The ancient **Mongol Empire** was the largest empire in human history. The Mongol army launched the most successful military campaign in human history. The **Spanish Empire** was the fourth largest empire on the planet. They forced their religion, language and culture onto all those they conquered. Those who speak Spanish or Portuguese and live in those lands these Europeans conquered; remain suspect and pretentious if they are not in touch with their original culture. They are more about assimilation than any thing else.

If your religion says that you "ain't nobody", do you want us to go along with that Shawty? I'm just saying Yo!

The Mongol Empire was tolerant of all religions. That probably saved the small, developing Christian world from Islam. Mongols forced no religion on anybody and destroyed highly

civilized, powerful and thriving Muslim empires in the 13th century. The Muslim creed was Islam or die.

Black Mercenaries are real and may go by many names, titles, politics or nationalities. Beware **Black Mercenaries** that hide in Political Parties, Social Clichés, Religious Plantations, Mad-House Job Plantations and appropriate Black wealth and culture, returning little to nothing of substance to Black people. So many even marry White.

White people love to dig up Black people, analyze their finding and tell the world about us, hiding our greatness, but don't want us to dig up their graves and remind them that they ain't shy. And never will be without our unconscious behavior.

The media does not control reality, it controls perception Shawty.

All Black kidnapers, slave traders, slave dealers and slave buyers should be confronted and dealt with. Right now we are dealing with Race First. Anyone who has a problem with that needs to go sit down someplace! African people need to save themselves both near and far before we can attempt to help any other group or grouping.

Hillary Clinton

POSITIVE AND NEGATIVE

Teal Swam

"Many people think that being spiritual means being positive, but being spiritually means being conscious and aware. To become conscious is a much different thing than to become positive. To be conscious and aware, we must become authentic. Authenticity means positive and negative."

I WANNA KNOW WHAT LOVE IS

Foreigner

I gotta take a little time, a little time to think things over
I better read between the lines, in case I need it when I'm older

Now this mountain I must climb,
feels like the world upon my shoulders
Through the clouds I see love shine,
it keeps me warm as life grows colder

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far,
to change this lonely life

I want to know what love is, I want you to show me
I want to feel what love is, I know you can show me

My loneliness is killing me (and I)

Pat Benatar

Well you're a real tough cookie with a long history
Of breaking little hearts like the one in me
That's okay, let's see how you do it
Put up you dukes, let's get down to it

Hit me with your best shot
Why don't you hit me with your best shot
Hit me with your best shot
Fire away

THE NIGHT THEY DROVE OLD DIXIE DOWN

Joan Baez

Like my father before me, I'm a working man
And like my brother before me, I took a rebel stand
Well, he was just eighteen, proud and brave
But a Yankee laid him in his grave
I swear by the blood below my feet
You can't raise a Caine back up when he's in defeat

The night they drove old Dixie down
And all the bells were ringin'
The night they drove old Dixie down
And all the people were singin'

NYGGA PLEASE!

Re-Submitted by DoDo Brown

You live in a King James religious state but too ignorant to know you live in a King James political state too. **Nygga Please!**

You running around talking about you so free & independent, but you depend on somebody else to employ you, to fix that hair do, to make clothes for you to style and profile in, to protect you from others just like you, to protect you from racist. to get you eatable food, to get you clean water, to teach & raise your children and to find suitable gutters for you to carouse in. **Nygga Please!**

You actually think that sending your kids to white schools to get a good, white education is going to

improve the situation for other Black folks. **Nygga Please! Who you think you fooling?** You know dam well that white folks ain't that dam dumb! They ain't going to teach you to be large and in charge of them fool!

You say you don't like the word Nigger. You say you don't want to be called a Nigger. You make a lot of noise about the "n" word. **Nygga Please!** Until you can do something to free yourself from the people, their corporations or their occupying army that gave you that name, you will always be a Nigger Nygga! Ain't they the people you want to be like, equal to, pray to, and live in peace and harmony with **NYGGA?**

Somewhere boot-licking, buck dancing **Nyggas** are negotiating in back rooms with their white bosses and their white masters and mistresses to get "those class-less people" to stop calling them the "n" word. They prefer to be called Negro, Colored or anything that ends in American, so they can stay in good grace with Caucasians. So these same Nyggas will live in fear, get a voters card, sign more treaties, change their social security cards, wear turbans if necessary, pretend they are a nation or a nationality, become a mercenary, visit the Motherland, visit the Caribbean, straighten their hair, cut all their hair off, get another drivers license, tell jokes & sing songs, make hip-hop records, find new & more ways to pray, get a degree, get 2 degrees, get a doctorate, kiss ass or kiss cheeks, boot lick, buck dance, scratch where they don't itch and never form any army or resistance to stop being terrorized... just like **Nyggas**.

