Black women to the lowest level of biological being.”

BLACK FEMINIST

The Gospel According To
Dr. Marimba Ani

“I think one of the most damaging things that has happened to us and really is a movement away from self, is the people who consider themselves as “Black Feminist”. I don’t see how that can be defined without it becoming anti-male. I define myself as a Pan-Afrikanist and my appreciation of female power fits very comfortably within my Afrikanist and my commitment to Afrika and race first!”

EUROPEAN FEMINIST

The Gospel According To
Dr. Marimba Ani

“The feminist need Afrikan women for their life. They recognize the power that is in us, and so you see them everywhere talking about feminism as though it included us in it. I refuse to cooperate with anything that has an anti-male focus.”

CONTEMPORARY LIBERAL

The Gospel According To
Carl Patton

As the contemporary Civil Rights Movement grew and developed, there was evidence of God-fearing men. However, as Martin Luther King made his transition, most if not all of the Civil Rights Leaders have become Charlatans of the Highest Order. Thus, they have paved the way for the

The Nubian Times

contemporary Liberal as a man who does not Know God.

RISE OF ISLAM

The Gospel According to
Carl Patton

“The rise of Islam has not been solely due to White Racism in Christianity or Racism in America but due to the ungodly Preachers that distort and defile the Bible.”

BLACK HOLES

Dr. Charles Finch

“In Dogon thinking, everything spins and revolves in a circular fashion... Often these forces that are controlling the spinning and the movement of the universe are BLACK HOLES. And it is thought that if you move through a Black Hole you can move into another universe!”

DARK MATTER

The Gospel According to
Dr. Charles Finch

“... We have this sense of “Blackness” being at the very heart and the essence of things. Right at the very beginning of the Afrikan development of their world views. You see because the thing that they found out about Dark Matter in the universe is that it makes up between 90 to 95% of the universe.”

SEXES BATTLING IS NOT CIVILIZED

The Gospel According To
Dr. Llaila O Afrika

“What’s make a civilization modern is if a man and a woman can get along and have healthy children.”

MELANIN & HIGHER CONSCIOUSNESS

The Gospel According To

Dr. Richard King

“**Door**” is a key symbol of Melanin. Something that transforms, converts, moves from one level to the next. It’s a door. In particular, it is a door between the spiritual realm and the concrete physical realm.”

WOMAN QUALIFICATIONS

The Gospel According to
Sistah Souljah

“**E**ach and every Afrikan woman ought to be more concerned about the struggle of Afrikan people than any Afrikan man, because we are the ones who have produced it all.”

TEMPORARY SLAVE MASTER

The Gospel According To
Jah Paint

“**W**e should not forget that many times in history, plantations have been run by appointed slaves when the master was away, and to their credit, those plantations were run very efficiently, never wavering once from the master’s point of view. Many times the slaves would be glad for the master to come back, because the need to prove their faithfulness caused the temporary masters to be real severe. If the real slave-master would give you twenty lashes for being black, the temporary masters would give you twenty for being black and twenty more for being a reminder of their own blackness, which they despised.”

BLACK CLONES

The Gospel According To
Jah Paint

“**T**he cloned Negro was supposed to be an inferior copy of the Caucasian slave-master and slave-mistress. By their futile attempt to

attain straight hair, straight nose, white skin, and blue eyes, an image which they were not biologically equipped to attain, they thereby made real the lie of Black inferiority, and gave their owners great pleasure at seeing ludicrous yellow-headed and straightened hair caricatures of themselves. When slave behavior becomes fashionable and normal, cloning is complete.”

MINORITY?

The Gospel According To
Dr. Amos Wilson

“**I**n order for us to be ruled over by this minority of people, we have to be backwards. Our minds have to be turned backwards. It’s the old con game. This is the only way a minority people can rule over a giant. It’s by conning them.”

STAND UP & RUMBLE

The Gospel According To
Mumia Abu-Jamal

“**W**e’ve become so accustomed to failure that many of us don’t have the spirit to struggle, to resist, to stand up and rumble against something that is clearly rumbling against us... We’re going to have to learn the fine arts of struggle, the fine arts of resistance.”

THE RIGHT TO CRITICIZE AMERICAN INSTITUTIONS

The Gospel According To
Frederick Douglass

“**I** have no patriotism. I have no country. What country have I? The institutions of this country do not recognize me as a man. I am not thought of, spoken of, in any direction, out of the anti-slavery ranks, as a man. I am not thought of, spoken of, except as a piece of property belonging to some Christian slaveholder, and all the

The Nubian Times

religious and political institutions of this country alike pronounce me a slave and a chattel.”

ISLAM MOORS!

The Gospel According To
Benjamin Banneker

“**I** am of the African race, and in the colour which is natural to them of the deepest dye; and it is under a sense of the most profound gratitude to the Supreme Ruler of the Universe.”

LOSE COURAGE

The Gospel According To
Benjamin Banneker

“**P**resumption should never make us neglect that which appears easy to us, nor despair make us lose courage at the sight of difficulties.”

DID YOU KNOW?

HOPI444

Most Black women in the Americas are afraid to be Afrikan! When more Black women start standing-up, it will cause other Black women to be liberated from fear and the Afrikan community will prosper from it.

Black women must come together in the Black Church and do something with the spirit- they can’t just come together and say we got the spirit- they must actually do something with it, as they did when they were not afraid to be what they are....Afrikans!

The difference between a religious person and a spiritual person is that the religious person cannot manifest the creator within them.

Sisters, bring us the spirit! I believe we can fly!