Who you trying to get over on?

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Black Consciousness is not some mythological or pretend place where some super hero comes along and recues Black people from self-hatred, self-abuse or White Imperialism. So please leave your GOLD SLIPPERS at the door. This is not a time for crying, whining and being pretentious. We still have plenty of work to do!

**WHITE DEMOCRATS /
BLACK DEMOCRATS**

The Gospel According To

Dr. Mustafa Ansari

"It is our opinion that all Whites, right-wing and left-wing, Republican and Democrat, without exception, are acculturated in "Customary Racism" and this is why Civil Rights does not work in this country. The President, Supreme Court, Congress, the most downtrodden White person have all been acculturated in "Customary

The Nubian Times

Racism" and so have you but from the receiving end."

"In fact, you can't hide from the customs of race in this country even if you tried. Customary racism is in your School books, Bibles, songs, and it transfers into legislation, court rulings that effect " Police Brutality", Crime Bills, Adult sentencing for youthful offenders, Food Stamps, tax cuts and all aspects of American law. "Customary Law" is the law upon which 90% of American Law is based."

COWARDICE

The Gospel According To

George Jackson

"Patience has its limits. Take it too far and it's cowardice!"

HELP OTHER NATIONS

The Gospel According To

Fidel Castro

"Our country doesn't drop bombs on other people. We don't have biological or nuclear bombs. But we train our doctors to help other nations."

**PARABLE OF THE
TALENTS**

The Gospel According To

Octavia Butler

"Choose your leaders with wisdom and forethought. To be led by a coward is to be controlled by all that the coward fears. To be led by a fool is to be led by the opportunists who control the fool. To be led by a thief is to offer up your most precious treasures to be stolen. To be led by a liar is to ask to be told lies. To be led by a tyrant is to sell yourself and those you love into slavery"

HARD RESET

The Gospel According To

Dr. Anthony Browder

“Every 10 years you should be doing a hard reset of yourself. If you’re thinking and doing the same thing as a decade ago, you’re not growing. If we’re growing physically, so must our thoughts, practices and even beliefs”.

IS IT RIGHT?

The Gospel According To

Dr. Martin Luther King Jr.

"Cowardice asks the question is it safe? Expediency asks the question: is it political? Vanity asks the question is it popular? But conscience asks the question: is it right? And there comes a time when one must take a position that is neither safe, nor political, nor popular- but one must take it simply because it is right"

THE SYSTEM

The Gospel According To

Kwame Ture

“When I was 17, I whispered to two of my Black classmates the answer to one of the questions on a very hard exam. First thing they asked me was ‘Are you sure?’ And then they told me they didn’t believe me. A couple of minutes later, one of my White classmates told them the answer to another question. First thing they said was ‘Thank you, you’re great’. I knew right then and there that the system was definitely winning.”

RUN

The Gospel According To

Art Blair

“You may our out run the enemy that is running after you, but not the enemy that is running with you.”

EVERYTHING BUT YOURS

The Gospel According To

Malcolm X

“Go into Japanese neighborhoods, you don’t see Negro stores. Go into China town, you don’t see Negro stores. Go into Jew town, you don’t see Negro stores. But come up here in Black Town and you every kind of store is here but yours!”

Oh, love is a hurtin' thing
When you're in my arms I'm a king on a throne
But when we're apart I walk the streets alone
One day happiness
The next day, loneliness
Love us a hurtin' thing

YOU BELONG TO ME

Anita Baker

You don't have to prove to me
You're beautiful to strangers
I've got loving eyes of my own, of my own
You belong to me

Why'd you tell me this?
Were you looking for my reaction?
What do you need to know?
Don't you know I'll always be your girl?

GET & STAY FOCUSED

Deion Sanders

“There's a virus that has the whole world's attention, because it's a threat to all, but there's a Poverty, Educational, Health Care, Parenting, Joblessness, Crime and Racial virus that's been killing our communities forever. Let's focus on this one with the same solvency please.”

STAY STRONG

Bob Marley

“You never know how strong you are, until being strong is your only choice.”

BALANCED

The Gospel According To

Booty Adams

“Africans did not come from a matrilineal or patrilineal society. No gender ever reigned supreme or had total control. They came from balanced and cooperative cultures, societies and civilizations, with both women and men wielding respect and power, depending on the condition, situation and well-being of the people. Don't get it twisted and let outsiders, invaders and haters tell you anything

different! All they wish to do is destroy your cohesiveness and resilience.”

PRINCIPLES OF MA'AT

The Gospel According To

Booty Addams

“The Principle (Affirmations) of Ma'at were designed for our people and their cohesive spirituality. They were not created for invaders, outsiders of our cultures or people who speak with a forked tongue; other groups have tried to duplicate or “borrow” from these divine principles, but they always come up with a hot mess!”

IT'S STILL EVIL

Anonymous Submission

The lesser of two evils is evil too. No matter how anyone tries to make it something it ain't or make it seem like some kind of holy moment. What goes around comes around. Evil can split itself in two and make it seem like it's coming at you from two different directions. But in the end...IT'S STILL EVIL!

CANNOT EAT MONEY

Cree Indian Proverb

“Only when the last tree has died and the last river been poisoned and the last fish been caught will we realize that we cannot eat money?”

REDRUM

The Gospel According To

Dr. Mustafa Ansari

“REDRUM is Murder spelled backwards and this is what we are going to be doing with each other out of the frustrations of poverty if we do not shake the Negro Civil Right reliance on the American System.”

WE ARE IN THE KILLING AND DYING ZONE

11

The Gospel According To

Dr. Mustafa Ansari

“The problem that we are facing is that the mind of the Negro has been turned into a non-sensical blob that makes them believe in the ‘Deep State’ or whatever it wants them to believe in, namely in the American System way of doing things. I am going to give you a couple of examples that have come to me in the last 24 hours. The nonsensical rant of a Negro turned protestor in Glynn County, GA in the Ahmaud Arbery killing who said “we always believed in law enforcement”. Huh? Really? Have you not been paying attention to the last 400 years? Another example is the Rucho v. Common Cause case in which the Supreme Court has constricted the 15th Amendment and voting rights for Afro-descendants into a meaningless afterthought without a peep from the prominent Civil Rights Lawyers, the Congressional Black Caucus or Civil Rights activist. I mean the silence is deafening.”

TO VOTE OR NOT TO VOTE

The Gospel According To

Djehuti Sundaka

“Voting is irrelevant as is proven by all of the corporate fat cats who dominate the world. Who you invest in, whether by official investment or by mere patronage, is relevant. Voting or not voting will never get rid of the corporate criminals. Only one thing will get rid of them and that is simply to not patronize them. The vast majority votes every single day with the buck rather than with the ballot. The vast majority votes every single day to finance their own enslavement and that of their children and their children's children. The votes for either freedom or enslavement have already been counted. You need

only look at the corporate world's nauseating television commercials to see the results.”

MASSIVE WAR

The Gospel According To

Dr. Frances Cress Welsing

“Everything that we are studying is important. Everything that we look at has high level significance, but if we are not understanding this massive war and what is at stake, I believe we will not be able to apply our energy force in a laser type manner, so that we really begin to neutralize the war that is coming at us.”

IMITATING MASTER

The Gospel According To

Jamil Abdullah Al-Amin

“Racism systematically verifies itself anytime the slave can only be free by imitating his master.”

THE SOUTH PACIFIC

The Gospel According To

Dr. Arthur Lewis

“In the South Pacific, the European divides people into 3 categories, Melanesian, Micronesian and Polynesian, to disguise the fact that they are all Afrikan people.”

BLACK FEMINIST

The Gospel According To

Dr. Marimba Ani

“I think one of the most damaging things that has happened to us and really is a movement away from self, is the people who consider themselves as “Black Feminist”. I don't see how that can be defined without it becoming anti-male. I define myself as a Pan-Afrikanist and my appreciation of female power fits very comfortably within my Afrikanist and my commitment to Afrika and race first!”

RACE RELATIONS

The Gospel According To

Attorney Johnnie Cochran

“Race plays a part of everything in America and we need to understand that. And when we stop ducking and dodging from that we'll be better off!
